(8) This section may not be construed as a guarantee that an identified relative or friend will receive custody of the child.

(9) Subject to Subsections (18)(c) through (e), preferential consideration shall be given to a relative’s or a friend’s request for placement of the
child, if it is in the best interest of the child, and the provisions of this section are satisfied.

(10) (a) If a willing relative or friend is identified under Subsection (7)(a), the court shall make a specific finding regarding:

(i) the fitness of that relative or friend as a placement for the child; and

(ii) the safety and appropriateness of placement with that relative or friend.

(b) In order to be considered a “willing relative or friend” under this section, the relative or friend shall be willing to cooperate with the child’s permanency goal.

(11) (a) In making the finding described in Subsection (10)(a), the court shall, at a minimum, order the division to:

(i) if the child may be placed with a relative of the child, conduct a background check that includes:

(A) completion of a nonfingerprint-based, Utah Bureau of Criminal Identification background check of the relative;

(B) a completed search, relating to the relative, of the Management Information System described in Section 62A-4a-1003; and

(C) a background check that complies with the criminal background check provisions described in Section 78A-6-308, of each nonrelative, as defined in Subsection 62A-4a-209(1)(a), of the child who resides in the household where the child may be placed;

(ii) if the child will be placed with a noncustodial parent of the child, complete a background check that includes:

(A) the background check requirements applicable to an emergency placement with a noncustodial parent that are described in Subsections 62A-4a-209(5) and (7);

(C) a background check that complies with the criminal background check provisions described in Section 78A-6-308, of each nonrelative, as defined in Subsection 62A-4a-209(1)(a), of the child who resides in the household where the child may be placed;

(iii) if the child may be placed with an individual other than a noncustodial parent or a relative of the child, conduct a criminal background check of the individual, and each adult that resides in the household where the child may be placed, that complies with the criminal background check provisions described in Section 78A-6-308;

(iv) visit the relative’s or friend’s home;

(v) check the division’s management information system for any previous reports of abuse or neglect regarding the relative or friend at issue;

(vi) report the division’s findings in writing to the court; and

(vii) provide sufficient information so that the court may determine whether:

(A) the relative or friend has any history of abusive or neglectful behavior toward other children that may indicate or present a danger to this child;

(B) the child is comfortable with the relative or friend;

(C) the relative or friend recognizes the parent’s history of abuse and is committed to protect the child;

(D) the relative or friend is strong enough to resist inappropriate requests by the parent for access to the child, in accordance with court orders;

(E) the relative or friend is committed to caring for the child as long as necessary; and

(F) the relative or friend can provide a secure and stable environment for the child.

(b) The division may determine to conduct, or the court may order the division to conduct, any further investigation regarding the safety and appropriateness of the placement.

(c) The division shall complete and file its assessment regarding placement with a relative or friend as soon as practicable, in an effort to facilitate placement of the child with a relative or friend.

(12) (a) The court may place a child described in Subsection (2)(a) in the temporary custody of the division, pending the division’s investigation pursuant to Subsections (10) and (11), and the court’s determination regarding the appropriateness of that placement.

(b) The court shall ultimately base its determination regarding the appropriateness of a placement with a relative or friend on the best interest of the child.

(13) When the court awards custody and guardianship of a child with a relative or friend:

(a) the court shall order that:

(i) the relative or friend assume custody, subject to the continuing supervision of the court; and

(ii) any necessary services be provided to the child and the relative or friend;

(b) the child and any relative or friend with whom the child is placed are under the continuing jurisdiction of the court;

(c) the court may enter any order that it considers necessary for the protection and best interest of the child;

(d) the court shall provide for reasonable parent–time with the parent or parents from whose
custody the child was removed, unless parent–time is not in the best interest of the child; and

(e) the court shall conduct a periodic review no less often than every six months, to determine whether:

(i) placement with the relative or friend continues to be in the child’s best interest;

(ii) the child should be returned home; or

(iii) the child should be placed in the custody of the division.

(14) No later than 12 months after placement with a relative or friend, the court shall schedule a hearing for the purpose of entering a permanent order in accordance with the best interest of the child.

(15) The time limitations described in Section 78A–6–312, with regard to reunification efforts, apply to children placed with a relative or friend pursuant to Subsection (7).

(16) (a) If the court awards custody of a child to the division, and the division places the child with a relative, the division shall:

(i) conduct a criminal background check of the relative that complies with the criminal background check provisions described in Section 78A–6–308; and

(ii) if the results of the criminal background check described in Subsection (16)(a)(i) would prohibit the relative from having direct access to the child under Section 62A–2–120, the division shall:

(A) take the child into physical custody; and

(B) within three days, excluding weekends and holidays, after taking the child into physical custody under Subsection (16)(a)(ii)(A), give written notice to the court, and all parties to the proceedings, of the division’s action.

(b) Nothing in Subsection (16)(a) prohibits the division from placing a child with a relative, pending the results of the background check described in Subsection (16)(a) on the relative.

(17) When the court orders that a child be removed from the custody of the child’s parent and does not award custody and guardianship to another parent, relative, or friend under this section, the court shall order that the child be placed in the temporary custody of the Division of Child and Family Services, to proceed to adjudication and disposition and to be provided with care and services in accordance with this chapter and Title 62A, Chapter 4a, Child and Family Services.

(18) (a) Any preferential consideration that a relative or friend is initially granted pursuant to Subsection (9) expires 120 days from the date of the shelter hearing. After that time period has expired, a relative or friend who has not obtained custody or asserted an interest in a child, may not be granted preferential consideration by the division or the court.

(b) When the time period described in Subsection (18)(a) has expired, the preferential consideration, which is initially granted to a natural parent in accordance with Subsection (2), is limited. After that time the court shall base its custody decision on the best interest of the child.

(c) Prior to the expiration of the 120–day period described in Subsection (18)(a), the following order of preference shall be applied when determining the person with whom a child will be placed, provided that the person is willing, and has the ability, to care for the child:

(i) a noncustodial parent of the child;

(ii) a relative of the child;

(iii) subject to Subsection (18)(d), a friend of a parent of the child, if the friend is a licensed foster parent; and

(iv) other placements that are consistent with the requirements of law.

(d) In determining whether a friend is a willing and appropriate placement for a child, neither the court, nor the division, is required to consider more than one friend designated by each parent of the child.

(e) If a parent of the child is not able to designate a friend who is a licensed foster parent for placement of the child, but is able to identify a friend who is willing to become licensed as a foster parent:

(i) the department shall fully cooperate to expedite the licensing process for the friend; and

(ii) if the friend becomes licensed as a foster parent within the time frame described in Subsection (18)(a), the court shall determine whether it is in the best interests of the child to place the child with the friend.

(19) If, following the shelter hearing, the child is placed with a person who is not a parent of the child, a relative of the child, a friend of a parent of the child, or a former foster parent of the child, priority shall be given to a foster placement with a man and a woman who are married to each other, unless it is in the best interests of the child to place the child with a single foster parent.

(20) In determining the placement of a child, neither the court, nor the division, may take into account, or discriminate against, the religion of a person with whom the child may be placed, unless the purpose of taking religion into account is to place the child with a person or family of the same religion as the child.

      (i) necessary to demonstrate attainment of the national ambient air quality standards in an area where they are required; and
      (ii) reasonably cost effective when compared to other similarly beneficial control strategies for demonstrating attainment of the national ambient air quality standards.

[(b) State implementation plans developed prior to July 1, 1995, may require fleets to use clean fuels no earlier than July 1, 1995, unless the board determines fleet use of clean fuels is necessary prior to July 1, 1995, to demonstrate attainment of the national ambient air quality standards in any area by an attainment date established by federal law.]

[(c) The board may not require more than 50% of those trucks in a fleet that are heavy duty trucks having a gross vehicle weight rating of more than 8,500 pounds and not more than 26,000 pounds to convert to clean fuels under Subsection (2)(b).]

Section 6. Section 19-2-108 is amended to read:

19-2-108. Notice of construction or modification of installations required -- Authority of director to prohibit construction -- Hearings -- Limitations on authority of director -- Inspections authorized.

(1) Notice shall be given to the director by [any] a person planning to construct a new installation which will or might reasonably be expected to be a source or indirect source of air pollution or to make modifications to an existing installation which will or might reasonably be expected to increase the amount of or change the character or effect of air [contaminants] pollutants discharged, so that the installation may be expected to be a source or indirect source of air pollution, or by [any] a person planning to install an air cleaning device or other equipment intended to control emission of air [contaminants] pollutants.

(2) (a) [41] The director may, require, as a condition precedent to the construction, modification, installation, or establishment of the air [contaminant] pollutant source or indirect source, the submission of plans, specifications, and other information as he finds necessary to determine whether the proposed construction, modification, installation, or establishment will be in accord with applicable rules in force under this chapter.

(ii) Plan approval for an indirect source may be delegated by the director to a local authority when requested and upon assurance that the local authority has and will maintain sufficient expertise to insure that the planned installation will meet the requirements established by law.

(b) If within 90 days after the receipt of plans, specifications, or other information required under this subsection, the director determines that the proposed construction, installation, or establishment or any part of it will not be in accord with the requirements of this chapter or applicable rules or that further time, not exceeding three extensions of 30 days each, is required by the director to adequately review the plans, specifications, or other information, he shall issue an order prohibiting the construction, installation, or establishment of the air [contaminant] pollutant source or sources in whole or in part.

(3) In addition to any other remedies, [any] a person aggrieved by the issuance of an order either granting or denying a request for the construction of a new installation, and prior to invoking any such other remedies shall, upon request, in accordance with the rules of the department, be entitled to a permit review adjudicative proceeding conducted by an administrative law judge as provided by Section 19-1-301.5.

(4) Any features, machines, and devices constituting parts of or called for by plans, specifications, or other information submitted under Subsection (1) shall be maintained in good working order.

(5) This section does not authorize the director to require the use of machinery, devices, or equipment from a particular supplier or produced by a particular manufacturer if the required performance standards may be met by machinery, devices, or equipment otherwise available.

(6) (a) [Any] An authorized officer, employee, or representative of the director may enter and inspect any property, premises, or place on or at which an air [contaminant] pollutant source is located or is being constructed, modified, installed, or established at any reasonable time for the purpose of ascertaining the state of compliance with this chapter and the rules adopted under it.

(b) (i) A person may not refuse entry or access to [any] an authorized representative of the director who requests entry for purposes of inspection and who presents appropriate credentials.

(ii) A person may not obstruct, hamper, or interfere with [any] an inspection.

Section 7. Section 19-2-109.1 is amended to read:

(1) As used in this section and Sections 19-2-109.2 and 19-2-109.3:
(a) “EPA” means the federal Environmental Protection Agency.

(4) “1990 Clean Air Act” means the federal Clean Air Act as amended in 1990.

(a) “1990 Clean Air Act” means the federal Clean Air Act as amended in 1990.

(b) “EPA” means the federal Environmental Protection Agency.

(c) “Operating permit” means a permit issued by the director to sources of air pollution that meet the requirements of Titles IV and V of the 1990 Clean Air Act.

(d) “Program” means the air pollution operating permit program established under this section to comply with Title V of the 1990 Clean Air Act.

(e) “Regulated pollutant” has the same meaning as that term is defined in Title V of the 1990 Clean Air Act and implementing federal regulations.

(2) [a] A person may not operate [any] a source of air pollution required to have a permit under Title V of the 1990 Clean Air Act without having obtained an operating permit from the director under procedures the board establishes by rule.

(b) A person is not required to submit an operating permit application until the governor has submitted an operating permit program to the EPA.

[c] Any operating permit issued under this section may not become effective until the day after the EPA issues approval of the permit program or November 15, 1995, whichever occurs first.

(3) (a) Operating permits issued under this section shall be for a period of five years unless the director makes a written finding, after public comment and hearing, and based on substantial evidence in the record, that an operating permit term of less than five years is necessary to protect the public health and the environment of the state.

(b) The director may issue, modify, or renew an operating permit only after providing public notice, an opportunity for public comment, and an opportunity for a public hearing.

(c) The director shall, in conformity with the 1990 Clean Air Act and implementing federal regulations, revise the conditions of issued operating permits to incorporate applicable federal regulations in conformity with Section 502(b)(9) of the 1990 Clean Air Act, if the remaining period of the permit is three or more years.

(d) The director may terminate, modify, revoke, or reissue an operating permit for cause.

(4) (a) The board shall establish a proposed annual emissions fee that conforms with Title V of the 1990 Clean Air Act for each ton of regulated pollutant, applicable to all sources required to obtain a permit. The emissions fee established under this section is in addition to fees assessed under Section 19–2–108 for issuance of an approval order.

(b) In establishing the fee the board shall comply with the provisions of Section 63J–1–504 that require a public hearing and require the established fee to be submitted to the Legislature for its approval as part of the department’s annual appropriations request.

(c) The fee shall cover all reasonable direct and indirect costs required to develop and administer the program and the small business assistance program established under Section 19–2–109.2. The director shall prepare an annual report of the emissions fees collected and the costs covered by those fees under this Subsection (4).

(d) The fee shall be established uniformly for all sources required to obtain an operating permit under the program and for all regulated pollutants.

(e) The fee may not be assessed for emissions of any regulated pollutant if the emissions are already accounted for within the emissions of another regulated pollutant.

(f) An emissions fee may not be assessed for any amount of a regulated pollutant emitted by any source in excess of 4,000 tons per year of that regulated pollutant.

(5) Emissions fees accrued on and after July 1, 1993, but before issuance of an operating permit, shall be based on the most recent emissions inventory, unless a source elects before July 1, 1992, to base the fee on allowable emissions, if applicable for a regulated pollutant. (6) After an operating permit is issued the emissions fee shall be based on actual emissions for a regulated pollutant unless a source elects, prior to the issuance or renewal of a permit, to base the fee during the period of the permit on allowable emissions for that regulated pollutant.

(6) If the owner or operator of a source subject to this section fails to timely pay an annual emissions fee, the director may:

(a) impose a penalty of not more than 50% of the fee, in addition to the fee, plus interest on the fee computed at 12% annually; or

(b) revoke the operating permit.

(7) The owner or operator of a source subject to this section may contest an emissions fee assessment or associated penalty in an adjudicative hearing under the Title 63G, Chapter 4, Administrative Procedures Act, and Section 19–1–301, as provided in this Subsection (6).

(a) The owner or operator shall pay the fee under protest prior to being entitled to a hearing. Payment of an emissions fee or penalty under protest is not a waiver of the right to contest the fee or penalty under this section.

(b) A request for a hearing under this Subsection (6) shall be made after payment of the emissions fee and within six months after the emissions fee was due.
[(Ω)] (8) To reinstate an operating permit revoked under Subsection [(Ω)] (6) the owner or operator shall pay all outstanding emissions fees, a penalty of not more than 50% of all outstanding fees, and interest on the outstanding emissions fees computed at 12% annually.

[(Ω)] (9) All emissions fees and penalties collected by the department under this section shall be deposited in the General Fund as the Air Pollution Operating Permit Program dedicated credit to be used solely to pay for the reasonable direct and indirect costs incurred by the department in developing and administering the program and the small business assistance program under Section 19-2-109.2.

[(Ω)] (10) Failure of the director to act on [any] an operating permit application or renewal is a final administrative action only for the purpose of obtaining judicial review by any of the following persons to require the director to take action on the permit or its renewal without additional delay:

(a) the applicant;
(b) [any] a person who participated in the public comment process; or
(c) [any other] a person who could obtain judicial review of that action under applicable law.

Section 8. Section 19-2-109.2 is amended to read:

19-2-109.2. Small business assistance program.

(1) The [board] division shall establish a small business stationary source technical and environmental compliance assistance program that conforms with Title V of the 1990 Clean Air Act to assist small businesses to comply with state and federal air pollution laws.

(2) There is created the Compliance Advisory Panel to advise and monitor the program created in Subsection (1). The seven panel members are:

(a) two members who are not owners or representatives of owners of small business stationary air pollution sources, selected by the governor to represent the general public;
(b) four members who are owners or who represent owners of small business stationary sources selected by leadership of the Utah Legislature as follows:
   (i) one member selected by the majority leader of the Senate;
   (ii) one member selected by the minority leader of the Senate;
   (iii) one member selected by the majority leader of the House of Representatives; and
   (iv) one member selected by the minority leader of the House of Representatives; and
(c) one member selected by the executive director to represent the Division of Air Quality, Department of Environmental Quality.

(3) (a) Except as required by Subsection (3)(b), as terms of current panel members expire, the department shall appoint each new member or reappointed member to a four-year term.
(b) Notwithstanding the requirements of Subsection (3)(a), the department shall, at the time of appointment or reappointment, adjust the length of terms to ensure that the terms of panel members are staggered so that approximately half of the panel is appointed every two years.

(4) Members may serve more than one term.

(5) Members shall hold office until the expiration of their terms and until their successors are appointed, but not more than 90 days after the expiration of their terms.

(6) When a vacancy occurs in the membership for any reason, the replacement shall be appointed for the unexpired term.

(7) Every two years, the panel shall elect a chair from its members.

(8) (a) The panel shall meet as necessary to carry out its duties. Meetings may be called by the chair, the director, or upon written request of three of the members of the panel.
(b) Three days’ notice shall be given to each member of the panel prior to a meeting.
(9) Four members constitute a quorum at [any] a meeting, and the action of the majority of members present is the action of the panel.

(10) A member may not receive compensation or benefits for the member’s service, but may receive per diem and travel expenses in accordance with:

(a) Section 63A-3-106;
(b) Section 63A-3-107; and
(c) rules made by the Division of Finance pursuant to Sections 63A-3-106 and 63A-3-107.

Section 9. Section 19-2-112 is amended to read:

19-2-112. Generalized condition of air pollution creating emergency -- Sources causing imminent danger to health -- Powers of executive director -- Declaration of emergency.

(1) (a) Title 63G, Chapter 4, Administrative Procedures Act, and any other provision of law to the contrary notwithstanding, if the executive director finds that a generalized condition of air pollution exists and that it creates an emergency requiring immediate action to protect human health or safety, the executive director, with the concurrence of the governor, shall order persons causing or contributing to the air pollution to reduce or discontinue immediately the emission of air [contaminants] pollutants.
(b) The order shall fix a place and time, not later than 24 hours after its issuance, for a hearing to be held before the governor.
(c) Not more than 24 hours after the commencement of this hearing, and without
adjournment of it, the governor shall affirm, modify, or set aside the order of the executive director.

(2) (a) In the absence of a generalized condition of air pollution referred to in Subsection (1), but if the executive director finds that emissions from the operation of one or more air [contaminant] pollutant sources is causing imminent danger to human health or safety, the executive director may commence adjudicative proceedings under Section 63G-4-502.

(b) Notwithstanding Section 19-1-301 or 19-1-301.5, the executive director may conduct the emergency adjudicative proceeding in place of an administrative law judge.

(3) Nothing in this section limits any power that the governor or any other officer has to declare an emergency and act on the basis of that declaration.

Section 10. Section 19-2-113 is amended to read:

(1) (a) [Any person who owns or is in control of a plant, building, structure, establishment, process, or equipment may apply to the board for a variance from its rules.

(b) The board may grant the requested variance following an announced public meeting, if it finds, after considering the endangerment to human health and safety and other relevant factors, that compliance with the rules from which variance is sought would produce serious hardship without equal or greater benefits to the public.

(2) A variance may not be granted under this section until the board has considered the relative interests of the applicant, other owners of property likely to be affected by the discharges, and the general public.

(3) [Any variance or renewal of a variance shall be granted within the requirements of Subsection (1) and for time periods and under conditions consistent with the reasons for it, and within the following limitations:

(a) if the variance is granted on the grounds that there are no practicable means known or available for the adequate prevention, abatement, or control of the air pollution involved, it shall be only until the necessary means for prevention, abatement, or control become known and available, and subject to the taking of any substitute or alternate measures that the board may prescribe;

(b) if the variance is granted on the grounds that compliance with the requirements from which variance is sought will require that measures, because of their extent or cost, must be spread over a long period of time, the variance shall be granted for a reasonable time that, in the view of the board, is required for implementation of the necessary measures; and

(ii) a variance granted on this ground shall contain a timetable for the implementation of remedial measures in an expeditious manner and shall be conditioned on adherence to the timetable; or

(c) if the variance is granted on the ground that it is necessary to relieve or prevent hardship of a kind other than that provided for in Subsection (3)(a) or (b), it may not be granted for more than one year.

(4) (a) [A variance granted under this section may be renewed on terms and conditions and for periods that would be appropriate for initially granting a variance.

(b) If a complaint is made to the board because of the variance, a renewal may not be granted unless, following an announced public meeting, the board finds that renewal is justified.

(c) To receive a renewal, an applicant shall submit a request for agency action to the board requesting a renewal.

(1) If a request for a feasibility study to incorporate a city is filed under Section 10–2–103 before May 12, 2015, the request and a subsequent feasibility study, petition, public hearing, election, and any other city incorporation action applicable to that request shall be filed with and be acted upon, held, processed, or paid for by the county legislative body or county clerk, as applicable, as designated, directed, or authorized before this bill takes effect.

(2) If a petition to incorporate a town is filed under Section 10–2–125 before May 12, 2015, the petition and a subsequent feasibility study, petition, public hearing, election, and any other town incorporation action applicable to that petition to incorporate, including a township incorporation procedure as defined in Section 10–2–130, shall be filed with and be acted upon, held, processed, or paid for by the county legislative body or county clerk, as applicable, as designated, directed, or authorized before this bill takes effect.

Section 3. Section 10–2–103 is amended to read:

10–2–103. Request for feasibility study -- Requirements -- Limitations.

(1) The process to incorporate a contiguous area of a county as a city is initiated by a request for a feasibility study filed with the [clerk of the county in which the area is located] Office of the Lieutenant Governor.

(2) Each request under Subsection (1) shall:

(a) be signed by the owners of private real property that:

(i) is located within the area proposed to be incorporated;
(ii) covers at least 10% of the total private land area within the area; and

(iii) is equal in value to at least 7% of the value of all private real property within the area;

(b) indicate the typed or printed name and current residence address of each owner signing the request;

(i) was filed before the filing of the request; and

(ii) is still pending on the date the request is filed.

(b) Notwithstanding Subsection (4)(a), a request may propose for incorporation an area that includes some or all of an area proposed for annexation in an annexation petition described in Subsection (4)(a) if:

(i) the proposed annexation area that is part of the area proposed for incorporation does not exceed 20% of the area proposed for incorporation;

(ii) the request complies with Subsections (2) and (3) with respect to the area proposed for incorporation excluding the proposed annexation area; and

(iii) excluding the area proposed for annexation from the area proposed for incorporation would not cause the area proposed for incorporation to lose its contiguousness.

(c) Except as provided in Section 10-2-107, each request to which Subsection (4)(b) applies shall be considered as not proposing the incorporation of the area proposed for annexation.

(5) At the time of filing the request for a feasibility study with the [county clerk] Office of the Lieutenant Governor, the sponsors of the request shall mail or deliver a copy of the request to the chair of the planning commission of each township in which any part of the area proposed for incorporation is located.

(4) The [county legislative body] lieutenant governor shall exclude the property identified by an owner in the Notice of Exclusion from the proposed incorporation boundaries unless the [county legislative body] lieutenant governor finds by clear and convincing evidence in the record that:

(a) the exclusion will leave an unincorporated island within the proposed municipality; and

(b) the property to be excluded:

(i) is urban; and
(ii) currently receives from the county a majority of municipal-type services including:

(A) culinary or irrigation water;
(B) sewage collection or treatment;

(i) who has fulfilled the requirements described in
Title 78B, Chapter 6, Part 1, Utah Adoption Act;
and

(ii) (A) with whom the child has continuously

(b) The court may consider other factors relevant
to the best interest of the child to determine
whether the presumption is rebutted.

(c) The court shall weigh the best interest of the

one petitioner satisfies a rebuttable presumption
condition described in Subsection (9)(a).

(10) Nothing in this section shall be construed to
prevent the division or the child's guardian ad litem

for a petition for adoption.

(11) Neither the court nor the division is obligated
to inform a petitioner of the petitioner's rights or
duties under this section.

ENACTS:
59-2-301.7, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 59-2-301.7 is enacted to read:
59-2-301.7. Definitions -- Assessment of property used for radioactive or hazardous waste storage.

(a) the functionality of the property;
(b) the ability to use the property; or
(c) property rights.
(3) Subsection (2) applies to the extent a county assessor knows, or reasonably should have known, that property has been used in the past for the storage of hazardous waste or radioactive waste.

Section 2. Section 59-4-101 is amended to read:
59-4-101. Tax basis -- Exceptions -- Assessment and collection.
(1) (a) Except as provided in Subsections (1)(b) and (c), a tax is imposed on the possession or other beneficial use enjoyed by any person of any real or personal property which for any reason is exempt from taxation, if that property is used in connection with a business conducted for profit.
(b) Any interest remaining in the state in state lands after subtracting amounts paid or due in part payment of the purchase price as provided in Subsection 59-2-1103(2)(b)(i) under a contract of sale is subject to taxation under this chapter regardless of whether the property is used in connection with a business conducted for profit.
(c) The tax imposed under Subsection (1)(a) does not apply to property exempt from taxation under Section 59-2-1114.
(2) The tax imposed under this chapter is the same amount that the ad valorem property tax would be if the possessor or user were the owner of the property. The amount of any payments which are made in lieu of taxes is credited against the tax imposed on the beneficial use of property owned by the federal government.
(3) A tax is not imposed under this chapter on the following:
(a) the use of property which is a concession in, or relative to, the use of a public airport, park, fairground, or similar property which is available as a matter of right to the use of the general public;

Every lessee, permittee, or other holder of a right to remove or extract the mineral covered by the holder’s lease, right, permit, or easement except from brines of the Great Salt Lake, is considered to be in possession of the premises, notwithstanding the fact that other parties may have a similar right to remove or extract another mineral from the same lands or estates;

(f) the use or possession of property by a public agency, as defined in Section 11-13-103, to the extent that the ownership interest of the public agency in that property is subject to a fee in lieu of ad valorem property tax under Section 11-13-302; or

(g) the possession or beneficial use of public property as a tollway by a private entity through a tollway development agreement as defined in Section 72-6-202.

(4) A tax imposed under this chapter is assessed to the possessors or users of the property on the same forms, and collected and distributed at the same time and in the same manner, as taxes assessed owners, possessors, or other claimants of property which is subject to ad valorem property taxation. The tax is not a lien against the property, and no tax-exempt property may be attached, encumbered, sold, or otherwise affected for the collection of the tax.

(C) street addressing;

(D) except as provided in Subsection (3), an egress bedroom window if the existing bedroom window is smaller than that required by current State Construction Code;

(F) hand or guard rails; or

(G) occupancy separation doors as required by the International Residential Code; or

(ii) the abatement of a structure; or

(b) be enforced to terminate a legal nonconforming rental dwelling use.

(3) A municipality may not require physical changes to install an egress or emergency escape window in an existing bedroom that complied with the State Construction Code in effect at the time the bedroom was finished if:

(a) the dwelling is an owner-occupied dwelling or a rental dwelling that is:

(i) a detached one-, two-, three-, or four-family dwelling; or

(ii) a town home that is not more than three stories above grade with a separate means of egress; and

A structure [classified as a legal nonconforming rental housing use] whose egress [bedroom] window in an existing bedroom is smaller than required by this code, and that complied with the construction code in effect at the time that the bedroom was finished, is not required to undergo a physical change to conform to this code if the change would compromise the structural integrity of the [building] structure or could not be completed in accordance with other applicable requirements of this code, including setback and window well requirements.”

(2) In IRC, Section 109:

(a) A new IRC, Section 109.1.5, is added as follows: “R109.1.5 Weather-resistant exterior wall envelope inspections. Openings directly into an adjacent conditioned space. 2. An un-insulated floor, ceiling or wall adjacent to a conditioned space. 3. Un-insulated duct, piping or other heat or cooling source within the space.”

(6) In IRC, Section R202, the definition of “Cross Connection” is deleted and replaced with the following: “CROSS CONNECTION. Any physical connection or potential connection or arrangement between two otherwise separate piping systems, one of which contains potable water and the other either water of unknown or questionable safety or steam, gas, or chemical, whereby there exists the possibility for flow from one system to the other, with the direction of flow depending on the pressure differential between the two systems (see “Backflow, Water Distribution”).”

(7) In IRC, Section 202, in the definition for gray water a comma is inserted after the word “washers”; the word “and” is deleted; and the following is added to the end: “and clear water wastes which have a pH of 6.0 to 9.0; are non-flammable; non-combustible; without objectionable odors; non-highly pigmented; and will not interfere with the operation of the sewer treatment facility.”

(8) In IRC, Section R202, the definition of “Potable Water” is deleted and replaced with the following: “POTABLE WATER. (10) IRC, Section R301.6, is deleted and replaced with the following: “R301.6 Utah Snow Loads. The snow loads specified in Table R301.2(5b) shall be used for the jurisdictions identified in that table. Otherwise, the ground snow load, \( P_g \), to be used in the determination of design snow loads for buildings and other structures shall be determined by using the following formula: 

\[
P_g = \left( P_o + S(\frac{A-A_o}{2})^{0.5} \right) \text{for } A > A_o, \text{ and } P_g = P_o \text{ for } A \leq A_o.
\]

WHERE:

- \( P_o \) = Ground snow load at a given elevation (psf);
- \( S \) = Change in ground snow load with elevation (psf/100 ft.) From Table No. R301.2(5a);
- \( A \) = Elevation above sea level at the site (ft./1,000);
- \( A_o \) = Base ground snow elevation from Table R301.2(5a) (ft./1,000).

The building official may round the roof snow load to the nearest 5 psf. The ground snow load, \( P_g \), may be adjusted by the building official when a licensed engineer or architect submits data substantiating the adjustments.

Where the minimum roof live load in accordance with Table R301.6 is greater than the design roof snow load, such roof live load shall be used for design, however, it shall not be reduced to a load lower than the design roof snow load. Drifting need not be considered for roof snow loads less than 20 psf.”

(11) In IRC, Section R302.2, the words “Exception: A” are deleted and replaced with the following:

Exceptions:

1. A common 2-hour fire-resistance-rated wall is permitted for townhouses if such walls do not contain plumbing or mechanical equipment, ducts or vents in the cavity of the common wall. Electrical installation shall be installed in accordance with Chapters 34 through 43. Penetrations of electrical outlet boxes shall be in accordance with Section R302.4.

2. In buildings equipped with an automatic residential fire sprinkler system, a.”

(12) In IRC, Section R302.2.4, a new exception 6 is added as follows: “6. Townhouses separated by a common 2-hour fire-resistance-rated wall as provided in Section R302.2.”

(13) In IRC, Section R302.5.1, the words “self-closing device” are deleted and replaced with “self-latching hardware”.

(14) In IRC, Section R303.4, the number “5” is changed to “3” in the first sentence.

(15) IRC, Sections R311.7.4 through R311.7.4.3, are deleted and replaced with the following: “R311.7.4 Stair treads and risers. R311.7.4.1 Riser height. The maximum riser height shall be 8 inches (203 mm). The riser shall be measured vertically between leading edges of the adjacent treads. The greatest riser height within any flight of stairs shall not exceed the smallest by more than 3/8 inch (9.5 mm).”

R311.7.4.2 Tread depth. The minimum tread depth shall be 9 inches (228 mm). The tread depth shall be measured horizontally between the vertical planes of the foremost projection of adjacent treads and at a right angle to the tread’s leading edge. The greatest tread depth within any flight of stairs shall not exceed the smallest by more than 3/8 inch (9.5 mm). Winder treads shall have a minimum tread depth of 10 inches (254 mm) measured as above at a point 12 inches (305 mm) from the side where the treads are narrower. 57-8-3. Definitions.
As used in this chapter:
(1) “Assessment” means any charge imposed by the association, including:
(a) common expenses on or against a unit owner pursuant to the provisions of the declaration, bylaws, or this chapter; and
(b) an amount that an association of unit owners assesses to a unit owner under Subsection 57-8-43(9)(g).
(2) “Association of unit owners” means all of the unit owners:
(a) acting as a group in accordance with the declaration and bylaws; or
(b) organized as a legal entity in accordance with the declaration.
(3) “Building” means a building, containing units, and comprising a part of the property.
(4) “Commercial condominium project” means a condominium project that has no residential units within the project.
(5) “Common areas and facilities” unless otherwise provided in the declaration or lawful amendments to the declaration means:
(a) the land included within the condominium project, whether leasehold or in fee simple;
(b) the foundations, columns, girders, beams, supports, main walls, roofs, halls, corridors, lobbies, stairs, stairways, fire escapes, entrances, and exits of the building;
(c) the basements, yards, gardens, parking areas, and storage spaces;

(h) all other parts of the property necessary or convenient to its existence, maintenance, and safety, or normally in common use.
(6) “Common expenses” means:
(a) all sums lawfully assessed against the unit owners;
(b) expenses of administration, maintenance, repair, or replacement of the common areas and facilities;
(c) expenses agreed upon as common expenses by the association of unit owners;
(d) expenses declared common expenses by this chapter, or by the declaration or the bylaws.
(7) “Common profits,” unless otherwise provided in the declaration or lawful amendments to the declaration, means the balance of all income, rents, profits, and revenues from the common areas and facilities remaining after the deduction of the common expenses.
(8) “Condominium” means the ownership of a single unit in a multiunit project together with an undivided interest in common in the common areas and facilities of the property.
(9) “Condominium plat” means a plat or plats of survey of land and units prepared in accordance with Section 57-8-13.

(10) “Condominium project” means a real estate condominium project; a plan or project whereby two or more units, whether contained in existing or proposed apartments, commercial or industrial buildings or structures, or otherwise, are separately offered or proposed to be offered for sale. Condominium project also means the property when the context so requires.

(11) “Condominium unit” means a unit together with the undivided interest in the common areas and facilities appertaining to that unit. Any reference in this chapter to a condominium unit includes both a physical unit together with its appurtenant undivided interest in the common areas and facilities and a time period unit together with its appurtenant undivided interest, unless the reference is specifically limited to a time period unit.

(12) “Contractible condominium” means a condominium project from which one or more portions of the land within the project may be withdrawn in accordance with provisions of the declaration and of this chapter. If the withdrawal can occur only by the expiration or termination of one or more leases, then the condominium project is not a contractible condominium within the meaning of this chapter.

From the time of the recordation of any amendment to the declaration expanding an expandable condominium, all persons who execute that amendment or on whose behalf that amendment is executed shall also come within this definition. Any successors of the persons referred to in this subsection who come to stand in the same relation to the condominium project as their predecessors also come within this definition.

(16) “Declaration” means the instrument by which the property is submitted to the provisions of this act, as it from time to time may be lawfully amended.

(17) “Electrical corporation” means the same as that term is defined in Section 54-2-1.

(c) purchases the unit in good faith and without the intent to defraud a current or future lienholder.

(22) “Leasehold condominium” means a condominium project in all or any portion of which each unit owner owns an estate for years in his unit, or in the land upon which that unit is situated, or both, with all those leasehold interests to expire naturally at the same time. (24) “Majority” or “majority of the unit owners,” unless otherwise provided in the declaration or lawful amendments to the declaration, means the owners of more than 50% in the aggregate in interest of the undivided ownership of the common areas and facilities.

(26) “Mixed-use condominium project” means a condominium project that has both residential and commercial units in the condominium project.
“Par value” means a number of dollars or points assigned to each unit by the declaration. Substantially identical units shall be assigned the same par value, but units located at substantially different heights above the ground, or having substantially different views, or having substantially different amenities or other characteristics that might result in differences in market value, may be considered substantially identical within the meaning of this subsection. If par value is stated in terms of dollars, that statement may not be considered to reflect or control the sales price or fair market value of any unit, and no opinion, appraisal, or fair market transaction at a different figure may affect the par value of any unit, or any undivided interest in the common areas and facilities, voting rights in the unit owners’ association, liability for common expenses, or right to common profits, assigned on the basis thereof.

“Person” means an individual, corporation, partnership, association, trustee, or other legal entity.

“Property” means the land, whether leasehold or in fee simple, the building, if any, all improvements and structures thereon, all easements, rights, and appurtenances belonging thereto, and all articles of personal property intended for use in connection therewith.

“Size” means the number of cubic feet, or the number of square feet of ground or floor space, within each unit as computed by reference to the record of survey map and rounded off to a whole number. Certain spaces within the units including attic, basement, or garage space may be omitted from the calculation or be partially discounted by the use of a ratio, if the same basis of calculation is employed for all units in the condominium project and if that basis is described in the declaration.

“Time period unit” means an annually recurring part or parts of a year specified in the declaration as a period for which a unit is separately owned and includes a timeshare estate as defined in Subsection 57-19-2(19).

“Unit” means either a separate physical part of the property intended for any type of independent use, including one or more rooms or spaces located in one or more floors or part or parts of floors in a building or a time period unit, as the context may require. A convertible space shall be treated as a unit in accordance with Subsection 57-8-13.4(3). A proposed condominium unit under an expandable condominium project, not constructed, is a unit two years after the date the recording requirements of Section 57-8-13.6 are met.

“Unit number” means the number, letter, or combination of numbers and letters designating the unit in the declaration and in the record of survey map.

“Unit owner” means the person or persons owning a unit in fee simple and an undivided interest in the fee simple estate of the common areas and facilities in the percentage specified and established in the declaration or, in the case of a leasehold condominium project, the person or persons whose leasehold interest or interests in the condominium unit extend for the entire balance of the unexpired term or terms.

4. An association of unit owners may collect any payment to an electrical corporation or a gas corporation under this section as an assessment in accordance with Section 57-8-44.

5. (a) If, after an association of unit owners receives a written notice described in Subsection (1), the association of unit owners decides not to pay the delinquent charges, the association of unit owners may, if permitted by the association of unit owners’ governing documents, and after reasonable notice to the unit owner:

   i. enter the unit; and

   ii. winterize the unit.

   (b) A person who enters a unit in accordance with Subsection (5)(a) is not liable for trespass.

   (c) An association of unit owners may charge a unit owner an assessment for the actual and
reasonable costs of winterizing a unit in accordance with this Subsection (5).

CHAPTER 8. UTAH HOUSING CORPORATION ACT

35A-8-701. 63H-8-101. Title.

This [part] chapter is known as the “Utah Housing Corporation Act.”

Section 6. Section 63H-8-102, which is renumbered from Section 35A-8-702 is renumbered and amended to read:

(1) The Legislature declares that the policy of the state is to assure the health, safety, and welfare of its citizens, that an adequate supply of decent, safe, and sanitary housing is essential to the well-being of the citizens of the state, and that an adequate supply of mortgage funds for housing at reasonable interest rates is in the public interest.

(2) The Legislature finds and declares that:

(a) there continues to exist throughout the state a seriously inadequate supply of safe and sanitary dwelling accommodations within the financial means of persons and families of low or moderate income who wish to purchase or rent residential housing;

(b) from time to time the high rates of interest charged by mortgage lenders seriously restrict the transfer of existing housing and new housing starts;

(c) the reduction in residential construction starts associated with the high rates causes a condition of substantial unemployment and underemployment in the construction industry which impedes the economy of the state and affects the welfare and prosperity of all the people of the state;

(d) these conditions associated with the recurrent shortages of residential mortgage funds contribute to slums and blight in the cities and rural areas of the state and ultimately to the deterioration of the quality of living conditions within the state;

(e) in accordance with the purpose of this [part] chapter to assist in providing housing for low and moderate income persons who otherwise could not achieve decent, safe, and sanitary housing, the [agency] corporation shall make every effort to make housing available in rural, inner city, and other areas experiencing difficulty in securing construction and mortgage loans, and to make decent, safe, and sanitary housing available to low income persons and families;

(f) in order to assure an adequate [fund] supply of private capital [into] for this housing, the cooperation between private enterprise and state government is essential and is in the public interest;

(g) low and moderate income persons in Utah have a wide range of housing needs, which necessitates the development of many different kinds of programs to address those needs, including programs providing mortgage loans, nontraditional loans, grants, and other forms of financial assistance, and combinations of these forms;

(h) there are private organizations and governmental entities throughout Utah that are endeavoring to improve the availability of housing for low and moderate income persons and families, but many of these organizations and entities lack the expertise and financial resources to act efficiently and expeditiously in these efforts;

(i) innovative programs that bring together resources from the public, nonprofit, and private sector are necessary in order to increase the supply of housing for low and moderate [individuals] income persons and families, but these programs usually need advice and financial assistance to become established;

(j) all of the foregoing are public purposes and uses for which money may be borrowed, expended, advanced, loaned, or granted, and that these activities serve a public purpose in improving or otherwise benefiting the people of this state, and that the necessity of enacting the provisions in this [part] chapter is in the public interest and is so declared as a matter of express legislative determination; and

(k) the compelling need within the state for the creation of an adequate supply of mortgage funds at reasonable interest rates and for other kinds of financial assistance to help provide affordable housing for low and moderate income individuals can be best met by the establishment of an independent body corporate and politic, constituting a public corporation, vested with the powers and duties specified in this [part] chapter.

(3) The Legislature declares that the corporation is intended to operate:

(a) with the power to issue tax exempt bonds to finance the purchase of mortgage loans to qualified buyers;

(b) as a financially independent body; and

(c) so that its debts shall be payable solely from payments received by the corporation from
mortgage borrowers and other revenues generated internally by the corporation.

(2) A conversion involving a domestic converting entity that is not a partnership, including a subject entity, is not effective unless it is approved by the domestic converting entity in accordance with its organic law.

(2) After a plan of conversion has been approved [by a domestic converting partnership] and before a statement of conversion becomes effective, the plan may be abandoned as provided in the plan. Unless prohibited by the plan, a domestic converting partnership may abandon the plan in the same manner as the plan was approved.

(3) If a plan of conversion is abandoned after a statement of conversion has been delivered to the division for filing and before the statement of conversion becomes effective, a statement of abandonment, signed by the converting entity, must be delivered to the division for filing before the time the statement of conversion becomes effective. Section 7. Section 48-2e-1141 is amended to read:

(1) As used in Sections 48-2e-1141 through 48-2e-II46, the term “subject entity” includes a corporation, a business trust or association, a real estate investment trust, a common-law trust, or any other unincorporated business, including a limited liability company, a general partnership, a registered limited liability partnership, or a foreign limited partnership.

(2) A subject entity may convert to a domestic limited partnership by complying with Sections 48-2e-1141 through 48-2e-1146.
By complying with Sections 48-2e-1141 through 48-2e-1146 a domestic limited partnership may become:

(a) a domestic entity that is a different type of entity; or

(b) a foreign entity that is a different type of entity, if the conversion is authorized by the law of the foreign jurisdiction.

By complying with the provisions of Sections 48-2e-1141 through 48-2e-1146 applicable to foreign entities, a foreign entity that is not a foreign limited partnership may become a domestic limited partnership if the conversion is authorized by the law of the foreign entity’s jurisdiction of formation.

If a protected agreement contains a provision that applies to a merger of a domestic limited partnership but does not refer to a conversion, the provision applies to a conversion of the entity as if the conversion were a merger until the provision is amended after January 1, 2014.

Section 8. Section 48-2e-1142 is amended to read:

   (1) A subject entity may convert to a domestic limited partnership or a domestic limited partnership may convert to a different type of entity under Sections 48-2e-1141 through 48-2e-1146 by approving a plan of conversion. The plan must be in a record and contain:

(a) the name of the converting subject entity or limited partnership;

(b) the name, jurisdiction of formation, and type of entity of the converted entity;

(c) the manner of converting the interests in the converting subject entity or limited partnership into interests, securities, obligations, money, other property, rights to acquire interests or securities, or any combination of the foregoing;

(d) the proposed public organic record of the converted entity if it will be a filing entity;

(e) the full text of the private organic rules of the converted entity that are proposed to be in a record;

(f) the other terms and conditions of the conversion; and

(g) any other provision required by the law of this state or the partnership agreement of the converting limited partnership.

(2) In addition to the requirements of Subsection (1), a plan of conversion may contain any other provision not prohibited by law.

Section 9. Section 48-2e-1143 is amended to read:

48-2e-1143. Approval of conversion.
   (1) A plan of conversion is not effective unless it has been approved:

(a) by a domestic converting limited partnership by all of the partners of the limited partnership entitled to vote on or consent to any matter; and

(b) in a record, by each partner of a domestic converting limited partnership that will have interest holder liability for debts, obligations, and other liabilities that arise after the conversion becomes effective:

(i) the partnership agreement of the limited partnership provides in a record for the approval of a conversion or a merger in which some or all of its partners become subject to interest holder liability by the vote or consent of fewer than all the interest holders; and

(ii) the partner voted for or consented in a record to that provision of the partnership agreement or became a partner after the adoption of that provision.

(2) A conversion involving a domestic converting entity that is not a limited partnership, including a subject entity, is not effective unless it is approved by the domestic converting entity in accordance with its organic law.

(3) A conversion of a foreign converting entity is not effective unless it is approved by the foreign entity in accordance with the law of the foreign entity’s jurisdiction of formation.

Section 10. Section 48-2e-1144 is amended to read:

48-2e-1144. Amendment or abandonment of plan of conversion.
   (1) A plan of conversion of a subject entity or domestic converting limited partnership may be amended:

(a) in the same manner as the plan was approved, if the plan does not provide for the manner in which it may be amended; or

(b) by the partners of the limited partnership in the manner provided in the plan, but a partner that was entitled to vote on or consent to approval of the conversion is entitled to vote on or consent to any amendment of the plan that will change:

(i) the amount or kind of interests, securities, obligations, money, other property, rights to acquire interests or securities, or any combination of the foregoing, to be received by any of the partners of the converting entity under the plan;

(ii) the public organic record or private organic rules of the converted entity that will be in effect immediately after the conversion becomes effective, except for changes that do not require approval of the interest holders of the converted entity under its organic law or organic rules; or

(iii) any other terms or conditions of the plan, if the change would adversely affect the partner in any material respect.

(2) After a plan of conversion has been approved and before a statement of conversion becomes effective, the plan may be abandoned as provided in the plan.
Unless prohibited by the plan, a domestic converting limited partnership may abandon the plan in the same manner as the plan was approved.

(3) If a plan of conversion is abandoned after a statement of conversion has been delivered to the division for filing and before the statement becomes effective, a statement of abandonment, signed by the converting entity, must be delivered to the division for filing before the time the statement of conversion becomes effective. The statement of abandonment takes effect on filing, and the conversion is abandoned and does not become effective. The statement of abandonment must contain:

(a) the name of the converting subject entity or limited partnership;
(b) the date on which the statement of conversion was delivered to the division for filing; and
(c) a statement that the conversion has been abandoned in accordance with this section.

(e) the name of the converted entity may be substituted for the name of the converting entity in any pending action or proceeding;
(f) the provisions of the partnership agreement of the converted entity that are to be in a record, if any, approved as part of the plan of conversion are effective; and
(g) the interests in the converting entity are converted, and the interest holders of the converting entity are entitled only to the rights provided to them under the plan of conversion and to any appraisal rights they have under Section 48-2e-1108 and the converting entity’s organic law.

(2) Except as otherwise provided in the partnership agreement of a domestic converting limited partnership, the conversion does not give rise to any rights that a partner or third party would have upon a dissolution, liquidation, or winding up of the converting entity.

(3) When a conversion becomes effective, a person that did not have interest holder liability with respect to the converting entity and becomes subject to interest holder liability with respect to a domestic entity as a result of the conversion has interest holder liability only to the extent provided by the organic law of the entity and only for those debts, obligations, and other liabilities that arise after the conversion becomes effective.

(4) When a conversion becomes effective, the interest holder liability of a person that ceases to hold an interest in a domestic limited partnership with respect to which the person had interest holder liability is as follows:

(a) The conversion does not discharge any interest holder liability to the extent the interest holder liability arose before the conversion became effective.
(b) The person does not have interest holder liability for any debt, obligation, or other liability that arises after the conversion becomes effective.
(c) The person has whatever rights of contribution from any other person as are provided by law other than this chapter, this chapter, or the partnership agreement of the converting entity with respect to any interest holder liability preserved under Subsection (4)(a) as if the conversion had not occurred.

(5) When a conversion becomes effective, a foreign entity that is the converted entity may be served with process in this state for the collection and enforcement of any of its debts, obligations, and other liabilities as provided in Section 16-17-301.

(6) If the converting entity is a registered foreign entity, its registration to do business in this state is canceled when the conversion becomes effective.

(7) A conversion does not require the entity to wind up its affairs and does not constitute or cause the dissolution of the entity.

Section 12. Section 48-3a-108 is amended to read:

48-3a-108. Permitted names.

(1) Except as provided in Section 48-3a-1104 or 48-3a-1302, the name of a limited liability company must contain the words “limited liability company” or “limited company” or the abbreviation “L.L.C.”, “LLC”, “L.C.”, or “LC”. “Limited” may be abbreviated as “Ltd.”, and “company” may be abbreviated as “Co.”.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 70A–9a–510 is amended to read:

70A–9a–510. Effectiveness of filed record.

(1) A filed record is effective only to the extent that it was filed by a person that may file it under Section 70A–9a–509 or by the filing office under Section 70A–9a–513.5.

(2) A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(3) A continuation statement that is not filed within the six-month period prescribed by Subsection 70A–9a–515(4) is ineffective.

Section 2. Section 70A–9a–513.5 is enacted to read:

70A–9a–513.5. Termination of wrongfully filed financing statement -- Reinstatement.

(1) As used in this section:

(a) “Established filer” means a person that:

(i) regularly causes records to be communicated to the filing office for filing and has provided the filing office with current contact information and information sufficient to establish its identity; or

(ii) satisfies either of the following conditions:

(A) the filing office has issued the person credentials for access to online filing services; or

(B) the person has established an account for payment of filing fees, regardless of whether the account is used in a particular transaction.

(b) “Filing office” means the same as that term is defined in Section 70A–9a–102, except that it does not include a county recorder office.

(2) A person identified as debtor in a filed financing statement may deliver to the filing office the debtor’s notarized affidavit, signed under penalty of perjury, that identifies the financing statement by file number, indicates the affiant’s mailing address, and states that the affiant believes that the filed record identifying the affiant as debtor was not authorized and was caused to be communicated to the filing office with the intent to harass or defraud the affiant. The filing office shall adopt a form of affidavit for use under this section. The filing office may reject an affidavit described in this Subsection (2) if:

(a) the affidavit is incomplete; or

(b) the filing office reasonably believes that the affidavit was communicated to the filing office with the intent to harass or defraud the affiant. The filing office shall adopt a form of affidavit for use under this section. The filing office may reject an affidavit described in this Subsection (2) if:

(a) the affidavit is incomplete; or

(b) the filing office reasonably believes that the affidavit was communicated to the filing office with the intent to harass or defraud, or for any other unlawful purpose.

(3) Subject to Subsection (10), if an affidavit is delivered to the filing office under Subsection (2), the filing office shall promptly file a termination statement with respect to the financing statement identified in the affidavit. The termination statement must identify by its file number the initial financing statement to which it relates and must indicate that it was filed pursuant to this section. A termination statement filed under this Subsection (3) is not effective until 14 days after it is filed.

(4) The filing office may not charge a fee for the filing of an affidavit under Subsection (2) or a termination statement under Subsection (3). The filing office may not return any fee paid for filing the financing statement identified in the affidavit, whether or not the financing statement is reinstated under Subsection (7).

(5) On the same day that a filing office files a termination statement under Subsection (3), it shall send to the secured party of record for the financing statement to which the termination
statement relates a notice stating that the termination statement has been filed and will become effective 14 days after filing. The notice shall be sent by mail to the address provided for the secured party of record in the financing statement or by electronic mail to the electronic mail address provided by the secured party of record, if any.

6 (a) A secured party that believes in good faith that the filed record identified in an affidavit delivered to the filing office under Subsection (2) was authorized and was not caused to be communicated to the filing office with the intent to harass or defraud the affiant may:

(i) before the termination statement takes effect under Subsection (3), request the filing office to review the filed record concerning whether the filed record was filed with the intent to harass or defraud; or

(ii) regardless of whether the affiant seeks a review under Subsection (6)(a)(i), file an action against the filing office seeking reinstatement of the financing statement to which the filed record relates.

(b) Within 10 days after being served with process in an action under this Subsection (6), the filing office shall file a notice indicating that the action has been commenced. The notice shall indicate the file number of the initial financing statement to which it relates.

(c) If the affiant is not named as a defendant in the action described in Subsection 6(a)(ii), the secured party shall send a copy of the complaint to the affiant at the address indicated in the affidavit. The exclusive venue for the action shall be in the Third District Court. A party may petition the court to consider the matter on an expedited basis.

(d) An action under this Subsection (6) must be filed before the expiration of six months after the date on which the termination statement filed under Subsection (3) becomes effective.

7 If, in an action under Subsection (6), the court determines that the financing statement should be reinstated, the filing office shall promptly file a record that identifies by its file number the initial financing statement to which the record relates and indicates that the financing statement has been reinstated.

8 Upon the filing of a record reinstating a financing statement under Subsection (7), the effectiveness of the financing statement is reinstated and the financing statement shall be considered never to have been terminated under this section. A continuation statement as provided in Subsection 70A-9a-515(4) after the effective date of a termination statement filed under Subsection (3) or (10) becomes effective if the financing statement is reinstated.

9 If, in an action under Subsection (6), the court determines that the filed record identified in an affidavit delivered to the filing office under Subsection (2) was unauthorized and was caused to be communicated to the filing office with the intent to harass or defraud the affiant, the filing office and the affiant may recover from the secured party that filed the action the costs and expenses, including reasonable attorney fees, that the filing office and the affiant incurred in the action. This recovery is in addition to any recovery to which the affiant is entitled under Section 70A-9a-625.

10 If an affidavit delivered to a filing office under Subsection (2) relates to a filed record communicated to the filing office by an established filer, the filing office shall promptly send to the secured party of record a notice stating that the affidavit has been delivered to the filing office and that the filing office is conducting an administrative review to determine whether the record was unauthorized and was caused to be communicated with the intent to harass or defraud the affiant. The notice shall be sent by mail to the address provided for the secured party in the financing statement or sent by electronic mail to the electronic mail address provided by the secured party of record, if any, and a copy shall be sent in the same manner to the affiant. The administrative review shall be conducted on an expedited basis and the filing office may require the affiant and the secured party of record to provide any additional information that the filing office considers appropriate. If the filing office concludes that the record was not authorized and was caused to be communicated with the intent to harass or defraud the affiant, the filing office shall promptly file a termination statement under Subsection (3) that will be effective immediately and send to the secured party of record the notice required by Subsection (5). The secured party may thereafter file an action for reinstatement under Subsection (6), and Subsections (7) through (9) are applicable.

Section 3. Section 70A-9a-516 is amended to read:

70A-9a-516. What constitutes filing -- Effectiveness of filing.

1 Except as otherwise provided in Subsection (2) or [(4) (5), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

2 Filing does not occur with respect to a record that a filing office refuses to accept because:

(a) the record is not communicated by a method or medium of communication authorized by the filing office;

(b) an amount equal to or greater than the applicable filing fee is not tendered;

(c) the filing office is unable to index the record because:

(i) in the case of an initial financing statement, the record does not provide a name for the debtor;

(ii) in the case of an amendment or information statement, the record:

(A) does not identify the initial financing statement as required by Section 70A-9a-512 or 70A-9a-518, as applicable; or
(B) identifies an initial financing statement whose effectiveness has lapsed under Section 70A-9a-515;

(iii) in the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor’s surname; or

(iv) in the case of a record filed or recorded in the filing office described in Subsection 70A-9a-501(1)(a), the record does not provide a sufficient description of the real property to which it relates;

(d) in the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(e) in the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(i) provide a mailing address for the debtor; or

(ii) indicate whether the name provided as the name of the debtor is the name of an individual or an organization;

(f) in the case of an assignment reflected in an initial financing statement under Subsection 70A-9a-514(1) or an amendment filed under Subsection 70A-9a-514(2), the record does not provide a name and mailing address for the assignee; [as]

(g) in the case of a continuation statement, the record is not filed within the six-month period prescribed by Subsection 70A-9a-515(4)(i); or

(h) in the case of an initial financing statement or an amendment that provides a name of a debtor that was not previously provided in the financing statement to which the amendment relates, the record was not communicated to the filing office, as defined in Section 70A-9a-513.5, by an established filer, as defined in Section 70A-9a-513.5, and the filing office reasonably believes that the record was caused to be communicated to the filing office with the intent to harass or defraud the person identified as debtor or for another unlawful purpose.

(3) Except as provided in Section 70A-9a-513.5, the filing office has no duty to form a belief as to whether a record was caused to be communicated with the intent to harass or defraud the person identified as debtor or for another unlawful purpose and has no duty to investigate or ascertain facts relevant to whether the intent or purpose was present.

(4) For purposes of Subsection (2):

(a) a record does not provide information if the filing office is unable to read or decipher the information; and

(b) a record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by Section 70A-9a-512, 70A-9a-514, or 70A-9a-518, is an initial financing statement.

¶(5) A filing office may refuse to accept a record for filing, and if it does so, filing does not occur with respect to the record, because:

(a) the debtor is an individual and the debtor’s name contains unusually placed and apparently unnecessary punctuation, symbols, or other nonalphabetic characters;

(b) the record, in the collateral description or elsewhere, including an attachment, discloses personally identifying information such as a Social Security number, driver license number, identification card number, bank account number, credit or debit card account number, date of birth, or place of birth; or

(c) the debtor is an individual and the record indicates that the debtor is a transmitting utility.

¶(6) A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in Subsection (2) or ¶(5), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

(7) A record that the filing office, as defined in Section 70A-9a-513.5, initially refuses to accept under Subsection (2)(h) but that it later accepts after it receives additional information is effective as if the filing office had not initially refused to accept the record except as against a purchaser of the collateral that gives value in reasonable reliance upon the absence of the record from the files.

Section 4. Section 70A-9a-520 is amended to read:

70A-9a-520. Acceptance and refusal to accept record.

(1) A filing office shall refuse to accept a record for filing for a reason set forth in Subsection 70A-9a-516(2) or ¶(5) and may refuse to accept a record for filing only for a reason set forth in Subsection 70A-9a-516(2).

(2) If a filing office refuses to accept a record for filing, it shall communicate to the person that presented the record the fact of and reason for the refusal and the date and time the record would have been filed had the filing office accepted it. The communication must be made at the time and in the manner prescribed by filing-office rule but, in the case of a filing office described in Subsection 70A-9a-501(1)(b), in no event more than two business days after the filing office receives the record.

(3) A filed financing statement satisfying Subsections 70A-9a-502(1) and (2) is effective, even if the filing office is required to refuse to accept it for filing under Subsection (1). However, Section
70A-9a-338 applies to a filed financing statement providing information described in Subsection 70A-9a-516(2)(e) which is incorrect at the time the financing statement is filed.

(4) If a record communicated to a filing office provides information that relates to more than one debtor, this part applies as to each debtor separately.

(5) This section does not apply to a filing office described in Subsection 70A-9a-501(1)(a).

Section 5. Section 70A-9a-521 is amended to read:

70A-9a-521. Uniform form of written financing statement and amendment.

(1) A filing office that accepts written records may not refuse to accept a written initial financing statement in the form and format set forth in the final official text of the 2010 revisions to Article 9 of the Uniform Commercial Code promulgated by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, except for a reason set forth in Subsection 70A-9a-516(2) or (4).

(2) A filing office that accepts written records may not refuse to accept a written record in the form and format set forth in the final official text of the 2010 revisions to Article 9 of the Uniform Commercial Code promulgated by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, except for a reason set forth in Subsection 70A-9a-516(2) or (4).

Section 6. Section 76-6-503.7 is enacted to read:

76-6-503.7. Records filed with intent to harass or defraud.

(1) No person shall cause a record to be communicated to the filing office, as defined in Section 70A-9a-513.5, for filing if:

(a) the person is not authorized to file the record under Section 70A-9a-509, 70A-9a-708, or 70A-9a-807;

(b) the record is not related to an existing or anticipated transaction that is or will be governed by Title 70A, Chapter 9a, Uniform Commercial Code - Secured Transactions; and

(c) the record is filed knowingly or intentionally to:

(i) harass the person identified as the debtor in the record; or

(ii) defraud the person identified as the debtor in the record.

(2) (a) A person who violates Subsections (1)(a), (b), and (c)(i) is guilty of a class B misdemeanor for a first offense and a class A misdemeanor for a second or subsequent offense.

(b) A person who violates Subsections (1)(a), (b), and (c)(ii) is guilty of a third degree felony.

Section 8. Section 16-6a-707 is amended to read:

16-6a-707. Action without meeting.
(1) Unless otherwise provided in the articles of incorporation and Subsection (5), and subject to the limitations of Subsection 16-6a-1704(3), any action that may be taken at any annual or special meeting of members may be taken without a meeting and without prior notice, if one or more consents in writing, setting forth the action taken, are signed by the members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all members entitled to vote on the action were present and voted.

(2) (a) Unless the written consents of all members entitled to vote have been obtained, notice of any member approval without a meeting shall be given at least 10 days before the consummation of the transaction, action, or event authorized by the member action to:

(i) those members entitled to vote who have not consented in writing; and

(ii) those members:

(A) not entitled to vote; and

(B) to whom this chapter requires that notice of the proposed action be given.

(b) The notice required pursuant to Subsection (2)(a) shall contain or be accompanied by the same material that under this chapter would have been required to be sent in a notice of meeting at which the proposed action would have been submitted to the members for action.

(3) Any member giving a written consent, or the member's proxyholder or a personal representative of the member or their respective proxyholder, may revoke the consent by a signed writing:

(a) describing the action;

(b) stating that the member's prior consent is revoked; and

(c) that is received by the nonprofit corporation prior to the effectiveness of the action.

(4) (a) A member action taken pursuant to this section is not effective unless all written consents on which the nonprofit corporation relies for the taking of an action pursuant to Subsection (1) are:

(i) received by the nonprofit corporation within a 60-day period; and

(ii) not revoked pursuant to Subsection (3).

(b) Action taken by the members pursuant to this section is effective:

(i) as of the date the last written consent necessary to effect the action is received by the nonprofit corporation; or
(ii) if all of the written consents necessary to effect the action specify a later date as the effective date of the action, the later date specified in the consents.

(c) If the nonprofit corporation has received written consents in accordance with Subsection (1) signed by all members entitled to vote with respect to the action, the effective date of the member action may be any date that is specified in all the written consents as the effective date of the member action.

[d) Unless otherwise provided by the bylaws, a written consent under this Subsection (4) may be received by the nonprofit corporation by electronically transmitted facsimile or other form of communication providing the nonprofit corporation with a complete copy of the written consent, including a copy of the signature to the written consent.

(d) (i) Unless otherwise provided by the bylaws, a member may deliver a written consent under this section by an electronic transmission that provides the nonprofit corporation with a complete copy of the written consent.

(ii) An electronic transmission consenting to an action under this section is considered to be written, signed, and dated for purposes of this section if the electronic transmission is delivered with information from which the corporation can determine:

(A) that the electronic transmission is transmitted by the member; and

(B) the date on which the electronic transmission is transmitted.

(iii) The date on which an electronic transmission is transmitted is considered the date on which a consent is signed.

(5) Notwithstanding Subsection (1), directors may not be elected by written consent except by unanimous written consent of all members entitled to vote for the election of directors.

(6) If not otherwise determined under Section 16-6a-703 or 16-6a-706, the record date for determining the members entitled to take action without a meeting or entitled to be given notice under Subsection (2) of action taken without a meeting is the date the first member delivers to the nonprofit corporation a writing upon which the action is taken pursuant to Subsection (1).

(7) Action taken under this section has the same effect as action taken at a meeting of members and may be so described in any document.

Section 9. Section 16-6a-711 is amended to read:

16-6a-711. Voting entitlement generally.

(1) Unless otherwise provided by the bylaws:

(a) only voting members may vote with respect to any matter required or permitted under this chapter to be submitted to a vote of the members; and

(b) all references in this chapter to votes of or voting by the members permit voting only by the voting members; and

(c) voting members may vote with respect to all matters required or permitted under this chapter to be submitted to a vote of the members.

(2) Unless otherwise provided by the [articles of incorporation] bylaws, each member entitled to vote may cast:

(a) one vote on each matter submitted to a vote of nonprofit corporations other than those in Subsection (2)(b); and

(b) one vote for each share held by the member on each matter submitted for a vote of members if the nonprofit corporation issues shares to its members.

(3) Unless otherwise provided by the bylaws, if a membership stands of record in the names of two or more persons, the membership's acts with respect to voting have the following effect:

(a) If only one votes, the act binds all of the persons whose membership is jointly held.

(b) If more than one votes, the vote is divided on a pro-rata basis.

Section 10. Section 16-6a-712 is amended to read:

16-6a-712. Proxies.

(1) Unless otherwise provided by the bylaws, a member entitled to vote may vote or otherwise act in person or by proxy.

(2) Without limiting the manner in which a member may appoint a proxy to vote or otherwise act for the member, Subsections (2)(a) and (b) constitute valid means of appointing a proxy.

(a) A member may appoint a proxy by signing an appointment form, either personally or by the member's attorney-in-fact.

(b) (i) Subject to Subsection (2)(b)(ii) a member may appoint a proxy by transmitting or authorizing the transmission of a telegram, teletype, facsimile, or other electronic transmission providing a written statement of the appointment to:

(A) the proxy;

(B) a proxy solicitor;

(C) a proxy support service organization;

(D) another person duly authorized by the proxy to receive appointments as agent for the proxy; or

(E) the nonprofit corporation.

(ii) An appointment transmitted under Subsection (2)(b)(i) shall set forth or be transmitted with written evidence from which it can be determined that the member transmitted or authorized the transmission of the appointment.

(3) (a) An appointment of a proxy is effective against the nonprofit corporation when received by the nonprofit corporation, including receipt by the nonprofit corporation of an appointment transmitted pursuant to Subsection (2)(b).
(b) An appointment is valid for 11 months unless a different period is expressly provided in the appointment form.

(4) Any complete copy, including an electronically transmitted facsimile electronic transmission, of an appointment of a proxy may be substituted for or used in lieu of the original appointment for any purpose for which the original appointment could be used.

(5) An appointment of a proxy is revocable by the member.

(6) An appointment of a proxy is revoked by the person appointing the proxy:

(a) attending any meeting and voting in person; or

(b) signing and delivering to the secretary or other officer or agent authorized to tabulate proxy votes:

(i) a writing stating that the appointment of the proxy is revoked; or

(ii) a subsequent appointment form.

(7) The death or incapacity of the member appointing a proxy does not affect the right of the nonprofit corporation to accept the proxy’s authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises the proxy’s authority under the appointment.

(8) Subject to Section 16-6a-713 and to any express limitation on the proxy’s authority appearing on the appointment form, a nonprofit corporation is entitled to accept the proxy’s vote or other action as that of the member making the appointment.

Section 11. Section 16-6a-801 is amended to read:

16-6a-801. Requirement for board of directors.

(1) A nonprofit corporation shall have a board of directors.

(2) (a) Except as may otherwise be provided in this chapter, including Subsection (2)(b), all corporate powers shall be exercised by or under the authority of, and the business and affairs of the nonprofit corporation managed under the direction of, the board of directors.

(b) (i) The articles of incorporation may authorize one or more persons to exercise some or all of the powers that would otherwise be exercised by the board of directors.

(ii) To the extent the articles of incorporation authorize a person other than the board of directors to have the authority and perform a duty of the board of directors, the directors shall be relieved to that extent from such authority and duty.

(3) The board of directors may be divided into classes, each with such respective rights and duties as the articles of incorporation or bylaws may provide.

(4) The board of directors and the directors may be known by any other name designated in the bylaws.

Section 12. Section 16-6a-807 is amended to read:

16-6a-807. Resignation of directors.

(1) A director may resign at any time by giving written notice of resignation to the nonprofit corporation’s board’s chair, the nonprofit corporation’s secretary, or as otherwise provided in the bylaws.

(2) A resignation of a director is effective when the notice is received by the nonprofit corporation unless the notice specifies a later effective date.

(3) A director who resigns may deliver to the division for filing a statement that the director resigns pursuant to Section 16-6a-1608.

(4) The failure to attend or meet obligations shall be effective as a resignation at the time of the board of director’s vote to confirm the failure if:

(a) at the beginning of a director’s term on the board, the bylaws provide that a director may be considered to have resigned for failing to:

(i) attend a specified number of board meetings; or

(ii) meet other specified obligations of directors; and

(b) the failure to attend or meet obligations is confirmed by an affirmative vote of the board of directors.

Section 13. Section 16-6a-808 is amended to read:

16-6a-808. Removal of directors.

(1) Directors elected by voting members or directors may be removed as provided in Subsections (1)(a) through (f).

(a) The voting members may remove one or more directors elected by them with or without cause unless the bylaws provide that directors may be removed only for cause.

(b) If a director is elected by a voting group, only that voting group may participate in the vote to remove that director.

(c) Unless otherwise provided in the bylaws, a director may be removed:

(i) when the director is elected by the voting members, only if a majority of the voting members votes to remove the director; or

(ii) when the director is elected by a voting group, only if a majority of the voting group votes to remove the director.

(d) A director elected by voting members may be removed by the voting members only:

(i) at a meeting called for the purpose of removing that director; and
(ii) if the meeting notice states that the purpose, or one of the purposes, of the meeting is removal of the director.

(e) An entire board of directors may be removed under Subsections (1)(a) through (d).

(f)(i) Except as provided in Subsection (1)(f)(ii), a director elected by the board of directors may be removed with or without cause by the vote of a majority of the directors then in office or such greater number as is set forth in the bylaws.

(ii) A director elected by the board of directors to fill the vacancy of a director elected by the voting members may be removed without cause by the voting members but not the board of directors.

[(g) Notwithstanding Subsections (1)(a) through (f), if provided in the bylaws, any director no longer qualified to serve, under standards set forth in the bylaws, may be removed by a vote of a majority of the directors then in office or such greater number as set forth in the bylaws.]

[4a] (g) A director who is removed pursuant to this section may deliver to the division for filing a statement to that effect pursuant to Section 16-6a-1608.

(2) Unless otherwise provided in the bylaws:

(a) an appointed director may be removed without cause by the person appointing the director;

(b) the person described in Subsection (2)(a) shall remove the director by giving written notice of the removal to:

(i) the director; and

(ii) the nonprofit corporation; and

(c) unless the written notice described in Subsection (2)(b) specifies a future effective date, a removal is effective when the notice is received by both:

(i) the director to be removed; and

(ii) the nonprofit corporation.

(3) A designated director, as provided in Subsection 16-6a-804(5), may be removed by an amendment to the bylaws deleting or changing the designation.

(4) Removal of a director under this section is not affected by Subsection 16-6a-805(5).

Section 14. Section 16-6a-813 is amended to read:

16-6a-813. Action without meeting.

(1) (a) Unless otherwise provided in the bylaws, any action required or permitted by this chapter to be taken at a board of directors’ meeting may be taken without a meeting if [each and every member] all members of the board consent to the action in writing [either:]

[(a) votes for the action; or]

[(b) (i) (A) votes against the action; or]

[(B) abstains from voting; and]

[(ii) waives the right to demand that action not be taken without a meeting.]

(2) Action is taken under this section only if the affirmative vote for the action equals or exceeds the minimum number of votes that would be necessary to take the action at a meeting at which all of the directors then in office were present and voted.

(3) (a) An action taken pursuant to this section may not be effective unless the nonprofit corporation receives writings:

[(i) describing the action taken;]

[(ii) otherwise satisfying the requirements of Subsection (1);]

[(iii) signed by all directors; and]

[(iv) not revoked pursuant to Subsection (4).]

[(b) Unless otherwise provided by the bylaws, a writing described in Subsection (3)(a) may be received by the nonprofit corporation by electronically transmitted facsimile or other form of wire or wireless communication providing the nonprofit corporation with a complete copy of the document, including a copy of the signature on the document.]

[(c) A director’s right to demand that action not be taken without a meeting shall be considered to have been waived if the nonprofit corporation receives a writing satisfying the requirements of Subsection (1) that has been signed by the director and not revoked pursuant to Subsection (4).]

[(d) Action taken pursuant to this section shall be effective when the last writing necessary to effect the action is received by the nonprofit corporation, unless the writings describing the action taken set forth a different effective date.]

[(4) If the writing is received by the nonprofit corporation before the last writing necessary to effect the action is received by the nonprofit corporation, any director who has signed a writing pursuant to this section may revoke the writing by a writing signed and dated by the director:

[(a) describing the action; and]

[(b) stating that the director’s prior vote with respect to the writing is revoked.]

[(5) Action taken pursuant to this section:

[(a) has the same effect as action taken at a meeting of directors; and]

[(b) may be described as an action taken at a meeting of directors in any document.]

[(6) Action is taken under Subsection (1)(a) at the time the last director signs a writing describing the action taken, unless, before that time, any director revokes a consent by a writing signed by the director and received by the secretary or any other person authorized by the bylaws or the board of directors to receive the revocation.

[(c) Action under Subsection (1)(a) is effective at the time it is taken under Subsection (1)(a) unless]
the board of directors establishes a different effective date.

(2) (a) If provided in the bylaws, any action required or permitted by this chapter to be taken at a board of directors’ meeting may be taken without a meeting if notice is transmitted in writing to each member of the board and each member of the board by the time stated in the notice:

(i) (A) signs a writing for such action; or
(B) signs a writing against such action, abstains in writing from voting, or fails to respond or vote; and

(ii) fails to demand in writing that action not be taken without a meeting.

(b) The notice required by Subsection (1) shall state:

(i) the action to be taken;
(ii) the time by which a director must respond to the notice;
(iii) that failure to respond by the time stated in the notice will have the same effect as:
(A) abstaining in writing by the time stated in the notice; and
(B) failing to demand in writing by the time stated in the notice that action not be taken without a meeting; and
(iv) any other matters the nonprofit corporation determines to include.

(c) Action is taken under this Subsection (2) only if at the end of the time stated in the notice transmitted pursuant to Subsection (2)(a):

(i) the affirmative votes in writing for the action received by the nonprofit corporation and not revoked pursuant to Subsection (2)(e) equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the directors then in office were present and voted; and

(ii) the nonprofit corporation has not received a written demand by a director that the action not be taken without a meeting.

(d) A director’s right to demand that action not be taken without a meeting shall be considered to have been waived unless the nonprofit corporation receives such demand from the director in writing by the time stated in the notice transmitted pursuant to Subsection (2)(a) and the demand has not been revoked pursuant to Subsection (2)(e).

(e) A director who in writing has voted, abstained, or demanded action not be taken without a meeting pursuant to this Subsection (2) may revoke the vote, abstention, or demand in writing received by the nonprofit corporation by the time stated in the notice transmitted pursuant to Subsection (2)(a).

(f) Unless the notice transmitted pursuant to Subsection (2)(a) states a different effective date, action taken pursuant to this Subsection (2) is effective at the end of the time stated in the notice transmitted pursuant to Subsection (2)(a).

(3) (a) Unless otherwise provided by the bylaws, a communication under this section may be delivered by an electronic transmission.

(b) An electronic transmission communicating a vote, abstention, demand, or revocation under Subsection (2) is considered to be written, signed, and dated for purposes of this section if the electronic transmission is delivered with information from which the nonprofit corporation can determine:

(i) that the electronic transmission is transmitted by the director; and
(ii) the date on which the electronic transmission is transmitted.

(c) The date on which an electronic transmission is transmitted is considered the date on which the vote, abstention, demand, or revocation is signed.

(d) For purposes of this section, communications to the nonprofit corporation are not effective until received.

(4) Action taken pursuant to this section:

(a) has the same effect as action taken at a meeting of directors; and

(b) may be described as an action taken at a meeting of directors in any document.

Section 15. Section 16-6a-814 is amended to read:

16-6a-814. Notice of meeting.

(1) (a) A nonprofit corporation shall give to each director entitled to vote at an annual meeting notice of the annual meeting consistent with the nonprofit corporation’s bylaws in a fair and reasonable manner.

(b) Any notice that conforms to the requirements of Subsection (1)(c) is fair and reasonable, but other means of giving notice may also be fair and reasonable when all the circumstances are considered.

(c) Notice under Subsection (1)(a) is fair and reasonable if the nonprofit corporation notifies each director of the place, date, and time of the annual meeting:

(i) no fewer than 10 days before the meeting, unless otherwise provided by the bylaws;

(ii) if notice is mailed by other than first-class or registered mail, no fewer than 30 days, nor more than 60 days before the meeting date; and

(iii) if notice is given:
(A) by newspaper as provided in Subsection 16-6a-103(2)(b)(i)(A), by publication three separate times with:
(I) the first of the publications no more than 60 days before the meeting date; and
(II) the last of the publications no fewer than 10 days before the meeting date; and
(1) Unless otherwise provided in the bylaws [**and subject to the provisions of Section 16-6a-906**], the board of directors may:

(a) create one or more committees of the board; and

(b) appoint two or more directors to serve on the committees created under Subsection (1)(a).

(2) Unless otherwise provided in the bylaws, the creation of a committee of the board and appointment of directors to it shall be approved by the greater of:

(a) a majority of all the directors in office when the action is taken; or

(b) the number of directors required by the bylaws to take action under Section 16-6a-816.

(3) Unless otherwise provided in the bylaws, a committee of the board and the members of the committee are subject to Sections 16-6a-812 through 16-6a-816, which govern:

(a) meetings;

(b) action without meeting;

(c) notice;

(d) waiver of notice; and

(e) quorum and voting requirements.

[(4) To the extent specified in the bylaws or by the board of directors, and subject to Subsection (6)(b), each committee of the board shall have the authority of the board of directors under Section 16-6a-801.]

(4) To the extent stated in the bylaws or by the board of directors, each committee of the board shall have the authority of the board of directors as described in Section 16-6a-801, except that a committee of the board may not:

(a) authorize distributions;

(b) approve or propose to members any action required by this chapter to be approved by members;

(c) elect, appoint, or remove a director;

(d) amend articles of incorporation;

(e) adopt, amend, or repeal bylaws;

(f) approve a plan of conversion or a plan of merger not requiring member approval; or

(g) approve a sale, lease, exchange, or other disposition of all, or substantially all, of its property, with or without goodwill, otherwise than in the usual and regular course of business.

(5) The creation of, delegation of authority to, or action by a committee does not alone constitute compliance by a director with the standards of conduct described in Section 16-6a-822.

(6) (a) Subject to Subsection (6)(b), nothing in this part shall prohibit or restrict a nonprofit corporation from establishing in its bylaws or by action of the board of directors or otherwise one or
more committees, advisory boards, auxiliaries, or other bodies of any kind:

(i) having the members and rules of procedure as the bylaws or board of directors may provide;

(ii) established to provide the advice, service, and assistance to the nonprofit corporation as may be specified in the bylaws or by the board of directors; and

(iii) established to carry out the duties and responsibilities for the nonprofit corporation, as may be specified in the bylaws or by the board of directors.

(b) Notwithstanding Subsection (6)(a), if any committee or other body established under Subsection (6)(a) has one or more members who are entitled to vote on committee matters and who are not then also directors, the committee or other body may not exercise any power or authority reserved to the board of directors, in this chapter or in the bylaws.

(b) a party related to a director; or

(c) an entity in which a director of the nonprofit corporation:

(i) is a director or officer; or

(ii) has a financial interest.

(2) Except as otherwise provided in this section, upon the finding of a conflicting interest transaction, in an action properly brought before it, a court may:

(a) rule that the conflicting interest transaction is void or voidable;

(b) enjoin or set aside the conflict of interest transaction; or

(c) determine that the conflicting interest transaction gives rise to an award of damages or other sanctions.

(3) (a) A loan may not be made directly or indirectly by a nonprofit corporation to:

(i) a director or officer of the nonprofit corporation; or

(ii) a natural person related to a director or officer;

(iii) an entity in which a director, officer, or natural person related to a director or officer has any ownership, management right, or financial interest.

(b) A director or officer who assents to or participates in the making of a loan in violation of Subsection (3)(a) shall be liable to the nonprofit corporation for the amount of the loan until the repayment of the loan.

(4) (a) If the conditions of Subsection (4)(b) are met, a conflicting interest transaction may not be void or voidable or be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a member or by or in the right of the nonprofit corporation, solely because:

(i) the conflicting interest transaction involves:

(A) a director of the nonprofit corporation;

(B) a party related to a director; or

(C) an entity in which a director of the nonprofit corporation is a director or officer or has a financial interest;

(ii) the director is present at or participates in the meeting of the nonprofit corporation’s board of directors or of the committee of the board of directors that authorizes, approves, or ratifies the conflicting interest transaction; or

(iii) the director’s vote is counted for the purpose described in Subsection (4)(a)(ii).

(b) Subsection (4)(a) applies if:

(i) (A) the material facts as to the director’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the board of directors or the committee; and

(B) the board of directors or committee in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested directors, even though the disinterested directors are less than a quorum;

(ii) (A) the material facts as to the director’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the members entitled to vote on the conflicting interest transaction; and

(B) the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the members entitled to vote thereon;

(iii) the conflicting interest transaction is consistent with a provision in the articles of incorporation or bylaws which:

(A) commits the nonprofit corporation to support one or more other nonprofit corporations, charitable trusts, or charitable entities; or

(B) authorizes one or more directors to exercise discretion in making gifts or contributions to one or more other nonprofit corporations, charitable trusts, or charitable entities; or

(iv) the conflicting interest transaction is fair as to the nonprofit corporation.

(5) Common or interested directors may be counted in determining the presence of a quorum at
a meeting of the board of directors or of a committee that authorizes, approves, or ratifies the conflicting interest transaction.

(6) For purposes of this section, “a natural person related to a director or officer” means any natural person whose familial, financial, professional, or employment relationship with the director or officer would, under the circumstances, reasonably be expected to exert an influence on the director’s or officer’s judgment when voting on a transaction.

Section 19. Section 16-6a-905 is amended to read:

(a) the court conducting the proceeding; or

(b) another court of competent jurisdiction.

(2) On receipt of an application described in Subsection (1), the court, after giving any notice the court considers necessary, may order indemnification in the following manner:

(i) order indemnification; and

(ii) order the nonprofit corporation to pay the director’s reasonable expenses incurred to obtain court-ordered indemnification; and

(b) if the court determines that the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the applicable standard of conduct set forth in Section 16-6a-902 or was adjudged liable as described in Subsection 16-6a-902(4), the court may order indemnification as the court determines to be proper, except that the indemification with respect to any proceeding in which liability has been adjudged in the circumstances described in Subsection 16-6a-902(4) is limited to reasonable expenses incurred.

Section 20. Section 16-6a-1002 is amended to read:

16-6a-1002. Amendment of articles of incorporation by board of directors or incorporators.

(B) state the general nature of the amendment.

(d) An amendment described in Subsection (3)(a) shall be approved:

(i) by a majority of the incorporators, until directors have been chosen; or

(ii) after directors are chosen by a majority of the directors in office at the time the amendment is adopted or such greater number as is set forth in the bylaws.

Section 21. Section 16-6a-1003 is amended to read:

16-6a-1003. Amendment of articles of incorporation by board of directors and members.

(1) The board of directors or the members representing at least 10% of all of the votes entitled

(a) this chapter;
(b) the articles of incorporation;
(c) the bylaws; or
(d) the members or the board of directors acting pursuant to Subsection (5).

(2) For an amendment to the articles of incorporation to be adopted pursuant to Subsection (1):

(a) the board of directors shall recommend the amendment to the members unless:
   (i) the amendment is proposed by members; or

      (A) determines that because of conflict of interest or other special circumstances it should make no recommendation; and
      (B) communicates the basis for its determination to the members with the amendment;

(b) the members entitled to vote on the amendment shall approve the amendment as provided in Subsection (5).

(3) The proposing board of directors or the proposing members may condition the effectiveness of the amendment on any basis.

(4) (a) The nonprofit corporation shall give notice, in accordance with Section 16-6a-704, to each member entitled to vote on the amendment of the members’ meeting at which the amendment will be voted upon.

16-6a-1008. Conversion to a business corporation.

(1) (a) A domestic nonprofit corporation may convert to a corporation subject to [Title 16, Chapter 10a, Utah Revised Business Corporation Act], by filing an amendment of its articles of incorporation with the division pursuant to this section.

(b) The day on which a nonprofit domestic corporation files an amendment under this section, the domestic nonprofit corporation becomes a corporation subject to [Title 16, Chapter 10a, Utah Revised Business Corporation Act], except that, notwithstanding Section 16-10a-203, the existence of the nonprofit corporation is considered to commence on the day on which the converting corporation:

(4) If an amendment to the articles of incorporation filed pursuant to this section is included in a merger agreement, this section applies, except that any provisions for cancellation or conversion of memberships:

(a) shall be in the merger agreement; and

(b) may not be in the amendment of the articles of incorporation.

(5) A conversion under this section may not result in a violation, directly or indirectly, of:

(a) Section 16-6a-1301; or

(b) any other provision of this chapter.

(6) The conversion of a nonprofit corporation into a corporation does not affect:

(a) an obligation or liability of the converting nonprofit corporation incurred before its conversion to a corporation; or

(b) the personal liability of any person incurred before the conversion.

(7) (a) (i) When a conversion is effective under this section, for purposes of the laws of this state, the things listed in Subsection (7)(a)(ii):

(A) vest in the corporation to which the nonprofit corporation converts;

(B) are the property of the corporation; and

(C) are not considered transferred by the converting nonprofit corporation to the corporation by operation of this Subsection (7)(a).

(ii) This Subsection (7)(a) applies to the following of the converting nonprofit corporation:

(A) its rights, privileges, and powers;

(B) its interests in property, whether real, personal, or mixed;

(b) The title to any real property vested by deed or otherwise in a nonprofit corporation converting to a corporation does not revert and is not in any way impaired by reason of this chapter or of the conversion.

(c) A right of a creditor or a lien on property of a converting nonprofit corporation that is described in Subsection (6)(a) or (b) is preserved unimpaired.

(d) A debt, liability, or duty of a converting nonprofit corporation:

(i) remains attached to the corporation to which the nonprofit corporation converts; and

(ii) may be enforced against the corporation to the same extent as if the debts, liabilities, and duties had been incurred or contracted by the corporation in its capacity as a corporation.

(e) A converted nonprofit corporation upon conversion to a corporation pursuant to this section is considered the same entity as the corporation.

(f) In connection with a conversion of a nonprofit corporation to a corporation under this section, the interests or rights in the nonprofit corporation which is to be converted may be exchanged or converted into one or more of the following:
General Session - 2015

(i) cash, property, interests, or rights in the corporation to which it is converted; or
(ii) cash, property or interests in, or rights in another entity.

(g) Unless otherwise agreed:

(i) a converting nonprofit corporation is not required solely as a result of the conversion to:
(A) wind up its affairs;
(B) pay its liabilities; or
(C) distribute its assets; and

(ii) a conversion is not considered to constitute a dissolution of the nonprofit corporation, but constitutes a continuation of the existence of the nonprofit corporation in the form of a corporation.

Section 24. Section 16-6a-1302 is amended to read:

16-6a-1302. Authorized distributions.

(1) A nonprofit corporation may:

(d) confer benefits upon its members in conformity with its purposes.

(2) A nonprofit corporation may make distributions upon dissolution as follows:

(a) to a member that is a domestic or foreign nonprofit corporation;
(b) to its members if it is a mutual benefit corporation;
(c) to another nonprofit corporation, including a nonprofit corporation organized to receive the assets of and function in place of the dissolved nonprofit corporation; and
(d) otherwise in conformity with this chapter with Part 14, Dissolution.

[3] A mutual benefit corporation may purchase a member's membership in conformity with Section 16-6a-610 if, after the purchase is completed:

(a) the mutual benefit corporation would be able to pay its debts as they become due in the usual course of its activities; and

[b) the mutual benefit corporation's total assets would at least equal the sum of its total liabilities.]

Authorized distributions by a dissolved nonprofit corporation may be made by authorized officers or directors, including those elected, hired, or otherwise selected after dissolution if the election, hiring, or other selection after dissolution is not inconsistent with the articles of incorporation and bylaws existing at the time of dissolution.

Section 25. Section 16-6a-1405 is amended to read:

16-6a-1405. Effect of dissolution.

(1) A dissolved nonprofit corporation continues its corporate existence but may not carry on any activities except as is appropriate to wind up and liquidate its affairs, including:

(a) collecting its assets;
(b) returning, transferring, or conveying assets held by the nonprofit corporation upon a condition requiring return, transfer, or conveyance, which condition occurs by reason of the dissolution, in accordance with the condition;
(c) transferring, subject to any contractual or legal requirements, its assets as provided in or authorized by its articles of incorporation or bylaws;
(d) discharging or making provision for discharging its liabilities; and
(e) doing every other act necessary to wind up and liquidate its assets and affairs.

[2] Notwithstanding any other provision of this chapter, the distribution of assets of a nonprofit corporation upon its dissolution shall be consistent with all applicable requirements and limitations set forth in the Internal Revenue Code.

(2) Dissolution of a nonprofit corporation does not:

(a) transfer title to the nonprofit corporation's property including title to water rights, water conveyance facilities, or other assets of a nonprofit corporation organized to divert or distribute water to its members;
(b) subject its directors or officers to standards of conduct different from those prescribed in this chapter;
(c) change quorum or voting requirements for its board of directors or members;
(d) change provisions for selection, resignation, or removal of its directors or officers, or both;
(e) change provisions for amending its bylaws or its articles of incorporation;
(f) prevent commencement of a proceeding by or against the nonprofit corporation in its corporate name; or
(g) abate or suspend a proceeding pending by or against the nonprofit corporation on the effective date of dissolution.

[3] Nothing in this section may be applied in a manner inconsistent with a court's power of judicial dissolution exercised in accordance with Section 16-6a-1414 or 16-6a-1415.
Section 26. Section 42-2-6.6 is amended to read:

Section 3. Effective Date. This bill takes effect on July 1, 2015.
## Long Title

**General Description:**
This bill modifies the Utah State Retirement and Insurance Benefit Act by amending certain retirement provisions.

### Highlighted Provisions:
- Clarifies that a member may receive service credit for military service covered under the provisions of the federal Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) instead of only member or participating employer purchases of service credit;
- Allows a purchase of public service credit for employment with a participating employer in a qualifying position for which the individual filed a written request for exclusion from membership in a system;
- Allows the Utah State Retirement Office to recover any overpayment to a retiree who receives a retirement allowance in violation of postretirement employment restrictions;
- Requires a participating employer who reemploys a retiree to contribute the amortization rate to the system that would have covered the retiree regardless of whether the position is retirement eligible;
- Amends the deadline from 60 days to 30 days for a participating employer to submit to the office required contributions and submit service credit reports for employees after the end of each pay period;
- Amends penalty provisions for delinquent contributions from 12% per annum to equal to the greater of $250 or 50% of the total contributions for the employees for the period of the reporting error;
- Provides that a court for a domestic relations order may not require the Utah State Retirement Office to provide any type of benefit that is not otherwise provided by statute;
- Repeals the requirement for a participating employer to forward to the office certain documentation relating to terminated employees and requires the employers to maintain the records and make them available to the office upon request;
- Clarifies that the definition of "benefits normally provided" includes employer contributions to a health savings account, health reimbursement account, health reimbursement arrangement, or medical expense reimbursement plan; and
- Makes technical changes.

(b) prior to a member's retirement date, the required payments shall be made:

(i) during the period of full-time United States military service;

(ii) after the military service, but within a period not to exceed three times the period of military service up to a maximum of five years; or

(iii) as otherwise allowed by federal law;

(c) required payments shall be based on the member's compensation at the time of the official call;

(2) (a) A member, a participating employer, or a member and a participating employer jointly, may purchase service credit for full-time United States military service, resulting from an official call to duty, if the member has four or more years of service credit and the military service does not otherwise qualify for service credit under this title.

(b) Payment to the office for a military service credit purchase shall be made to the system under which the member is currently covered in an amount determined by the office based on a formula recommended by the actuary and adopted by the board.

(c) The purchase shall be made through payroll deductions or through a lump sum deposit based upon the present value of future payments.

(d) If total payment is not completed prior to retirement, service credit shall be prorated in accordance with the amount paid.

(3) For purposes of Subsection (2), full-time United States military service does not include any regularly scheduled or annual military service that is required by a reserve unit, National Guard unit, or any other United States military unit.

(4) (a) If any of the factors used to determine the cost of a service credit purchase change at or before the member’s retirement date, the cost of the purchase shall be recalculated.

(4) The purchase may be made through payroll deductions or through a lump sum deposit based upon the present value of future payments.

(5) Total payment must be completed prior to the member's effective date of retirement or service credit will be prorated in accordance with the amount paid.

(8) (a) The board may adopt rules under which a member may make the necessary payments to the office for purchases under this title as permitted by federal law.

(b) The office may reject any payments if the office determines the tax status of the system, plans, or programs would be jeopardized by allowing the payment.

(9) An employee who elects to participate exclusively in the defined contribution plan under Chapter 22, Part 4, Tier II Defined Contribution Plan, or Chapter 23, Part 4, Tier II Defined Contribution Plan, may not purchase service credit for that period of employment.

(i) after the change of control, the domestic insurer referred to in Subsection (1) would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(ii) the effect of the merger or other acquisition of control would:

(i) are disclosed to the securityholders; and

commissioner, the public hearing referred to in Subsection (9)(a) may be held on a consolidated basis upon request of the person filing the statement referred to in Subsection (1). The person shall file the statement referred to in Subsection (1) with the National Association of Insurance Commissioners within five days of making the request for a public hearing. A commissioner may opt out of a consolidated hearing and shall provide notice to the applicant of the opt-out within 10 days of the receipt of the statement referred to in Subsection (1). (ii) The request described in Subsection (13)(a)(i) shall be filed not later than 10 days after the day of the securityholders’ meeting where the corporate action is approved.

(b) (i) Mailing expenses shall be paid by the person making the filing.

(ii) As security for the payment of mailing expenses, that person shall file with the commissioner an acceptable bond or other deposit in an amount determined by the commissioner.

(15) This section does not apply to any offer, request, invitation, agreement, or acquisition that the commissioner by order exempts from the requirements of this section as:

(a) not having been made or entered into for the purpose of, and not having the effect of, changing or influencing the control of a domestic insurer; or

(b) otherwise not comprehended within the purposes of this section.

(16) The following are violations of this section:

(a) the failure to file any statement, amendment, or other material required to be filed pursuant to Subsections (1), (2), and (5); or

Section 10. Section 31A-16-104.5 is enacted to read:

31A-16-104.5. Acquisitions involving insurers not otherwise covered.

(1) The following definitions apply for the purposes of this section only:

(a) “Acquisition” means an agreement, arrangement, or activity the consummation of which results in a person acquiring directly or indirectly the control of another person and includes the acquisition of voting securities, the acquisition of assets, bulk reinsurance, and mergers.

(b) “Insurer” includes any company or group of companies under common management, ownership, or control.

(c) “Involved insurer” includes an insurer that either acquires or is acquired, is affiliated with an acquirer or acquired, or is the result of a merger.

(d) (i) “Market” means the relevant product and geographical markets. In determining the relevant product and geographical markets, the commissioner shall give due consideration to, among other things, the definitions or guidelines, if any, promulgated by the National Association of Insurance Commissioner and to information, if any, submitted by parties to the acquisition. In the absence of sufficient information to the contrary, the relevant product market is assumed to be the direct written insurance premium for a line of business, such line being that used in the annual statement required to be filed by insurers doing business in this state, and the relevant geographical market is assumed to be this state.

(ii) Notwithstanding Subsection (1)(d)(i), for purposes of Subsection (2)(b), “market” means direct written insurance premium in this state for a line of business as contained in the annual statement required to be filed by insurers licensed to do business in this state.

(2) (a) This section applies to any acquisition in which there is a change in control of an insurer authorized to do business in Utah.

(b) This section does not apply to the following:

(i) securities purchased solely for investment purposes so long as the securities are not used by voting or otherwise to cause or attempt to cause the substantial lessening of competition in any insurance market in this state;

(ii) if a purchase of securities results in a presumption of control under Subsection 31A-1-301(29)(d), it is not solely for investment purposes unless the commissioner of the insurer’s state of domicile accepts a disclaimer of control or affirmatively finds that control does not exist and the disclaimer action or affirmative finding is communicated by the domiciliary commissioner to the commissioner of this state;

(iii) the acquisition of a person by another person when both persons are neither directly nor through affiliates primarily engaged in the business of insurance, if pre-acquisition notification is filed with the commissioner in accordance with Subsection (3)(a) 30 days before the proposed effective date of the acquisition;

(iv) the acquisition of an already affiliated person;

(v) an acquisition if, as an immediate result of the acquisition:

(A) in no market would the combined market share of the involved insurers exceed 5% of the total market;

(B) there would be no increase in any market share; or

(C) in no market would the combined market share of the involved insurers exceed 12% of the total market;

(vi) an acquisition for which a pre-acquisition notification would be required pursuant to this section due solely to the resulting effect on the ocean marine insurance line of business; or

(vii) an acquisition of an insurer whose domiciliary commissioner affirmatively finds that the insurer is in failing condition, and:

(A) there is a lack of feasible alternative to improving such condition;

(B) the public benefits of improving the insurer’s condition through the acquisition exceed the public benefits that would arise from not lessening competition; and

(C) the findings are communicated by the domiciliary commissioner to the commissioner of this state.

(3) An acquisition covered by Subsection (2) may be subject to an order pursuant to Subsection (5) unless the acquiring person files a pre-acquisition notification and the waiting period has expired.
The acquired person may file a pre-acquisition notification. The commissioner shall give confidential treatment to information submitted under this Subsection (3) in the same manner as provided in Section 31A-16-109.

(a) The pre-acquisition notification shall be in the form and contain such information as prescribed by the National Association of Insurance Commissioners relating to those markets that, under Subsection (2)(b)(v), cause the acquisition not to be exempted from this section. The commissioner may require additional material and information as considered necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of Subsection (4). The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of the economist indicating the economist’s ability to render an informed opinion.

(b) The waiting period required shall begin on the date of receipt of the commissioner of a pre-acquisition notification and shall end on the earlier of the 30th day after the date of receipt, or termination of the waiting period by the commissioner. Before the end of the waiting period, the commissioner on a one-time basis may require the submission of additional needed information relevant to the proposed acquisition, in which event the waiting period shall end on the earlier of the 30th day after receipt of the additional information by the commissioner or termination of the waiting period by the commissioner.

(4) (a) The commissioner may enter an order under Subsection (5)(a) with respect to an acquisition if there is substantial evidence that the effect of the acquisition may be substantially to lessen competition in any line of insurance in this state, tend to create a monopoly, or if the insurer fails to file adequate information in compliance with this section.

(b) In determining whether a proposed acquisition would violate the competitive standard of Subsection (4)(a), the commissioner shall consider the following:

(i) Any acquisition covered under this Subsection (4) involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standards if:

(A) the market is highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>15%</td>
<td>3% or more</td>
</tr>
<tr>
<td>10%</td>
<td>4% or more</td>
</tr>
<tr>
<td>5%</td>
<td>5% or more</td>
</tr>
</tbody>
</table>

(B) the market is not highly concentrated and the involved insurers possess the following shares of the market:

<table>
<thead>
<tr>
<th>Insurer A</th>
<th>Insurer B</th>
</tr>
</thead>
<tbody>
<tr>
<td>19%</td>
<td>1% or more</td>
</tr>
<tr>
<td>15%</td>
<td>1% or more</td>
</tr>
</tbody>
</table>

(ii) For purposes of this section, a highly concentrated market is one in which the share of the four largest insurers is 75% or more of the market. Percentages not shown in the tables are interpolated proportionately to the percentages that are shown. If more than two insurers are involved, exceeding the total of the two columns in the table is prima facie evidence of violation of the competitive standard in Subsection (4)(a).

(iii) For purposes of this section, the insurer with the largest share of the market shall be considered to be Insurer A.

(c) There is a significant trend toward increased concentration when the aggregate market share of any grouping of the largest insurers in the market, from the two largest to the eight largest, has increased by 7% or more of the market over a period of time extending from any base year 5 to 10 years before the acquisition up to the time of the acquisition. Any acquisition or merger covered under Subsection (1) involving two or more insurers competing in the same market is prima facie evidence of violation of the competitive standard in Subsection (4)(a) if:

(i) there is a significant trend toward increased concentration in the market;

(ii) one of the insurers involved is one of the insurers in a grouping of large insurers showing the requisite increase in the market share; and

(iii) another involved insurer’s market is 2% or more.

(d) The burden of showing prima facie evidence of violation of the competitive standard rests upon the commissioner.

(e) Even though an acquisition is not prima facie violative of the competitive standard under Subsections (4)(b) and (4)(c), the commissioner may establish the requisite anticompetitive effect based upon other substantial evidence.

(f) Even though an acquisition is prima facie violative of the competitive standard under Subsections (4)(b) and (4)(c), a party may establish the absence of the requisite anticompetitive effect based upon other substantial evidence. Relevant factors in making a determination under this Subsection (4)(f) include the following:

(i) market shares;

(ii) volatility of ranking of market leaders;

(iii) number of competitors;

(iv) concentration or trend of concentration in the industry; and

(v) ease of entry and exit into the market.

(b) [Any] An insurer [which] that is subject to registration under this section shall register within 15 days after it becomes subject to registration, and annually thereafter by May 1 of each year for the previous calendar year, unless the commissioner for good cause extends the time for registration and then at the end of the extended time period. The commissioner may require any insurer authorized to do business in the state, which is a member of a holding company system, and which is not subject to registration under this section, to furnish a copy of the registration statement, the summary specified in Subsection (3), or any other information filed by the insurer with the insurance regulatory authority of domiciliary jurisdiction.

2. [Every] An insurer subject to registration shall file the registration statement with the commissioner on a form and in a format prescribed by the National Association of Insurance Commissioners, which shall contain the following current information:

(i) loans, other investments, or purchases, sales or exchanges of securities of the affiliates by the insurer or of securities of the insurer by its affiliates;

(ii) purchases, sales, or exchanges of assets;

(iii) transactions not in the ordinary course of business;

(iv) guarantees or undertakings for the benefit of an affiliate which result in an actual contingent exposure of the insurer’s assets to liability, other than insurance contracts entered into in the ordinary course of the insurer’s business;

(v) all management agreements, service contracts, and all cost-sharing arrangements;

(vi) reinsurance agreements;

(vii) dividends and other distributions to shareholders; and

(viii) consolidated tax allocation agreements;

(d) any pledge of the insurer’s stock, including stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system; [and]

(i) the acquisition will yield substantial economies of scale or economies in resource use that cannot be feasibly achieved in any other way, and the public benefits that would arise from the economies exceed the public benefits that would arise from not lessening competition; or

(ii) the acquisition will substantially increase the availability of insurance, and the public benefits of the increase exceed the public benefits that would arise from not lessening competition.

(5) (a) Subject to Title 63G, Chapter 4, Administrative Procedures Act, if an acquisition violates the standards of this section, the commissioner may enter an order:

(i) requiring an involved insurer to cease and desist from doing business in this state with respect to the line or lines of insurance involved in the violation; or

(ii) denying the application of an acquired or acquiring insurer for a license to do business in this state.

(i) which may include annual audited financial statements filed with the United States Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended; and

(ii) which request is satisfied by providing the commissioner with the most recently filed parent corporation financial statements that have been filed with the United States Securities and Exchange Commission;

(g) statements that the insurer’s board of directors oversees corporate governance and internal controls and that the insurer’s officers or senior management have approved, implemented, and continue to maintain and monitor corporate governance and internal control procedures; and

(h) any other information required by rule made by the commissioner in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(3) All registration statements shall contain a summary outlining all items in the current registration statement representing changes from the prior registration statement.

Unless the commissioner by rule or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of 1%, or less, of an insurer’s admitted assets as of the next preceding December 31 may not be considered material for purposes of this section.

(5) Subject to Section 31A-16-106, each registered insurer shall report to the commissioner a dividend or other distribution to shareholders within 15 business days following the declaration of the dividend or distribution.

(6) Any person within an insurance holding company system subject to registration shall provide complete and accurate information to an insurer if the information is reasonably necessary to enable the insurer to comply with the provisions of this chapter.

(7) The commissioner shall terminate the registration of any insurer which demonstrates that it no longer is a member of an insurance holding company system.

(8) The commissioner may require or allow two or more affiliated insurers subject to registration under this section to file a consolidated registration statement.

(9) The commissioner may allow an insurer which is authorized to do business in this state, and which is part of an insurance holding company system, to register on behalf of any affiliated insurer which is required to register under Subsection (1) and to file all information and material required to be filed under this section.

(10) This section does not apply to any insurer, information, or transaction if, and to the extent that, the commissioner by rule or order exempts the insurer from the provisions of this section.

(11) Any person may file with the commissioner a disclaimer of affiliation with any authorized insurer, or a disclaimer of affiliation may be filed by any insurer or any member of an insurance holding company system. The disclaimer shall fully disclose all material relationships and bases for affiliation between the person and the insurer as well as the basis for disclosing the affiliation. After a disclaimer has been filed, the insurer shall be relieved of any duty to register or report under this section which may arise out of the insurer’s relationship with the person unless and until the commissioner disallows the disclaimer. The commissioner shall disallow a disclaimer only after furnishing all parties in interest with notice and opportunity to be heard, and after making specific findings of fact to support the disallowance. A disclaimer of affiliation is considered to have been granted unless the commissioner, within 30 days following receipt of a complete disclaimer, notifies the filing party the disclaimer is disallowed. If disallowed, the disclaiming party may request an administrative hearing, which shall be granted. The disclaiming party shall be relieved of its duty to register under this section if approval of the disclaimer is granted by the commissioner, or if the disclaimer is considered to have been approved.

(12) The ultimate controlling person of an insurer subject to registration shall also file an annual enterprise risk report. The annual enterprise risk report shall, to the best of the ultimate controlling person’s knowledge and belief, identify the material risks within the insurance holding company that could pose enterprise risk to the insurer. The annual enterprise risk report shall be filed with the lead state commissioner of the insurance holding company system as determined by the procedures within the Financial Analysis Handbook adopted by the National Association of Insurance Commissioners.

(13) The failure to file a registration statement or any summary of the registration statement or enterprise risk filing required by this section within the time specified for the filing is a violation of this section.

Section 12. Section 31A-16-106 is amended to read:

31A-16-106. Standards and management of an insurer within a holding company system.

(b) The following transactions involving a domestic insurer and any person in its insurance holding company system, including amendments or modifications of affiliate agreements previously filed pursuant to this section, which are subject to any materiality standards contained in Subsections (1)(a)(i) through (vi), may not be entered into unless the insurer has notified the commissioner in writing of its intention to enter into the transaction at least 30 days [prior to] before entering into the transaction, or within any shorter period the commissioner may permit, if the commissioner has not disapproved the transaction within the period[]. The notice for an amendment or modification shall include the reasons for the change and financial impact on the domestic insurer. Informal notice shall be reported, within 30 days after a termination of a previously filed agreement, to the commissioner for determination of the type of filing required, if any:

(B) for life insurers, 3% of the insurer’s admitted assets;

(ii) loans or extensions of credit made to any person who is not an affiliate, if the insurer makes

the loans or extensions of credit with the agreement or understanding that the proceeds of the transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer making the loans or extensions of credit if the transactions are equal to, or exceed as of the next preceding December 31:

(iv) all management agreements, service contracts, tax allocation agreements, and all cost-sharing arrangements;

(v) guarantees when made by a domestic insurer, except that:

(A) a guarantee that is quantifiable as to amount is not subject to the notice requirements of this Subsection (1) unless it exceeds the lesser of .5% of the insurer’s admitted assets or 10% of surplus held for policyholders, as of the next preceding December 31; and

(B) a guarantee that is not quantifiable as to amount is subject to the notice requirements of this Subsection (1);

(vi) direct or indirect acquisitions or investments in a person that controls the insurer or in an affiliate of the insurer in an amount that, together with its present holdings in the investments, exceeds 2.5% of the insurer’s surplus to policyholders, except that a direct or indirect acquisition or investment in a subsidiary acquired pursuant to Section 31A-16-102.5, or in a non-subsidiary insurance affiliate that is subject to this chapter, is exempt from this Subsection (1)(b)(vi);
(vi) this subsection (viii) this Subsection (1) may not be interpreted to authorize or permit any transactions which would be otherwise contrary to law in the case of an insurer not a member of the same holding company system.

(c) A domestic insurer may not enter into transactions which are part of a plan or series of like transactions with persons within the holding company system if the purpose of the separate transactions is to avoid the statutory threshold amount and thus to avoid the review by the commissioner that would occur otherwise. If the commissioner determines that the separate transactions were entered into over any 12-month period for such a purpose, the commissioner may exercise the commissioner’s authority under Section 31A-16-110.

(d) The commissioner, in reviewing transactions pursuant to Subsection (1)(b), shall consider whether the transactions comply with the standards set forth in Subsection (1)(a) and whether they may adversely affect the interests of policyholders.

(e) The commissioner shall be notified within 30 days of any investment of the domestic insurer in any one corporation, if the total investment in the corporation by the insurance holding company system exceeds 10% of the corporation’s voting securities.

(2) (a) A domestic insurer may not pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until:

(i) 30 days after the commissioner has received notice of the declaration of the dividend and has not within the 30-day period disapproved the payment; or

(b) For purposes of this subsection Subsection (2), an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, fair market value of which, together with that of other dividends or distributions made within the preceding 12 months, exceeds the lesser of:

(ii) the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending the next preceding December 31; or

(iii) an extraordinary dividend does not include pro rata distributions of any class of the insurer’s own securities.

(c) In determining whether a dividend or distribution is extraordinary, an insurer other than a life insurer may carry forward net income from the previous two calendar years that has not already been paid out as dividends. This carry-forward shall be computed by taking the net income from the second and third preceding calendar years, not including realized capital gains, less dividends paid in the second and immediate preceding calendar years.

(d) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution, which is conditioned upon the commissioner’s approval of the dividend or distribution, and the declaration shall confer no rights upon shareholders until:

(1) the commissioner has approved the payment of the dividend or distribution; or

(2) the commissioner has not disapproved the payment within the 30-day period referred to in Subsection (2)(a).

(3) (a) Notwithstanding the control of a domestic insurer by any person, the officers and directors of the insurer may not be relieved of any obligation or liability to which they would otherwise be subject by law, and the insurer shall be managed so as to assure its separate operating identity consistent with this chapter.

(b) Nothing in this section precludes a domestic insurer from having or sharing a common management or cooperative or joint use of personnel, property, or services with one or more other persons under arrangements meeting the standards of Subsection (1)(a).

(c) (i) Not less than one-third of the directors of a domestic insurer, and not less than one-third of the members of each committee of the board of directors of a domestic insurer, shall be persons who are not officers or employees of the insurer or of any entity controlling, controlled by, or under common control with the insurer and who are not beneficial owners of a controlling interest in the voting stock of the insurer or entity.

(3)(c)(i) shall be included in a quorum for the transaction of business at a meeting of the board of directors or a committee of the board of directors.

(d) Subsection (3)(c) does not apply to a domestic insurer if the person controlling the insurer, such as an insurer, a mutual insurance holding company, or a publicly held corporation, has a board of directors and committees of the board of directors that meet the requirements of Subsection (3)(c) with respect to the controlling entity.

(e) An insurer may make application to the commissioner for a waiver from the requirements of this Subsection (3) if the insurer’s annual direct written and assumed premium, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, is less than $300,000,000. An insurer may also make application to the commissioner for a waiver from the requirements of this Subsection (3) based
upon unique circumstances. The commissioner may consider various factors, including:

(i) the type of business entity;

(ii) the volume of business written;

(iii) the availability of qualified board members; or

(iv) the ownership or organizational structure of the entity.

(4) (a) For purposes of this chapter, in determining whether an insurer’s surplus as regards policyholders is reasonable in relation to the insurer’s outstanding liabilities and adequate to meet its financial needs, the following factors, among others, shall be considered:

(i) the size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria;

(ii) the extent to which the insurer’s business is diversified among several lines of insurance;

(iii) the number and size of risks insured in each line of business;

(iv) the extent of the geographical dispersion of the insurer’s insured risks;

(v) the nature and extent of the insurer’s reinsurance program;

(vi) the quality, diversification, and liquidity of the insurer’s investment portfolio;

(vii) the recent past and projected future trend in the size of the insurer’s investment portfolio;

(viii) the surplus as regards policyholders maintained by other comparable insurers;

(ix) the adequacy of the insurer’s reserves; and

(x) the quality and liquidity of investments in affiliates.

(b) The commissioner may treat an investment described in Subsection (4)(a)(x) as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in the judgment of the commissioner the investment so warrants.

Section 17. Section 31A-16-113 is enacted to read:

Section 18. Section 31A-16-114 is enacted to read:

(2) The filing of an appeal pursuant to this section shall stay the application of any rule, order, or other action of the commissioner to the appealing party unless the court, after giving party notice and an opportunity to be heard, determines that a stay would be detrimental to the interest of policyholders, shareholders, creditors, or the public.

(3) A person aggrieved by a failure of the commissioner to act or make a determination required by this chapter may petition the Third District Court of Salt Lake County for writ in the nature of a mandamus or a peremptory mandamus directing the commissioner to act or make a determination.

The provisions of this chapter are severable.

Section 24. Section 31A-21-313 is amended to read:

31A-21-313. Limitation of actions.

(b) prescribe in what court an action may be brought on the policy; or

(c) provide that no action may be brought, subject to permissible arbitration provisions in contracts.

(4) Unless by verified complaint it is alleged that prejudice to the complainant will arise from a delay in bringing suit against an insurer, which prejudice is other than the delay itself, no action may be brought against an insurer on an insurance policy to compel payment under the policy until the earlier of:

(a) 60 days after proof of loss has been furnished as required under the policy;

(b) waiver by the insurer of proof of loss; or

(c) the insurer’s denial of full payment.

(5) The period of limitation is tolled during the period in which the parties conduct an appraisal or arbitration procedure prescribed by the insurance policy, by law, or as agreed to by the parties.

Except in the case of direct response insurance policies, the commissioner may require by rule that the informational brochure be provided concurrently with delivery of the outline of coverage to any prospective insureds eligible for Medicare. With respect to direct response insurance policies, the commissioner may require by rule that the prescribed brochure be provided upon request to any prospective insureds eligible for Medicare, but in no event later than the time of policy delivery.
