(b) the foreign court did not have personal jurisdiction over the defendant; or

(c) the foreign court did not have jurisdiction over the subject matter.

(ii) “Drug” does not mean a “biological product” as defined in Section 58-17b-605.5.

(b) “Drug product equivalent” means:

(i) a drug product that is designated as the therapeutic equivalent of another drug product in the Approved Drug Products with Therapeutic Equivalence Evaluations prepared by the Center for Drug Evaluation and Research of the United States Food and Drug Administration; and

(ii) notwithstanding Subsection (1)(b)(i), an appropriate substitute for albuterol designated by division rule made under Subsection (9).

(2) A pharmacist or pharmacy intern dispensing a prescription order for a specific drug by brand or proprietary name may substitute a drug product equivalent for the prescribed drug only if:

(a) the purchaser specifically requests or consents to the substitution of a drug product equivalent;

(b) the drug product equivalent is of the same generic type and is designated the therapeutic equivalent in the approved drug products with therapeutic equivalence evaluations prepared by the Center for Drug Evaluation and Research of the Federal Food and Drug Administration;

(c) the drug product equivalent is permitted to move in interstate commerce;

(d) the pharmacist or pharmacy intern counsels the patient on the use and the expected response to the prescribed drug, whether a substitute or not, and the substitution is not otherwise prohibited by this chapter;

(e) the prescribing practitioner has not indicated that a drug product equivalent may not be substituted for the drug, as provided in Subsection (6); and

(f) the substitution is not otherwise prohibited by law.

(3) (a) Each out-of-state mail service pharmacy dispensing a drug product equivalent as a substitute for another drug into this state shall notify the patient of the substitution either by telephone or in writing.

(b) Each out-of-state mail service pharmacy shall comply with the requirements of this chapter with respect to a drug product equivalent substituted for another drug, including labeling and record keeping.

(4) Pharmacists or pharmacy interns may not substitute without the prescriber's authorization on trade name drug product prescriptions unless the product is currently categorized in the approved drug products with therapeutic equivalence evaluations prepared by the Center for Drug Evaluation and Research of the Federal Food and Drug Administration as a drug product considered to be therapeutically equivalent to another drug product.

(5) A pharmacist or pharmacy intern who dispenses a prescription with a drug product
equivalent under this section assumes no greater liability than would be incurred had the pharmacist or pharmacy intern dispensed the prescription with the drug product prescribed.

6 (a) If, in the opinion of the prescribing practitioner, it is in the best interest of the patient that a drug product equivalent not be substituted for a prescribed drug, the practitioner may indicate a prohibition on substitution either by writing “dispense as written” or signing in the appropriate space where two lines have been preprinted on a prescription order and captioned “dispense as written” or “substitution permitted”.

(b) If the prescription is communicated orally by the prescribing practitioner to the pharmacist or pharmacy intern, the practitioner shall indicate the prohibition on substitution and that indication shall be noted in writing by the pharmacist or pharmacy intern with the name of the practitioner and the words “orally by” and the initials of the pharmacist or pharmacy intern written after it.

7 A pharmacist or pharmacy intern who substitutes a drug product equivalent for a prescribed drug shall communicate the substitution to the purchaser. The drug product equivalent container shall be labeled with the name of the drug dispensed, and the pharmacist, pharmacy intern, or pharmacy technician shall indicate on the file copy of the prescription both the name of the prescribed drug and the name of the drug product equivalent dispensed in its place.

8 (a) For purposes of this Subsection (8), “substitutes” means to substitute:

(i) a generic drug for another generic drug;

(ii) a generic drug for a nongeneric drug;

(iii) a nongeneric drug for another nongeneric drug; or

(iv) a nongeneric drug for a generic drug.

(b) A prescribing practitioner who makes a finding under Subsection (6)(a) for a patient with a seizure disorder shall indicate a prohibition on substitution of a drug product equivalent in the manner provided in Subsection (6)(a) or (b).

(c) Except as provided in Subsection (8)(d), a pharmacist or pharmacy intern who cannot dispense the prescribed drug as written, and who needs to substitute a drug product equivalent for the drug prescribed to the patient to treat or prevent seizures shall notify the prescribing practitioner prior to the substitution.

(d) Notification under Subsection (8)(c) is not required if the drug product equivalent is paid for in whole or in part by Medicaid.

9 (a) The division shall designate by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and in consultation with the board, the Physicians Licensing Board created in Section 58–67–201, and the Osteopathic Physician and Surgeon's Licensing Board created in Section 58–68–201, appropriate substitutes for albuterol.

(b) Subsections (2)(b) and (4) do not apply to the substitution of a drug product equivalent for albuterol.

10 Failure of a licensed medical practitioner to specify that no substitution is authorized does not constitute evidence of negligence.

Section 7. Section 58-17b-608 is repealed and reenacted to read:

1 If a prescription may not be refilled otherwise, a pharmacist or pharmacy intern may refill the prescription in an emergency without the prescribing practitioner’s authorization if:

2 If the prescription for a drug dispensed under Subsection (1) is on file with the pharmacy where the drug is dispensed, the pharmacist or pharmacy intern may dispense more than a three-day supply only if:

(a) (i) the prescription has expired within the past 30 days; or

(ii) no refills are remaining on the prescription; and

(b) the amount dispensed does not exceed the lesser of:

(i) a 30-day supply; or

the action initiated under Subsection (4)(i)(i)(B)(I).

(ii) In issuing a final order for a second or
subsequent offense under Subsection (4)(i)(i), the
division shall comply with the requirements of this
section.

(j) In addition to any other licensure sanction or
fine imposed under this section, the division shall
revoke the license of a licensee that violates
Subsection 58-55-501(24) or (25) two or more times
within a 12-month period, unless, with respect to a
violation of Subsection 58-55-501(24), the licensee
can demonstrate that the licensee successfully
verified the federal legal working status of the
individual who was the subject of the violation
using a status verification system, as defined in
Section 13-47-102.

(k) For purposes of this Subsection (4), a violation
of Subsection 58-55-501(24) or (25) for each
individual is considered a separate violation.

(5) If a person violates Section 58-55-501, the
division may not treat the violation as a subsequent
violation of a previous violation if the violation
occurs five years or more after the day on which the
person committed the previous violation.

(6) If, after an investigation, the division
determines that a person has committed multiple of
the same type of violation of Section 58-55-501, the
division may treat each violation as a separate
violation of Section 58-55-501 and apply a penalty
under this section to each violation.

(7) (a) A penalty imposed by the director under
Subsection (4)(h) shall be deposited into the
Commerce Service Account created by Section
13-1-2.

(b) A penalty that is not paid may be collected by
the director by either referring the matter to a
collection agency or bringing an action in the
district court of the county in which the person
against whom the penalty is imposed resides or in
the county where the office of the director is located.
(c) A county attorney or the attorney general of the state shall provide legal assistance and advice to the director in an action to collect a penalty.

(d) In an action brought to collect a penalty, the court shall award reasonable attorney fees and costs to the prevailing party.

(vi) actions;

(vii) debts;

(viii) liabilities;

(ix) obligations; or

(c) The name of a segment shall:

(i) contain the name of the segment’s associated entity; and

(ii) be distinguishable from the name of any other segment established by the associated entity.

(2) Notwithstanding any other provision of law, the debts, liabilities, and obligations incurred, contracted for, arising out of the conduct of or otherwise existing with respect to a particular segment are only enforceable or chargeable against the assets of that segment, and not against the assets of the segment’s associated entity generally or any other segment established by the segment’s associated entity if:

(e) a notice of limitation on liabilities of the segment is recorded in accordance with Section 11–13–605.

(3) Except as otherwise provided in the segment’s organizing resolution, a segment that satisfies the conditions described in Subsections (2)(a) through (e):

(a) is treated as a separate interlocal entity; and

(b) may:

(i) in its own name, contract, hold title to property, grant liens and security interests, and sue and be sued;

(ii) exercise all or any part of the powers, privileges, rights, authority, and capacity of the segment’s associated entity; and

(iii) engage in any action in which the segment’s associated entity may engage.
(4) Except as otherwise provided in the organization agreement of the segment’s associated entity or in the segment’s organizing resolution, a segment is governed by the organization agreement of the segment’s associated entity.

(5) Subject to Subsection (4), a segment’s organizing resolution:

(a) may address any matter relating to the segment, including the segment’s governance or operation, to the extent that the organization agreement of a segment’s associated entity does not address the matter; and

(b) to the extent not addressed in the organization agreement of the segment’s associated entity, shall address the following matters:

(7) A segment may not:

(a) transfer the segment’s property or other assets to the segment’s associated entity or to another segment established by the segment’s associated entity if the transfer impairs the ability of the segment to pay the segment’s debts that exist at the time of the transfer, unless the segment’s associated entity or the other segment gives fair value for the property or asset; or

(b) assign a tax or other liability imposed against the segment to the segment’s associated entity or to another segment established by the segment’s associated entity if the assignment impairs a creditor’s ability to collect the amount due when owed.

(8) If a segment and a segment’s associated entity or another segment established by the segment’s associated entity are involved in a joint action or have a common interest in a facility, the segment’s or the segment’s associated entity’s maintenance of records and accounts related to the joint action or common interest does not constitute a violation of Subsection (2)(b) or (c).

(9) Except as otherwise provided in this part or where clearly not applicable, the provisions of law that apply to a segment’s associated entity also apply to the segment, including Subsection 11–13–205(5), as if the segment were a separate legal or administrative entity.

(10) (a) To the extent an associated entity is a taxpayer as defined in Section 59–8–103, the associated entity shall pay tax on the associated entity’s gross receipts at the rate of tax that would apply if all gross receipts of the associated entity and the associated entity’s segments, in the aggregate, were the gross receipts of a single taxpayer.

(b) Each segment of an associated entity that is a taxpayer as defined in Section 59–8–103 shall pay tax on the segment’s gross receipts each period described in Subsection 59–8–105(1) at the same rate of tax as the rate of tax paid by the segment’s associated entity for the same period.

(c) Notwithstanding Subsections (10)(a) and (b):

(i) an associated entity is not liable for the tax imposed on a segment; and

(ii) a segment of an associated entity is not liable for the tax imposed on the segment’s associated entity or on another segment of the segment’s associated entity.

(2) The notice under Subsection (1):

(ii) notify the unit owner of the owner's right to demand judicial foreclosure in the place of nonjudicial foreclosure;

(iii) be in substantially the following form:

"NOTICE OF NONJUDICIAL FORECLOSURE AND RIGHT TO DEMAND JUDICIAL FORECLOSURE"

The (insert the name of the association of unit owners), the association for the project in which your unit is located, intends to foreclose upon your unit and allocated interest in the common areas and facilities for delinquent assessments using a procedure that will not require it to file a lawsuit or involve a court. This procedure is governed by Utah Code, Sections 57-8-46 and 57-8-47, and is being followed in order to enforce the association's lien against your unit and to collect the amount of an unpaid assessment against your unit, together with any applicable late fees and the costs, including attorney fees, associated with the foreclosure proceeding. This procedure cannot and will not be used to foreclose upon your unit for delinquent fines for a violation of the association of unit owners' governing documents. Alternatively, you have the right to demand that a foreclosure of your property for delinquent assessments be conducted in a lawsuit with the oversight of a judge. If you make this demand, the association of unit owners may also include a claim for delinquent fines for a violation of the association of unit owners' governing documents. Additionally, if you make this demand and the association prevails in the lawsuit, the costs and attorney fees associated with the lawsuit will likely be significantly higher than if a lawsuit were not required, and you may be responsible for paying those costs and attorney fees. If you want to make this demand, you must state in writing that 'I demand a judicial foreclosure proceeding upon my unit,' or words substantially to that effect. You must send this written demand by first class and certified U.S. mail, return receipt requested, within [15] 30 days after the [date of the postmark on the envelope in which] day on which this notice was delivered; and

(iv) be sent to the unit owner by certified mail, return receipt requested; and

(b) may be included with other association correspondence to the unit owner.

(3) An association of unit owners may not use a nonjudicial foreclosure to enforce a lien if:

(a) the association of unit owners fails to provide notice in accordance with Subsection (1);

(b) the unit owner mails the association of unit owners a written demand for judicial foreclosure:

(i) by U.S. mail, certified with a return receipt requested;

(ii) to the address stated in the association of unit owners' notice under Subsection (1); and

(iii) within [15] 30 days after the [date of the postmark on the envelope of] day on which the return receipt described in Subsection (2)(a)(iv) shows the association of unit owners' notice under Subsection (1)(c) is delivered;

(c) the lien includes a fine described in Subsection 57-8-44(1)(a)(iii); or

(d) unless the lien is on a time share estate as defined in Section 57-19-2, the lien does not include an assessment described in Subsection 57-8-44(1)(a)(i) that is delinquent more than 180 days after the day on which the assessment is due.

(i) an officer intentionally or, with reckless disregard of a requirement of Section 77-7a-104, failed to comply with a requirement of Section 77-7a-104; and

(ii) the officer’s failure to comply with the requirement of Section 77-7a-104 is reasonably likely to affect the outcome of the defendant’s trial.

(v) other considerations the court determines are relevant to ensure just adjudication and due process.

(c) If a court includes an adverse inference instruction, the prosecutor shall, after the conclusion of the trial, send written notice of the instruction to the law enforcement agency that employed the officer described in Subsection (2)(a)(i) at the time of the offense, including:
