Section 2. Section 26-18-3.9 is amended to read:

26-18-3.9. Expanding the Medicaid program.

[41. Findings and purpose.]

[a. Findings. The People of the State of Utah find that:]

[4. Adequate medical care is crucial to the health and welfare of the residents of Utah;]

[iii. It is essential that all Utahns have access to medical care, including preventive care, emergency services, and hospital care;]

[iv. Utah’s Medicaid program and CHIP provide care to Utahns who are unable to afford private health insurance and are not eligible for other health insurance. Medicaid and CHIP are vital parts of the Utah health care system and it is essential that they continue to provide health care for the most vulnerable citizens of our state;]

[(iv)] However, over 250,000 Utahns remain uninsured and do not have adequate access to health care. Over 100,000 of the uninsured would be covered by Medicaid if the State of Utah were to expand eligibility to all individuals who are in the federal optional Medicaid expansion population, as defined as of January 1, 2017;]

[(v)] When people don’t have access to care they are far more likely to develop chronic conditions, like diabetes or asthma, that often require expensive treatment for a patient’s entire life, resulting in unnecessary suffering and driving up the cost of healthcare;

[(vi)] When medical providers provide care for which patients are not insured, the cost of that care is passed on to others, thus increasing the cost of medical care for all Utah residents;

[(vii)] It is critical to the survival of the Medicaid program that it remain adequately funded so that it can provide needed medical services to those who otherwise would not have access to care, and can compensate the providers who serve participants. The compensation to providers must be adequate to encourage providers to continue to treat patients on Medicaid, and

[(viii)] From moral, health and fiscal perspectives, protecting and expanding the Medicaid program in Utah is essential to maintaining the quality of life in our state.]

[b. Purpose. The purpose of this measure is to preserve and strengthen medical care in the State of Utah by the following:]

[i. Protecting Medicaid and CHIP so that they can continue to provide medical care to those who are currently eligible, and]

[ii. Expanding Medicaid eligibility to adults who are in the federal optional Medicaid expansion population, as defined as of January 1, 2017;]

(1) As used in this section:

(b) “Federal poverty level” means the same as that term is defined in Section 26-18-411.

[e. “Medicaid expansion” means an expansion of the Medicaid program in accordance with this section.

(c) “Medicaid Expansion Fund” means the Medicaid Expansion Fund created in Section 26-36b-208.

(2) (a) [Eligibility.] As set forth in Subsections (2)[(a)] through [(2)(d)] (5), eligibility criteria for the Medicaid program shall be [maintained as they existed on January 1, 2017] expanded to cover additional low-income individuals.

[(a)] The standards, methodologies, and procedures for determining eligibility for the
Medicaid program and CHIP shall be no more restrictive than the eligibility standards, methodologies, and procedures, respectively, that were in effect on January 1, 2017.)

(b) The department shall continue to seek approval from CMS to implement the Medicaid waiver expansion as defined in Section 26-18-415.

(c) The department may implement any provision described in Subsections 26-18-415(2)(b)(iii) through (viii) in a Medicaid expansion if the department receives approval from CMS to implement that provision.

(3) The department shall expand the Medicaid program in accordance with this Subsection (3) if the department:

(a) receives approval from CMS to:

(i) expand Medicaid coverage to eligible individuals whose income is below 95% of the federal poverty level;
(ii) obtain maximum federal financial participation under 42 U.S.C. Sec. 1396d(b) for enrolling an individual in the Medicaid expansion under this Subsection (3); and
(iii) permit the state to close enrollment in the Medicaid expansion under this Subsection (3) if the department has insufficient funds to provide services to new enrollment under the Medicaid expansion under this Subsection (3);

(i) the Medicaid Expansion Fund;
(ii) county contributions to the nonfederal share of Medicaid expenditures; or
(iii) any other contributions, funds, or transfers from a nonstate agency for Medicaid expenditures;

(c) closes the Medicaid program to new enrollment under this Subsection (3) if the department projects that the cost of the Medicaid expansion under this Subsection (3) will exceed the appropriations for the fiscal year that are authorized by the Legislature through an appropriations act adopted in accordance with Title 63J, Chapter 1, Budgetary Procedures Act.

(b) The department shall submit a waiver, an amendment to an existing waiver, or a state plan amendment to CMS to:

(i) administer federal funds for the Medicaid expansion under this Subsection (4) according to a per capita cap developed by the department that includes an annual inflationary adjustment, accounts for differences in cost among categories of Medicaid expansion enrollees, and provides greater flexibility to the state than the current Medicaid payment model;

(ii) limit, in certain circumstances as defined by the department, the ability of a qualified entity to determine presumptive eligibility for Medicaid coverage for an individual enrolled in a Medicaid expansion under this Subsection (4);

(iii) impose a lock-out period if an individual enrolled in a Medicaid expansion under this Subsection (4) violates certain program requirements as defined by the department;

(v) allow federal Medicaid funds to be used for housing support for eligible enrollees in the Medicaid expansion under this Subsection (4).

(5) (a) (i) If CMS does not approve a waiver to expand the Medicaid program in accordance with Subsection (4)(a) on or before January 1, 2020, the department shall develop proposals to implement additional flexibilities and cost controls, including cost sharing tools, within a Medicaid expansion under this Subsection (5) through a request to CMS for a waiver or state plan amendment.

(ii) The request for a waiver or state plan amendment described in Subsection (5)(a)(i) shall include:
(A) a path to self-sufficiency for qualified adults in the Medicaid expansion that includes employment and training as defined in 7 U.S.C. Sec. 2015(d)(4); and

Where the minimum live load, in accordance with Section 1607, is greater than the design roof snow load, \( pf \), the live load shall be used for design, but it may not be reduced to a load lower than the design roof snow load. Drifting need not be considered for roof snow loads less than 20 psf.”

(5) A new IBC, Section 1608.1.1, is added as follows: “1608.1.1 Ice dams and icicles along eaves. Where ground snow loads exceed 75 psf, eaves shall be capable of sustaining a uniformly distributed load of 2\( \rho \) on all overhanging portions. No other loads except dead loads shall be present on the roof when this uniformly distributed load is applied. All building exits under down-slope eaves shall be protected from sliding snow and ice.”

Otherwise, the ground snow load, \( P_g \), to be used in the determination of design snow loads for buildings and other structures shall be determined by using the following formula: \( P_g = (P_0 - S^2(A-A_o)^2[0.5]\) for \( A \) greater than \( A_o \), and \( P_g = P_0 \) for \( A \) less than or equal to \( A_o \).

[WHERE:

\( P_g \) = Ground snow load at a given elevation (psf);

\( P_0 \) = Base ground snow load (psf) from Table No. 1608.1.2(a);

\( S \) = Change in ground snow load with elevation (psf/100 ft.) From Table No. 1608.1.2(a);

\( A \) = Elevation above sea level at the site (ft./1,000);

\( A_o \) = Base ground snow elevation from Table 1608.1.2(a) (ft./1,000).

(7) IBC, Table 1608.1.2(a) and Table 1608.1.2(b), are added as follows:

1. Statutory requirements of the Authority Having Jurisdiction are not included in this state ground snow load table.

2. For locations where there is substantial change in altitude over the city/town, the load applies at and below the cited elevation, with a tolerance of 100 ft (30 m).

IRC, Section R301.6, is deleted and replaced with the following: “R301.6 Utah Snow Loads. The snow loads specified in Table R301.2(5b) shall be used for the jurisdictions identified in that table. Otherwise, the ground snow load, \( P_g \), to be used in the determination of design snow loads for buildings and other structures shall be determined by using the following formula: 

\[
P_g = \left( P_o^2 + S^2 (A - A_o)^2 \right)^{0.5}
\]

for \( A > A_o \) and \( P_g = P_o \) for \( A \leq A_o \). See Table R301.2(5a) for the ground snow load values.

WHERE:

- \( P_g = \) Ground snow load at a given elevation (psf);
- \( P_o = \) Base ground snow load (psf) from Table No. R301.2(5a);
- \( S = \) Change in ground snow load with elevation (psf/100 ft.) From Table No. R301.2(5a);
- \( A = \) Elevation above sea level at the site (ft.); \( A_o = \) Base ground snow elevation from Table R301.2(5a) (ft./1,000).

The building official may round the roof snow load to the nearest 5 psf. The ground snow load, \( P_g \), may be adjusted by the building official when a licensed engineer or architect submits data substantiating the adjustments.

Where the minimum roof live load in accordance with Table R301.6 is greater than the design roof snow load, such roof live load shall be used for design, however, it shall not be reduced to a load lower than the design roof snow load. Drifting need not be considered for roof snow loads less than 20 psf."

In IRC, Section R302.2, the following sentence is added after the second sentence: “When an access/maintenance agreement or easement is in place, plumbing, mechanical ducting, schedule 40 steel gas pipe, and electric service conductors including feeders, are permitted to penetrate the common wall at grade, above grade, or below grade.”

In IRC, Section R302.5.1, the words “self-closing device” are deleted and replaced with “self-latching hardware.”

IRC, Section R302.13, is deleted.

In IRC, Section R303.4, the number “5” is changed to “3” in the first sentence.

IRC, Sections R311.7.4 through R311.7.5.3, are deleted and replaced with the following: “R311.7.4 Stair treads and risers. R311.7.5.1 Riser height. The maximum riser height shall be 8 inches (203 mm). The riser shall be measured vertically between leading edges of the adjacent treads. The greatest riser height within any flight of stairs shall not exceed the smaller by more than 3/8 inch (9.5 mm).”

R311.7.5.2 Tread depth. The minimum tread depth shall be 9 inches (228 mm). The tread depth shall be measured horizontally between the vertical planes of the foremost projection of adjacent treads and at a right angle to the tread’s leading edge. The greatest tread depth within any flight of stairs shall not exceed the smaller by more than 3/8 inch (9.5 mm). Winder treads shall have a minimum tread depth of 10 inches (254 mm) measured as above at a point 12 inches (305 mm) from the side where the treads are narrower. Winder treads shall have a minimum tread depth of 6 inches (152 mm) at any point. Within any flight of stairs, the greatest winder tread depth at the 12-inch (305 mm) walk line shall not exceed the smallest by more than 3/8 inch (9.5 mm).

R311.7.5.3 Profile. The radius of curvature at the leading edge of the tread shall be no greater than 9/16 inch (14.3 mm). A nosing not less than 3/4 inch (19 mm) but not more than 1 1/4 inches (32 mm) shall be provided on stairways with solid risers. The greatest nosing projection shall not exceed the smallest nosing projection by more than 3/8 inch (9.5 mm) between two stories, including the nosing at the level of floors and landings. Beveling of nosing shall not exceed 1/2 inch (12.7 mm). Risers shall be vertical or sloped from the underside of the leading edge of the tread above at an angle not more than 30 degrees (0.51 rad) from the vertical. Open risers are permitted, provided that the opening between treads does not permit the passage of a 4-inch diameter (102 mm) sphere.

Exceptions.

1. A nosing is not required where the tread depth is a minimum of 10 inches (254 mm).

2. The opening between adjacent treads is not limited on stairs with a total rise of 30 inches (762 mm) or less.”

(b) (i) If, upon expiration or termination of the probation period under Subsection (10)(a), there remains an unpaid balance upon the accounts receivable as defined in Section 77-32a-101, the court may retain jurisdiction of the case and continue the defendant on bench probation for the limited purpose of enforcing the payment of the account receivable. If the court retains jurisdiction for this limited purpose, the court may order the defendant to pay to the court the costs associated with continued probation under this Subsection (10).

(ii) In accordance with Section 77-18-6, the court shall record in the registry of civil judgments any unpaid balance not already recorded and immediately transfer responsibility to collect the account to the Office of State Debt Collection.

(c) (i) The department shall notify the sentencing court, the Office of State Debt Collection, and the prosecuting attorney in writing in advance in all cases when termination of supervised probation is being requested by the department or will occur by law.

(ii) The notification shall include a probation progress report and complete report of details on outstanding accounts receivable.

(11) (a) (i) Any time served by a probationer outside of confinement after having been charged with a probation violation and prior to a hearing to revoke probation does not constitute service of time toward the total probation term unless the probationer is exonerated at a hearing to revoke the probation.

(ii) Any time served in confinement awaiting a hearing or decision concerning revocation of probation does not constitute service of time toward the total probation term unless the probationer is exonerated at a hearing to revoke the probation.

(iii) Any time served in confinement awaiting a hearing or decision concerning revocation of probation constitutes service of time toward a term of incarceration imposed as a result of the revocation of probation or a graduated sanction imposed under Section 63M-7-404.

(b) The running of the probation period is tolled upon the filing of a violation report with the court alleging a violation of the terms and conditions of probation or upon the issuance of an order to show cause or warrant by the court.

(12) (a) (i) Probation may be modified as is consistent with the supervision length guidelines and the graduated sanctions and incentives developed by the Utah Sentencing Commission under Section 63M-7-404.

(ii) The length of probation may not be extended, except upon waiver of a hearing by the probationer or upon a hearing and a finding in court that the probationer has violated the conditions of probation.

(iii) Probation may not be revoked except upon a hearing in court and a finding that the conditions of probation have been violated.

(b) (i) Upon the filing of an affidavit, or an unsworn written declaration executed in substantial compliance with Section 78B-5-705, alleging with particularity facts asserted to constitute violation of the conditions of probation, the court that authorized probation shall determine if the affidavit or unsworn written declaration establishes probable cause to believe that revocation, modification, or extension of probation is justified.

(ii) If the court determines there is probable cause, it shall cause to be served on the defendant a warrant for the defendant’s arrest or a copy of the affidavit or unsworn written declaration and an order to show cause why the defendant’s probation should not be revoked, modified, or extended.

(iv) If a period of incarceration is imposed for a violation, the defendant shall be sentenced within the guidelines established by the Utah Sentencing Commission pursuant to Subsection 63M-7-404(4), unless the judge determines that:

(A) the defendant needs substance abuse or mental health treatment, as determined by a validated risk and needs screening and assessment, that warrants treatment services that are immediately available in the community; or

(B) the sentence previously imposed shall be executed.

(v) If the defendant had, prior to the imposition of a term of incarceration or the execution of the previously imposed sentence under this Subsection (12), served time in jail as a condition of probation or due to a violation of probation under Subsection (12)(e)(iv), the time the probationer served in jail constitutes service of time toward the sentence previously imposed.

(13) The court may order the defendant to commit the defendant to the custody of the Division of Substance Abuse and Mental Health for treatment at the Utah State Hospital as a condition of probation or stay of sentence, only after the superintendent of the Utah State Hospital or the superintendent's designee has certified to the court that:

Notwithstanding Sections 63G-2-403 and 63G-2-404, the State Records Committee may not order the disclosure of a presentence investigation report. 11-60-103. Political subdivision liens -- Status -- Limitations.

(b) If the retiree is less than 65 years of age, the allowance shall be reduced by the full actuarial amount for each year of retirement from age 60 to age 65, unless the member has 35 or more years of accrued credit in which event no reduction is made to the allowance.

(c) (i) Years of service includes any fractions of years of service to which the retiree may be entitled.

(ii) At the time of retirement, if a retiree’s combined years of actual, not purchased, service credit is within one-tenth of one year of the total years of service credit required for retirement, the retiree shall be considered to have the total years of service credit required for retirement.

(b) Any payments made to the retiree shall be deducted from the amounts due to the beneficiary.

(5) (a) If a retiree retires under either Option Five or Six and subsequently divorces, the retiree may elect to convert the benefit to an Option One benefit at the time of divorce, if there is no court order filed in the matter.

(b) A conversion to an Option One benefit under this Subsection (5) begins on the first day of the month following the month in which the notification and supporting documentation for the divorce are received by the office.

(6) A retiree may not choose payment of an allowance under a retirement option described in this section that is not applicable to that retiree, including because the retiree did not make member contributions or does not have a lawful spouse at the time of retirement.

(b) (i) A person convicted under this Subsection (4) is guilty of a first degree felony and shall be imprisoned for a term of not less than five years if the penalty that would otherwise have been established but for this Subsection (4) would have been a first degree felony. |

(ii) Imposition or execution of the sentence may not be suspended, and the person is not eligible for probation. |

(c) If the classification that would otherwise have been established would have been less than a first degree felony but for this Subsection (4), a person convicted under this Subsection (4) is guilty of one degree more than the maximum penalty prescribed for that offense. This Subsection (4)(c) does not apply to a violation of Subsection 2(g). |

(d) (i) If the violation is of Subsection (4)(a)(ix): |

(A) the person may be sentenced to imprisonment for an indeterminate term as provided by law, and the court shall additionally sentence the person convicted for a term of one year to run consecutively and not concurrently; and |

(B) the court may additionally sentence the person convicted for an indeterminate term not to exceed five years to run consecutively and not concurrently; and |

(ii) the penalties under this Subsection (4)(d) apply also to a person who, acting with the mental state required for the commission of an offense, directly or indirectly solicits, requests, commands, coerces, encourages, or intentionally aids another person to commit a violation of Subsection (4)(a)(ix). |

(e) It is not a defense to a prosecution under this Subsection (4) that: |

(i) the actor mistakenly believed the individual to be 18 years of age or older at the time of the offense or was unaware of the individual's true age; or |

(ii) the actor mistakenly believed that the location where the act occurred was not as described in Subsection (4)(a) or was unaware that the location where the act occurred was as described in Subsection (4)(a). |

(f) A violation of this chapter for which no penalty is specified is a class B misdemeanor. |

(6) (a) For purposes of penalty enhancement under Subsections (1) and (2), a plea of guilty or no contest to a violation or attempted violation of this section or a plea which is held in abeyance under Title 77, Chapter 2a, Pleas in Abeyance, is the equivalent of a conviction, even if the charge has been subsequently reduced or dismissed in accordance with the plea in abeyance agreement. |

(b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a conviction that is: |

(i) from a separate criminal episode than the current charge; and |

(ii) from a conviction that is separate from any other conviction used to enhance the current charge.
(7) A person may be charged and sentenced for a violation of this section, notwithstanding a charge and sentence for a violation of any other section of this chapter.

(8) (a) [Any] A penalty imposed for violation of this section is in addition to, and not in lieu of, [any] a civil or administrative penalty or sanction authorized by law.

(b) [Where] When a violation of this chapter violates a federal law or the law of another state, conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(9) In any prosecution for a violation of this chapter, evidence or proof that shows a person or persons produced, manufactured, possessed, distributed, or dispensed a controlled substance or substances, is prima facie evidence that the person or persons did so with knowledge of the character of the substance or substances.

(10) This section does not prohibit a veterinarian, in good faith and in the course of the veterinarian's professional practice only and not for humans, from prescribing, dispensing, or administering controlled substances or from causing the substances to be administered by an assistant or orderly under the veterinarian's direction and supervision.

(11) Civil or criminal liability may not be imposed under this section on:

(a) [any] a person registered under this chapter who manufactures, distributes, or possesses an imitation controlled substance for use as a placebo or investigational new drug by a registered practitioner in the ordinary course of professional practice or research; or

(b) [any] a law enforcement officer acting in the course and legitimate scope of the officer's employment.

(12) (a) Civil or criminal liability may not be imposed under this section on any Indian, as defined in [Subsection 58–37–2(1)(a)] Section 58–37–2, who uses, possesses, or transports peyote for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion as defined in [Subsection 58–37–2(1)(a)] Section 58–37–2.

(b) In a prosecution alleging violation of this section regarding peyote as defined in [Subsection 58–37–4(2)(a)] Section 58–37–4, it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days before trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a controlled substance listed in Section 58–37–4.2 if the person was:

(i) [was] engaged in medical research; and

(ii) [was] a holder of a valid license to possess controlled substances under Section 58–37–6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58–37–4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58–37–6; and

(b) the substance was administered to the person by the medical researcher.

(14) It is an affirmative defense that the person possessed, in the person's body, a controlled substance listed in Section 58–37–4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58–37–6; and

(b) the substance was administered to the person by the medical researcher.

(15) The application of any increase in penalty under this section to a violation of Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This Subsection (15) takes precedence over any conflicting provision of this section.

(16) (a) It is an affirmative defense to an allegation of the commission of an offense listed in Subsection (16)(b) that the person:

(i) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(ii) reports in good faith the overdose event to a medical provider, an emergency medical service provider, or the person is the subject of a report made under this Subsection (16);

(iii) provides in the report under Subsection (16)(a)(ii) a functional description of the actual location of the overdose event that facilitates responding to the person experiencing the overdose event;

(iv) remains at the location of the person experiencing the overdose event until a responding law enforcement officer or emergency medical service provider arrives, or remains at the medical care facility where the person experiencing an overdose event is located until a responding law enforcement officer arrives;

(v) cooperates with the responding medical provider, emergency medical service provider, and
law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person’s body; and

(vi) is alleged to have committed the offense in the same course of events from which the reported overdose arose.

(b) The offenses referred to in Subsection (16)(a) are:

(i) the possession or use of less than 16 ounces of marijuana;

(ii) the possession or use of a scheduled or listed controlled substance other than marijuana; and

(iii) any violation of Chapter 37a, Utah Drug Paraphernalia Act, or Chapter 37b, Imitation Controlled Substances Act.

(c) As used in this Subsection (16) and in Section 76-3-203.11, “good faith” does not include seeking medical assistance under this section during the course of a law enforcement agency’s execution of a search warrant, execution of an arrest warrant, or other lawful search.

(17) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

(18) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

(19) If a minor who is under 18 years of age is found by a court to have violated this section, the court may order the minor to complete:

(a) [the minor to complete] a screening as defined in Section 41-6a-501;

(b) [the minor to complete] an assessment as defined in Section 41-6a-501 if the screening indicates an assessment to be appropriate; and

78A-6-314, as last amended by Laws of Utah 2018, Chapter 359

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 78A-6-305 is amended to read:

(c) a review hearing, except a drug court review hearing.

(2) A [child] minor shall be present at any postadjudication hearing in a case relating to the abuse, neglect, or dependency of the [child] minor, unless the court determines that:

(b) the [child] minor is not sufficiently mature to articulate the [child] minor’s wishes in relation to the hearing.

(3) A court may, in the court’s discretion, order that a [child] minor described in Subsection (2) be present at a hearing that is not a postadjudication hearing.

(c) Subject to applicable court rules, the court may allow the [child] minor to address the court in camera.

(d) If a minor 14 years of age or older desires an opportunity to address the court or testify, the court shall give the minor’s desires added weight, but may not treat the minor’s desires as the single controlling factor in a postadjudication hearing or other hearing described in Subsection (3).

(5) Nothing in this section prohibits a [child] minor from being present at a hearing that the [child] minor is not required to be at by this section or by court order, unless the court orders otherwise.

Section 2. Section 78A-6-307 is amended to read:

(1) As used in this section:

(ii) The definition of “natural parent” described in Subsection (1)(b)(i) applies regardless of whether the child has been or will be placed with adoptive parents or whether adoption has been or will be considered as a long-term goal for the child.

(c) “Relative” means:

(i) an adult who is the child’s grandparent, great grandparent, aunt, great aunt, uncle, great uncle, brother-in-law, sister-in-law, stepparent, first cousin, stepsibling, or sibling;

(2) (a) At the shelter hearing, when the court orders that a child be removed from the custody of the child’s parent in accordance with the requirements of Section 78A-6–306, the court shall first determine whether there is another natural parent with whom the child was not residing at the time the events or conditions that brought the child within the court’s jurisdiction occurred, who desires to assume custody of the child.

(b) If another natural parent requests custody under Subsection (2)(a), the court shall place the child with that parent unless it finds that the placement would be unsafe or otherwise detrimental to the child.

(c) This Subsection (2) is limited by the provisions of Subsection (18)(b).

(d) (i) The court shall make a specific finding regarding the fitness of the parent described in Subsection (2)(b) to assume custody, and the safety and appropriateness of the placement.

(ii) The court shall, at a minimum, order the division to visit the parent’s home, comply with the criminal background check provisions described in Section 78A-6–308, and check the division’s management information system for any previous reports of abuse or neglect received by the division regarding the parent at issue.

(iii) The court may order the division to conduct any further investigation regarding the safety and appropriateness of the placement.

(iv) The division shall report its findings in writing to the court.

(v) The court may place the child in the temporary custody of the division, pending its determination regarding that placement.

(3) If the court orders placement with a parent under Subsection (2):

(a) the child and the parent are under the continuing jurisdiction of the court;

(b) the court may order:

(i) that the parent assume custody subject to the supervision of the court; and

(ii) that services be provided to the parent from whose custody the child was removed, the parent who has assumed custody, or both; and

(c) the court shall order reasonable parent–time with the parent from whose custody the child was removed, unless parent–time is not in the best interest of the child.

(4) The court shall periodically review an order described in Subsection (3) to determine whether:

(a) placement with the parent continues to be in the child’s best interest;

(b) the child should be returned to the original custodial parent;

(c) the child should be placed in the custody of a relative, pursuant to Subsections (7) through (12); or

(d) the child should be placed in the custody of the division.

(5) The time limitations described in Section 78A-6–312 with regard to reunification efforts apply to children placed with a previously noncustodial parent in accordance with Subsection (2).

(6) Legal custody of the child is not affected by an order entered under Subsection (2) or (3). To affect a previous court order regarding legal custody, the party must petition that court for modification of the order.

(7) If, at the time of the shelter hearing, a child is removed from the custody of the child’s parent and is not placed in the custody of the child’s other parent, the court:

(a) shall, at that time, determine whether, subject to Subsections (18)(c) through (e), there is a relative or a friend who is able and willing to care for the child, which may include asking a child, who is of sufficient maturity to articulate the child’s wishes in relation to a placement, if there is a relative or friend with whom the child would prefer to reside;

(b) may order the division to conduct a reasonable search to determine whether, subject to Subsections (18)(c) through (e), there are relatives or friends who are willing and appropriate, in accordance with the requirements of this part and Title 62A, Chapter 4a, Part 2, Child Welfare Services, for placement of the child;

(c) shall order the parents to cooperate with the division, within five working days, to, subject to Subsections (18)(c) through (e), provide information regarding relatives or friends who may be able and willing to care for the child; and

(d) may order that the child be placed in the custody of the division pending the determination under Subsection (7)(a).

(8) This section may not be construed as a guarantee that an identified relative or friend will receive custody of the child.
(9) Subject to Subsections (18)(c) through (e), preferential consideration shall be given to a relative's or a friend's request for placement of the child, if it is in the best interest of the child, and the provisions of this section are satisfied.

(10) (a) If a willing relative or friend is identified under Subsection (7)(a), the court shall make a specific finding regarding:

(i) the fitness of that relative or friend as a placement for the child; and

(ii) the safety and appropriateness of placement with that relative or friend.

(b) [In order to] To be considered a “willing relative or friend” under this section, the relative or friend shall be willing to cooperate with the child's permanency goal.

(11) (a) In making the finding described in Subsection (10)(a), the court shall, at a minimum, order the division to:

(ii) if the child will be placed with a noncustodial parent, complete a background check that includes:

(A) the background check requirements applicable to an emergency placement with a noncustodial parent that are described in Subsections 62A-4a-209(5) and (7);

(E) the relative or friend is committed to caring for the child as long as necessary; and

(F) the relative or friend can provide a secure and stable environment for the child.

(b) The division may determine to conduct, or the court may order the division to conduct, any further investigation regarding the safety and appropriateness of the placement.

(c) The division shall complete and file its assessment regarding placement with a relative or friend as soon as practicable, in an effort to facilitate placement of the child with a relative or friend.

(12) (a) The court may place a child described in Subsection (2)(a) in the temporary custody of the division, pending the division's investigation pursuant to Subsections (10) and (11), and the court's determination regarding the appropriateness of that placement.

(b) The court shall ultimately base its determination regarding the appropriateness of a placement with a relative or friend on the best interest of the child.

(13) When a court places a child described in Subsection (7) in the custody of the child's relative or friend:

(a) the court:

(i) shall order the relative or friend assume custody, subject to the continuing supervision of the court; and

(ii) may order the division provide necessary services to the child and the child's relative or friend, including the monitoring of the child's safety and well-being;

(b) the child and the relative or friend in whose custody the child is placed are under the continuing jurisdiction of the court;

(c) the court may enter any order that it considers necessary for the protection and best interest of the child;

(ii) the child should be returned home; or

(iii) the child should be placed in the custody of the division.

(14) No later than 12 months after placement with a relative or friend, the court shall schedule a hearing for the purpose of entering a permanent order in accordance with the best interest of the child.

(15) The time limitations described in Section 78A-6-312, with regard to reunification efforts, apply to children placed with a relative or friend pursuant to Subsection (7).

(16) (a) If the court awards custody of a child to the division, and the division places the child with a relative, the division shall:

(i) conduct a criminal background check of the relative that complies with the criminal background check provisions described in Section 78A-6-308; and

(ii) if the results of the criminal background check described in Subsection (16)(a)(i) would prohibit the relative from having direct access to the child under Section 62A-2-120, the division shall:

(A) take the child into physical custody; and

(B) within three days, excluding weekends and holidays, after taking the child into physical custody under Subsection (16)(a)(ii)(A), give written notice to the court, and all parties to the proceedings, of the division’s action.

(b) Nothing in Subsection (16)(a) prohibits the division from placing a child with a relative, pending the results of the background check described in Subsection (16)(a) on the relative.

(17) When the court orders that a child be removed from the custody of the child’s parent and does not award custody and guardianship to another parent, relative, or friend under this section, the court shall order that the child be placed in the temporary custody of the [Division of Child and Family Services] division, to proceed to adjudication and disposition and to be provided with care and services in accordance with this chapter and Title 62A, Chapter 4a, Child and Family Services.

(18) (a) Any preferential consideration that a relative or friend is initially granted pursuant to Subsection (9) expires 120 days from the date of the shelter hearing. After that time period has expired, a relative or friend who has not obtained custody or

asserted an interest in a child, may not be granted preferential consideration by the division or the court.

(b) When the time period described in Subsection (18)(a) has expired, the preferential consideration, which is initially granted to a natural parent in accordance with Subsection (2), is limited. After that time the court shall base its custody decision on the best interest of the child.

(c) [Prior to] Before the expiration of the 120-day period described in Subsection (18)(a), the following order of preference shall be applied when determining the [person] individual with whom a child will be placed, provided that the [person] individual is willing, and has the ability, to care for the child:

(i) a noncustodial parent of the child;

(ii) a relative of the child;

(iii) subject to Subsection (18)(d), a friend, if the friend is a licensed foster parent; and

(iv) other placements that are consistent with the requirements of law.

(d) (i) In determining whether a friend is a willing and appropriate placement for a child, neither the court, nor the division, is required to consider more than one friend designated by each parent of the child and one friend designated by the child, if the child is of sufficient maturity to articulate the child’s wishes in relation to a placement.

(ii) The court or the division may limit the number of designated friends to two, one of whom shall be a friend designated by the child, if the child is of sufficient maturity to articulate the child’s wishes in relation to a placement.

(iii) The court and the division shall give preference to a friend designated by the child, if:

(A) the child is of sufficient maturity to articulate the child’s wishes; and

(B) the basis for removing the child under Section 78A-6-306 is sexual abuse of the child.

(e) If a parent of the child or the child, if the child is of sufficient maturity to articulate the child’s wishes in relation to a placement, is not able to designate a friend who is a licensed foster parent for placement of the child, but is able to identify a friend who is willing to become licensed as a foster parent:

(i) the department shall fully cooperate to expedite the licensing process for the friend; and

(ii) if the friend becomes licensed as a foster parent within the time frame described in Subsection (18)(a), the court shall determine whether it is in the best interests of the child to place the child with the friend.

(19) If, following the shelter hearing, the child is placed with [a person] an individual who is not a parent, a relative, a friend, or a former foster parent of the child, priority shall be given to a foster placement with a man and a woman who are
married to each other, unless it is in the best interests of the child to place the child with a single foster parent.

(20) In determining the placement of a child, neither the court, nor the division, may take into account, or discriminate against, the religion of [a person] an individual with whom the child may be placed, unless the purpose of taking religion into account is to place the child with [a person] an individual or family of the same religion as the child.

(21) If the court’s decision differs from a child’s express wishes if the child is of sufficient maturity to articulate the wishes in relation to the child’s placement, the court shall make findings explaining why the court’s decision differs from the child’s wishes.

Section 3. Section 78A-6-307.5 is amended to read:

78A-6-307.5. Post-shelter hearing placement of a minor who is in division custody.

(1) If the court awards custody of a [child] minor to the division under Section 78A-6-307, or as otherwise permitted by law, the division shall determine ongoing placement of the [child] minor.

(2) In placing a [child] minor under Subsection (1), the division:

(a) except as provided in Subsections (2)(b) and (d), shall comply with the applicable background check provisions described in Section 78A-6-307;

(b) is not required to receive approval from the court [prior to] before making the placement;

(c) shall, within three days, excluding weekends and holidays, after making the placement, give written notice to the court, and [all] the parties to the proceedings, that the placement has been made;

(d) may place the [child] minor with a noncustodial parent, relative, or friend, using the same criteria established for an emergency placement under Section 62A-4a-209, pending the results of:

(i) the background check described in Subsection 78A-6-307(16)(a); and

(ii) evaluation with the noncustodial parent, relative, or friend to determine the individual’s capacity to provide ongoing care to the [child] minor and

(e) shall take into consideration the will of the [child] minor, if the [child] minor is of sufficient maturity to articulate the [child’s] minor’s wishes in relation to the [child’s] minor’s placement.

(3) If the division’s placement decision differs from a minor’s express wishes if the minor is of sufficient maturity to state the wishes in relation to the minor’s placement, the division shall make findings explaining why the division’s decision differs from the minor’s wishes in a writing provided to the court and the minor’s guardian ad litem.

Section 4. Section 78A-6-314 is amended to read:

78A-6-314. Permanency hearing -- Final plan -- Petition for termination of parental rights filed -- Hearing on termination of parental rights.

(1) (a) When reunification services have been ordered in accordance with Section 78A-6-312, with regard to a minor who is in the custody of the Division of Child and Family Services, a permanency hearing shall be held by the court no later than 12 months after the day on which the minor was initially removed from the minor’s home.

(b) If reunification services were not ordered at the dispositional hearing, a permanency hearing shall be held within 30 days after the day on which the dispositional hearing ends.

(2) (a) If reunification services were ordered by the court in accordance with Section 78A-6-312, the court shall, at the permanency hearing, determine, consistent with Subsection (3), whether the minor may safely be returned to the custody of the minor’s parent.

(b) If the court finds, by a preponderance of the evidence, that return of the minor to the minor’s parent would create a substantial risk of detriment to the minor’s physical or emotional well-being, the minor may not be returned to the custody of the minor’s parent.

(c) Prima facie evidence that return of the minor to a parent or guardian would create a substantial risk of detriment to the minor is established if:

(i) the parent or guardian fails to:

(A) participate in a court approved child and family plan;

(B) comply with a court approved child and family plan in whole or in part; or

(C) meet the goals of a court approved child and family plan; or

(ii) the [child’s] minor’s natural parent:

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the [child] minor.

(3) In making a determination under Subsection (2)(a), the court shall review and consider:

(a) the report prepared by the Division of Child and Family Services;

(b) any admissible evidence offered by the minor’s guardian ad litem;
(c) any report submitted by the division under Subsection 78A–6–315(3)(a)(i); and

(d) any evidence regarding the efforts or progress demonstrated by the parent; and

(e) the extent to which the parent cooperated and utilized the services provided.

(4) With regard to a case where reunification services were ordered by the court, if a minor is not returned to the minor's parent or guardian at the permanency hearing, the court shall, unless the time for the provision of reunification services is extended under Subsection [(6)] (7):

(a) order termination of reunification services to the parent;

(b) make a final determination regarding whether termination of parental rights, adoption, or permanent custody and guardianship is the most appropriate final plan for the minor, taking into account the minor's primary permanency plan established by the court pursuant to Section 78A–6–312; and

(c) establish a concurrent permanency plan that identifies the second most appropriate final plan for the minor, if appropriate.

(5) The court may order another planned permanent living arrangement for a minor 16 years old or older upon entering the following findings:

(a) the Division of Child and Family Services has documented intensive, ongoing, and unsuccessful efforts to reunify the minor with the minor's parent or parents, or to secure a placement for the minor with a guardian, an adoptive parent, or an individual described in Subsection 78A–6–306(6)(e);

(b) the Division of Child and Family Services has demonstrated that the division has made efforts to normalize the life of the minor while in the division's custody, in accordance with Sections 62A–4a–210 through 62A–4a–212;

(c) the minor prefers another planned permanent living arrangement; and

(d) there is a compelling reason why reunification or a placement described in Subsection (5)(a) is not in the minor's best interest.

(6) Except as provided in Subsection (7), the court may not extend reunification services beyond 12 months after the day on which the minor was initially removed from the minor's home, in accordance with the provisions of Section 78A–6–312.

(7) (a) Subject to Subsection (7)(b), the court may extend reunification services for no more than 90 days if the court finds, beyond a preponderance of the evidence, that:

(i) there has been substantial compliance with the child and family plan;

(ii) reunification is probable within that 90–day period; and

(iii) the extension is in the best interest of the minor.

(b) (i) Except as provided in Subsection (7)(c), the court may not extend any reunification services beyond 15 months after the day on which the minor was initially removed from the minor's home.

(ii) Delay or failure of a parent to establish paternity or seek custody does not provide a basis for the court to extend services for that parent beyond the 12-month period described in Subsection (6).

(c) In accordance with Subsection (7)(d), the court may extend reunification services for one additional 90-day period, beyond the 90-day period described in Subsection (7)(a), if:

(i) the court finds, by clear and convincing evidence, that:

(A) the parent has substantially complied with the child and family plan;

(B) it is likely that reunification will occur within the additional 90–day period; and

(C) the extension is in the best interest of the minor;

(ii) the court specifies the facts upon which the findings described in Subsection (7)(c)(i) are based; and

(iii) the court specifies the time period in which it is likely that reunification will occur.

(d) A court may not extend the time period for reunification services without complying with the requirements of this Subsection (7) before the extension.

(e) In determining whether to extend reunification services for a minor, a court shall take into consideration the status of the minor siblings of the minor.

(8) The court may, in its discretion:

(a) enter any additional order that it determines to be in the best interest of the minor, so long as that order does not conflict with the requirements and provisions of Subsections (4) through (7); or

(b) order the division to provide protective supervision or other services to a minor and the minor's family after the division's custody of a minor has been terminated.

(9) (a) If the final plan for the minor is to proceed toward termination of parental rights, the petition for termination of parental rights shall be filed, and a pretrial held, within 45 calendar days after the permanency hearing.

(b) If the division opposes the plan to terminate parental rights, the court may not require the division to file a petition for the termination of parental rights, except as required under Subsection 78A–6–316(2).

(10) (a) Any party to an action may, at any time, petition the court for an expedited permanency hearing on the basis that continuation of
reunification efforts are inconsistent with the permanency needs of the minor.

(b) If the court so determines, it shall order, in accordance with federal law, that:

(i) the minor be placed in accordance with the permanency plan; and

(ii) whatever steps are necessary to finalize the permanent placement of the minor be completed as quickly as possible.

(11) Nothing in this section may be construed to:

(a) entitle any parent to reunification services for any specified period of time;

(b) limit a court’s ability to terminate reunification services at any time [prior to] before a permanency hearing; or

(c) limit or prohibit the filing of a petition for termination of parental rights by any party, or a hearing on termination of parental rights, at any time prior to a permanency hearing.

(12) (a) Subject to Subsection (12)(b), if a petition for termination of parental rights is filed prior to the date scheduled for a permanency hearing, the court may consolidate the hearing on termination of parental rights with the permanency hearing.

(b) For purposes of Subsection (12)(a), if the court consolidates the hearing on termination of parental rights with the permanency hearing:

(i) the court shall first make a finding regarding whether reasonable efforts have been made by the Division of Child and Family Services to finalize the permanency plan for the minor; and

(ii) any reunification services shall be terminated in accordance with the time lines described in Section 78A–6–312.

(c) A decision on a petition for termination of parental rights shall be made within 18 months from the day on which the minor is removed from the minor’s home.

(13) If a court determines that a [child] minor will not be returned to a parent of the [child] minor, the court shall consider appropriate placement options inside and outside of the state.

(14) (a) If a minor 14 years of age or older desires an opportunity to address the court or testify regarding permanency or placement, the court shall give the minor’s wishes added weight, but may not treat the minor’s wishes as the single controlling factor under this section.

(b) If the court’s decision under this section differs from a minor’s express wishes if the minor is of sufficient maturity to articulate the wishes in relation to permanency or the minor’s placement, the court shall make findings explaining why the court’s decision differs from the minor’s wishes.

Section 1. Section 41-6a-520 is amended to read:

41-6a-520. Implied consent to chemical tests for alcohol or drug -- Number of tests -- Refusal -- Warning, report.
(1) (a) A person operating a motor vehicle in this state is considered to have given the person's consent to a chemical test or tests of the person's breath, blood, urine, or oral fluids for the purpose of determining whether the person was operating or in actual physical control of a motor vehicle while:

   (iii) having any measurable controlled substance or metabolite of a controlled substance in the person's body in violation of Section 41-6a-517.
(b) A test or tests authorized under this Subsection (1) must be administered at the direction of a peace officer having grounds to believe that person to have been operating or in actual physical control of a motor vehicle while in violation of any provision under Subsections (1)(a)(i) through (iii).
   (c) (i) The peace officer determines which of the tests are administered and how many of them are administered.
   (ii) If a peace officer requests more than one test, refusal by a person to take one or more requested tests, even though the person does submit to any other requested test or tests, is a refusal under this section.
   (d) (i) A person who has been requested under this section to submit to a chemical test or tests of the person's breath, blood, or urine, or oral fluids may not select the test or tests to be administered.
   (ii) The failure or inability of a peace officer to arrange for any specific chemical test is not a defense to taking a test requested by a peace officer, and it is not a defense in any criminal, civil, or administrative proceeding resulting from a person's refusal to submit to the requested test or tests.
(2) (a) A peace officer requesting a test or tests shall warn a person that refusal to submit to the test or tests may result in revocation of the person's license to operate a motor vehicle, a five or 10 year prohibition of driving with any measurable or detectable amount of alcohol in the person's body depending on the person's prior driving history, and a three-year prohibition of driving without an ignition interlock device if the person:

[(e) A citation issued by a peace officer may, if provided in a manner specified by the Driver License Division, also serve as the temporary license certificate.]

[(a)(e) As a matter of procedure, the peace officer shall submit a signed report, within 10 calendar days after the day on which notice is provided under Subsection (2)(b), that:

(i) the peace officer had grounds to believe the arrested person was in violation of any provision under Subsections (1)(a)(i) through (iii); and

(ii) the person had refused to submit to a chemical test or tests under Subsection (1).

(3) Upon the request of the person who was tested, the results of the test or tests shall be made available to the person.

(4) (a) The person to be tested may, at the person's own expense, have a physician of the person's own choice administer a chemical test in addition to the test or tests administered at the direction of a peace officer.

(b) The failure or inability to obtain the additional test does not affect admissibility of the results of the test or tests taken at the direction of a peace officer, or preclude or delay the test or tests to be taken at the direction of a peace officer.

(c) The additional test shall be subsequent to the test or tests administered at the direction of a peace officer.

(5) For the purpose of determining whether to submit to a chemical test or tests, the person to be tested does not have the right to consult an attorney or have an attorney, physician, or other person present as a condition for the taking of any test.

(c) Upon request in a manner specified by the Driver License Division, the Driver License Division shall grant to the person an opportunity to be heard within 29 days after the date of arrest.

(d) If the person does not make a request for a hearing before the Driver License Division under this Subsection (1), the person's privilege to operate a motor vehicle in the state is revoked beginning on the 45th day after the date of arrest:

(i) for a person 21 years of age or older on the date of arrest, for a period of:
