(f) A claimant may:

(i) attend a hearing held under this Subsection (7); and

(g) A determination under this section is limited to a determination of the amount claimed under a preconstruction or construction lien for the sole purpose of providing alternate security and does not conclusively establish:

(i) the amount to which the claimant is entitled;

(iii) any person's right to any other legal remedy.

(h) If a court, in a proceeding under this Subsection (7), determines that the amount claimed under a preconstruction or construction lien is excessive, the court shall set the amount for the sole purpose of providing alternate security.

(5) A violation of this chapter for which no penalty is specified is a class B misdemeanor.

(6) (a) For purposes of penalty enhancement under Subsections (1) and (2), a plea of guilty or no contest to a violation or attempted violation of this section or a plea which is held in abeyance under Title 77, Chapter 2a, Pleas in Abeyance, is the
equivalent of a conviction, even if the charge has been subsequently reduced or dismissed in accordance with the plea in abeyance agreement.

(b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a conviction that is:

(i) from a separate criminal episode than the current charge; and

(ii) from a conviction that is separate from any other conviction used to enhance the current charge.

(7) A person may be charged and sentenced for a violation of this section, notwithstanding a charge and sentence for a violation of any other section of this chapter.

(8) (a) A penalty imposed for violation of this section is in addition to, and not in lieu of, a civil or administrative penalty or sanction authorized by law.

(b) When a violation of this chapter violates a federal law or the law of another state, conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(9) In any prosecution for a violation of this chapter, evidence or proof that shows a person or persons produced, manufactured, possessed, distributed, or dispensed a controlled substance or substances, is prima facie evidence that the person or persons did so with knowledge of the character of the substance or substances.

(10) This section does not prohibit a veterinarian, in good faith and in the course of the veterinarian’s professional practice only and not for humans, from prescribing, dispensing, or administering controlled substances or from causing the substances to be administered by an assistant or orderly under the veterinarian’s direction and supervision.

(11) Civil or criminal liability may not be imposed under this section on:

(a) a person registered under this chapter who manufactures, distributes, or possesses an imitation controlled substance for use as a placebo or investigational new drug by a registered practitioner in the ordinary course of professional practice or research; or

(b) a law enforcement officer acting in the course and legitimate scope of the officer’s employment.

(12) (a) Civil or criminal liability may not be imposed under this section on any Indian, as defined in Section 58–37–2, who uses, possesses, or transports peyote for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(b) In a prosecution alleging violation of this section regarding peyote as defined in Section 58–37–4, it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days before trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a controlled substance listed in Section 58–37–4.2 if the person was:

(i) engaged in medical research; and

(ii) a holder of a valid license to possess controlled substances under Section 58–37–6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58–37–4.2.

(14) It is an affirmative defense that the person possessed, in the person’s body, a controlled substance listed in Section 58–37–4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58–37–6; and

(b) the substance was administered to the person by the medical researcher.

(15) The application of any increase in penalty under this section to a violation of Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This Subsection (15) takes precedence over any conflicting provision of this section.

(16) (a) It is an affirmative defense to an allegation of the commission of an offense listed in Subsection (16)(b) that the person:

(i) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(ii) reports in good faith the overdose event to a medical provider, an emergency medical service provider as defined in Section 26–8a–102, a law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the person is the subject of a report made under this Subsection (16);

(iii) provides in the report under Subsection (16)(a)(ii) a functional description of the actual location of the overdose event that facilitates responding to the person experiencing the overdose event;
(iv) remains at the location of the person experiencing the overdose event until a responding law enforcement officer or emergency medical service provider arrives, or remains at the medical care facility where the person experiencing an overdose event is located until a responding law enforcement officer arrives;

(v) cooperates with the responding medical provider, emergency medical service provider, and law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person’s body; and

(vi) is alleged to have committed the offense in the same course of events from which the reported overdose arose.

(b) The offenses referred to in Subsection (16)(a) are:

(i) the possession or use of less than 16 ounces of marijuana;

(ii) the possession or use of a scheduled or listed controlled substance other than marijuana; and

(iii) any violation of Chapter 37a, Utah Drug Paraphernalia Act, or Chapter 37b, Imitation Controlled Substances Act.

(c) As used in this Subsection (16) and in Section 76-3-203.11, “good faith” does not include seeking medical assistance under this section during the course of a law enforcement agency’s execution of a search warrant, execution of an arrest warrant, or other lawful search.

(17) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

(18) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

(19) If a minor who is under 18 years of age is found by a court to have violated this section, the court may order the minor to complete:

(a) a screening as defined in Section 41-6a-501;

(b) an assessment as defined in Section 41-6a-501 if the screening indicates an assessment to be appropriate; and

(c) Within 30 days of receipt of an applicant’s request under this section, the municipality shall either:

(i) for any injury sustained by the insured while occupying another motor vehicle owned by or furnished for the regular use of the insured or a resident family member of the insured and not insured under the policy;

(ii) for any injury sustained by any person while operating the insured motor vehicle without the express or implied consent of the insured or while not in lawful possession of the insured motor vehicle;

(iii) to any injured person, if the person's conduct contributed to the person's injury:

(5) (a) Payment of the benefits provided for in Section 31A–22–307 shall be made on a monthly basis as expenses are incurred.

supported by reasonable proof is overdue if not paid within 30 days after that proof is received by the insurer. Any part or all of the remainder of the claim that is later supported by reasonable proof is also overdue if not paid within 30 days after the proof is received by the insurer.

(d) The person entitled to the benefits may bring an action in contract to recover the expenses plus the applicable interest. If the insurer is required by the action to pay any overdue benefits and interest, the insurer is also required to pay a reasonable attorney’s fee to the claimant.

(6) (a) Except as provided in Subsection (6)(b), every policy providing personal injury protection coverage is subject to the following:

(i) that where the insured under the policy is or would be held legally liable for the personal injuries sustained by any person to whom benefits required under personal injury protection have been paid by another insurer, the insurer of the person who would be held legally liable shall reimburse the other insurer for the payment, but not in excess of the amount of damages recoverable; and

(ii) that the issue of liability for that reimbursement and its amount shall be decided by mandatory, binding arbitration between the insurers.

(b) There shall be no right of reimbursement between insurers under Subsection (6)(a) if the insurer of the person who would be held legally liable for the personal injuries sustained has tendered its policy limit.

(d) (i) If the violation is of Subsection (4)(a)(ix):

(b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a conviction that is:
(i) from a separate criminal episode than the current charge; and
(ii) from a conviction that is separate from any other conviction used to enhance the current charge.

(7) A person may be charged and sentenced for a violation of this section, notwithstanding a charge and sentence for a violation of any other section of this chapter.

(8) (a) A penalty imposed for violation of this section is in addition to, and not in lieu of, a civil or administrative penalty or sanction authorized by law.

(b) When a violation of this chapter violates a federal law or the law of another state, conviction or acquittal under federal law or the law of another state for the same act is a bar to prosecution in this state.

(9) In any prosecution for a violation of this chapter, evidence or proof that shows a person or persons produced, manufactured, possessed, distributed, or dispensed a controlled substance or substances, is prima facie evidence that the person or persons did so with knowledge of the character of the substance or substances.

(b) a law enforcement officer acting in the course and legitimate scope of the officer’s employment.

(12) (a) Civil or criminal liability may not be imposed under this section on any Indian, as defined in Section 58–37–2, who uses, possesses, or transports peyote for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion as defined in Section 58–37–2.

(b) In a prosecution alleging violation of this section regarding peyote as defined in Section 58–37–4, it is an affirmative defense that the peyote was used, possessed, or transported by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a traditional Indian religion.

(c) (i) The defendant shall provide written notice of intent to claim an affirmative defense under this Subsection (12) as soon as practicable, but not later than 10 days before trial.

(ii) The notice shall include the specific claims of the affirmative defense.

(iii) The court may waive the notice requirement in the interest of justice for good cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

(d) The defendant shall establish the affirmative defense under this Subsection (12) by a preponderance of the evidence. If the defense is established, it is a complete defense to the charges.

(13) (a) It is an affirmative defense that the person produced, possessed, or administered a controlled substance listed in Section 58–37–4.2 if the person was:

(i) engaged in medical research; and

(ii) a holder of a valid license to possess controlled substances under Section 58–37–6.

(b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed a controlled substance listed in Section 58–37–4.2.

(14) It is an affirmative defense that the person possessed, in the person’s body, a controlled substance listed in Section 58–37–4.2 if:

(a) the person was the subject of medical research conducted by a holder of a valid license to possess controlled substances under Section 58–37–6; and

(b) the substance was administered to the person by the medical researcher.

(15) The application of any increase in penalty under this section to a violation of Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This Subsection (15) takes precedence over any conflicting provision of this section.

(16) (a) It is an affirmative defense to an allegation of the commission of an offense listed in Subsection (16)(b) that the person or bystander:

(i) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(ii) reports, or assists a person who reports, in good faith the overdose event to a medical provider, an emergency medical service provider as defined in Section 26–8a–102, a law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the person is the subject of a report made under this Subsection (16);

(iii) provides in the report under Subsection (16)(a)(ii) a functional description of the actual location of the overdose event that facilitates responding to the person experiencing the overdose event;

(iv) remains at the location of the person experiencing the overdose event until a responding law enforcement officer or emergency medical
service provider arrives, or remains at the medical care facility where the person experiencing an overdose event is located until a responding law enforcement officer arrives;

(v) cooperates with the responding medical provider, emergency medical service provider, and law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person’s body; and

(vi) is alleged to have committed the offense in the same course of events from which the reported overdose arose.

(b) The offenses referred to in Subsection (16)(a) are:

(i) the possession or use of less than 16 ounces of marijuana;

(ii) the possession or use of a scheduled or listed controlled substance other than marijuana; and

(iii) any violation of Chapter 37a, Utah Drug Paraphernalia Act, or Chapter 37b, Imitation Controlled Substances Act.

(c) As used in this Subsection (16) and in Section 76-3-203.11, “good faith” does not include seeking medical assistance under this section during the course of a law enforcement agency’s execution of a search warrant, execution of an arrest warrant, or other lawful search.

(17) If any provision of this chapter, or the application of any provision to any person or circumstances, is held invalid, the remainder of this chapter shall be given effect without the invalid provision or application.

(18) A legislative body of a political subdivision may not enact an ordinance that is less restrictive than any provision of this chapter.

(19) If a minor who is under 18 years of age is found by a court to have violated this section, the court may order the minor to complete:

(a) a screening as defined in Section 41-6a-501;

(b) an assessment as defined in Section 41-6a-501 if the screening indicates an assessment to be appropriate; and

(c) an educational series as defined in Section 41-6a-501 or substance use disorder treatment as indicated by an assessment.

Section 2. Section 76-3-203.11 is amended to read:

76-3-203.11. Reporting an overdose -- Mitigating factor.

It is a mitigating factor in sentencing for an offense under Title 58, Chapter 37, Utah Controlled Substances Act, that the person or bystander:

(1) reasonably believes that the person or another person is experiencing an overdose event due to the ingestion, injection, inhalation, or other introduction into the human body of a controlled substance or other substance;

(2) reports, or assists a person who reports, in good faith the overdose event to a medical provider, an emergency medical service provider as defined in Section 26-8a-102, a law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the person is the subject of a report made under this section;

(3) provides in the report under Subsection (2) a functional description of the location of the actual overdose event that facilitates responding to the person experiencing the overdose event;

(4) remains at the location of the person experiencing the overdose event until a responding law enforcement officer or emergency medical service provider arrives, or remains at the medical care facility where the person experiencing an overdose event is located until a responding law enforcement officer arrives;

(5) cooperates with the responding medical provider, emergency medical service provider, and law enforcement officer, including providing information regarding the person experiencing the overdose event and any substances the person may have injected, inhaled, or otherwise introduced into the person’s body; and

(6) committed the offense in the same course of events from which the reported overdose arose.

(2) When the court holds a plea in abeyance in accordance with Subsection (1)(e), the case against a perpetrator of domestic violence may be dismissed only if the perpetrator successfully completes all conditions imposed by the court. If the defendant fails to complete any condition imposed by the court under Subsection (1)(e), the court may accept the defendant’s plea.

(f) In a pretrial protective order the court shall determine whether to allow provisions for transfer of personal property to decrease the need for contact between the parties.

(3) When a defendant is charged with a crime involving a qualifying offense, as defined in Section 78B-7-801, the court may, during any court hearing where the defendant is present, issue a pretrial protective order in accordance with Section 78B-7-803.

(i) When a court dismisses criminal charges or a prosecutor moves to dismiss charges against a defendant accused of a domestic violence offense,
the specific reasons for dismissal shall be recorded in the court file and made a part of any related order or agreement on the statewide domestic violence network described in Section 78B-7-113.

[(b) If a perpetrator is convicted of a domestic violence offense resulting in a sentence of imprisonment, including jail, that is to be served after conviction, the court shall issue a continuous protective order at the time of the conviction or sentencing limiting the contact between the perpetrator and the victim unless the court determines by clear and convincing evidence that the victim does not have a reasonable fear of future harm or abuse.]

[(h) In addition to the process of issuing a continuous protective order described in Subsection (6)(a), a district court may issue a continuous protective order at any time if the victim files a petition with the district court, and after notice and hearing the district court finds that a continuous protective order is necessary to protect the victim.]

AMENDS:
31A-22-305, as last amended by Laws of Utah 2019, Chapter 131
31A-22-305.3, as last amended by Laws of Utah 2018, Chapter 434

Be it enacted by the Legislature of the state of Utah:
Section 1. Section 31A-22-305 is amended to read:

31A-22-305. Uninsured motorist coverage.
(1) As used in this section, “covered persons” includes:
   (a) the named insured;
   (b) for a claim arising on or after May 13, 2014, the named insured’s dependent minor children;
   (c) persons related to the named insured by blood, marriage, adoption, or guardianship, who are residents of the named insured’s household, including those who usually make their home in the same household but temporarily live elsewhere;
   (d) any person occupying or using a motor vehicle:
      (i) referred to in the policy; or
      (ii) owned by a self-insured; and
   (e) any person who is entitled to recover damages against the owner or operator of the uninsured or underinsured motor vehicle because of bodily injury to or death of persons under Subsection (1)(a), (b), (c), or (d).
(2) As used in this section, “uninsured motor vehicle” includes:
   (a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or
   (ii) (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and
       (B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of the deficiency;
   (b) an unidentified motor vehicle that left the scene of an accident proximately caused by the motor vehicle operator;
   (c) a motor vehicle covered by a liability policy, but coverage for an accident is disputed by the liability insurer for more than 60 days or continues to be disputed for more than 60 days; or
   (d) (i) an insured motor vehicle if, before or after the accident, the liability insurer of the motor vehicle is declared insolvent by a court of competent jurisdiction; and
       (ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent that the claim against the insolvent insurer is not paid by a guaranty association or fund.
(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.
(4) (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:
   (i) is filed with the department;
   (ii) is provided by the insurer;
   (iii) waives the higher coverage;
   (iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and
   (v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum uninsured motorist coverage limits.
available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), “new policy” means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (4)(e), “additional motor vehicle” means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).
(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that insurer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least $25,000 per person and $500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by the workers' compensation insurance carrier;

(iii) may not be reduced by any benefits provided by workers' compensation insurance;

(iv) may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(A) for a person under 18 years of age who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b)(ii).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a), (b), and (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in a policy that includes uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and
(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person's resident parent; or

(III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, “interpolicy stacking” means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(b)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.
(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;
(ii) whether the policy extends coverage to the loss; or
(iii) any allegations or claims asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means;
(ii) either party, within 20 days after service of the arbitration award:
   (A) files a complaint requesting a trial de novo in the district court; and
   (B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party’s costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party’s costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and
(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed $2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party’s verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or
(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that the moving party’s use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:
   (A) subject to Subsection (10)(l), the specific monetary amount of the demand, including a computation of the covered person’s claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and
   (B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:
   (A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and
   (II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);
uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children’s Health Insurance Program benefits under Title 26, Chapter 40, Utah Children’s Health Insurance Act, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(iii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier’s determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children’s Health Insurance Program benefits under Title 26, Chapter 40, Utah Children’s Health Insurance Act, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier’s determination of the amount owed to the covered person less:

(I) if the amount of state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a), (b), and (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment
made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person’s initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier’s initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than $15,000, the amount shall be reduced to an amount equal to the policy limits plus $15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) the arbitrator or arbitration panel’s fee; and

(C) the reasonable costs of expert witnesses and depositions used in the presentation of evidence during arbitration or litigation.

(h) (i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii) (A) Objection to the affidavit of costs shall specify with particularity the costs to which the uninsured motor carrier objects.

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed $5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) The written demand requirement in Subsection (10)(a)(ii)(A) does not affect the covered person’s requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to Subsections (10)(a)(ii)(A)(II) and (B)(II) apply to any claim submitted to binding arbitration or through litigation on or after May 13, 2014.

Section 2. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) “Covered person” has the same meaning as defined in Section 31A-22-305.

(b) “Underinsured motor vehicle” includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term “underinsured motor vehicle” does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2);

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured’s spouse; or

(III) a dependent of a named insured.

(ii) The term “underinsured motor vehicle” does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2);

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured’s spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an
underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person’s spouse, or covered person’s resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For purposes of this Subsection (3), “new policy” means:

(i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured’s motor vehicle liability coverage.

(b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available to the insurer under the named insured’s motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(d) (i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(e) (i) As used in this Subsection (3)(e), “additional motor vehicle” means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured’s motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(a)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(a):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity’s coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) $10,000 for one person in any one accident; and
(ii) at least $20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured’s underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(b)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured’s motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured’s motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured’s motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) A covered person injured as a pedestrian by an underinsured motor vehicle may recover underinsured motorist benefits under any one other policy in which they are described as a covered person.

(ii) Except as provided in Subsection (4)(b)(i)(iii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person’s spouse, or the covered person’s resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(iii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent’s household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person’s resident parent, or the covered person’s resident sibling.

(B) Each parent’s policy under this Subsection (4)(b)(i)(iii) is liable only for the percentage of the damages that the limit of liability of each parent’s policy of underinsured motorist coverage bears to the total of both parents’ underinsured coverage applicable to the accident.

(iv) A covered person’s recovery under any available policies may not exceed the full amount of damages.

(v) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

(vi) The primary and the secondary coverage may not be set off against the other.

(vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(viii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(ix) (A) As used in this section, “interpolicy stacking” means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers’
Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(i) may not be subrogated by a workers' compensation insurance carrier;

(ii) may not be reduced by benefits provided by workers' compensation insurance;

(iii) may not be reduced by health insurance subrogation only after the covered person is made whole;

(iv) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person under 18 years of age who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the last liability policy payment.

(6) An underinsured motorist insurer does not have a right of reimbursement against a person liable for the damages resulting from an injury-causing occurrence if the person's liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

| (iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part. |
| (j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel. |

| (ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies. |

| (n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis. |
| (o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the arbitration in good faith. |
| (p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(m) between the parties unless: |
| (i) the award is procured by corruption, fraud, or other undue means; |
| (ii) either party, within 20 days after service of the arbitration award: |

| (ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party’s costs. |

| (i) was not fully disclosed in writing prior to the arbitration proceeding; or |
| (ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure. |
| (t) If a district court determines, upon a motion of the nonmoving party, that a moving party’s use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party. |
| (u) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy. |
| (v) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers. |
| (9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier: |

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 26-8a-310 is amended to read:

26-8a-310. Background clearance for emergency medical service personnel.

(1) The department shall determine whether to grant background clearance for an individual seeking licensure under Section 26-8a-302 from whom it receives:

(a) the individual's social security number, fingerprints, and other personal identification information specified by the department under Subsection (4); and

(b) any fees established by the department under Subsection (10).

(2) The department shall determine whether to deny or revoke background clearance for individuals for whom it has previously granted background clearance.

(3) The department shall determine whether to grant, deny, or revoke background clearance for an individual based on an initial and ongoing evaluation of information the department obtains under Subsections (5) and (11), which, at a minimum, shall include an initial criminal background check of state, regional, and national databases using the individual's fingerprints.

(4) The department shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, that specify:

(a) the criteria the department will use under Subsection (3) to determine whether to grant, deny, or revoke background clearance; and

(b) the other personal identification information an individual seeking licensure under Section 26-8a-302 must submit under Subsection (1).

(h) records in other federal criminal background databases available to the state; and

(i) any other records of arrests, warrants for arrest, convictions, pleas in abeyance, pending diversion agreements, or dispositions.

(6) Except for the Department of Public Safety, an agency may not charge the department for information accessed under Subsection (5).

(7) When evaluating information under Subsection (3), the department shall classify a crime committed in another state according to the closest matching crime under Utah law, regardless of how the crime is classified in the state where the crime was committed.

(8) The department shall adopt measures to protect the security of information it accesses under
Subsection (5), which shall include limiting access by department employees to those responsible for acquiring, evaluating, or otherwise processing the information.

(9) The department may disclose personal identification information it receives under Subsection (1) to the Department of Human Services to verify that the subject of the information is not identified as a perpetrator or offender in the information sources described in Subsections (5)(d) through (f).

(10) The department may charge fees, in accordance with Section 63J-1-504, to pay for:

(a) the cost of obtaining, storing, and evaluating information needed under Subsection (3), both initially and on an ongoing basis, to determine whether to grant, deny, or revoke background clearance; and

(b) other department costs related to granting, denying, or revoking background clearance.

(11) The Criminal Investigations and Technical Services Division within the Department of Public Safety shall:

(a) retain, separate from other division records, personal information under Subsection (1), including any fingerprints sent to it by the Department of Health; and

(b) notify the Department of Health upon receiving notice that an individual for whom personal information has been retained is the subject of:

(i) a warrant for arrest;

(ii) an arrest;

(iii) a conviction, including a plea in abeyance; or

(iv) a pending diversion agreement.

(12) The department shall use the Direct Access Clearance System database created under Section 26-21-209 to manage information about the background clearance status of each individual for whom the department is required to make a determination under Subsection (1).

(13) Clearance granted for an individual licensed under Section 26-8a-302 is valid until two years after the day on which the individual is no longer licensed in Utah as emergency medical service personnel.

Section 2. Section 26-39-404 is amended to read:

(2) (a) Each person requesting a residential certificate or to be licensed or to renew a license under this chapter shall submit to the department the name and other identifying information of any person age 12 through 17 who resides in the residence where the child care is provided. The identifying information required for a person age 12 through 17 does not include fingerprints.

(b) The department shall access the juvenile court records to determine whether a person described in Subsection (1) or (2)(a) has been adjudicated in juvenile court of committing an act which if committed by an adult would be a felony or misdemeanor if:

(i) the person described in Subsection (1) is under the age of 28; or

(ii) the person described in Subsection (1) is:

(A) over the age of 28; and

(B) has been convicted, has pleaded no contest, or is currently subject to a plea in abeyance or diversion agreement for a felony or misdemeanor.

(3) Except as provided in Subsections (4) and (5), a licensee under this chapter or an exempt provider may not permit a person who has been convicted, has pleaded no contest, or is currently subject to a plea in abeyance or diversion agreement for any felony or misdemeanor, or if the provisions of Subsection (2)(b) apply, who has been adjudicated

(b) In accordance with criteria established by rule, the executive director may consider and exempt individual cases not otherwise exempt under Subsection (4)(a) from the restrictions of Subsection (3).

(5) The restrictions of Subsection (3) do not apply to the following:

(a) a conviction or plea of no contest to any nonviolent drug offense that occurred on a date 10 years or more before the date of the criminal history check described in this section; or

(b) if the provisions of Subsection (2)(b) apply, any nonviolent drug offense adjudicated in juvenile court on a date 10 years or more before the date of the criminal history check described in this section.

ENACTS:
77-2-1.2, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 76-3-402 is amended to read:

76-3-402. Conviction of lower degree of offense -- Procedure and limitations.

(1) If at the time of sentencing the court, having regard to the nature and circumstances of the offense of which the defendant was found guilty and to the history and character of the defendant, and after having given any victims present at the sentencing and the prosecuting attorney an opportunity to be heard, concludes it would be unduly harsh to record the conviction as being for that degree of offense established by statute, the court may enter a judgment of conviction for the next lower degree of offense and impose sentence accordingly.

(1) As used in this section, “lower degree of offense” includes an offense for which:

(a) a statutory enhancement is charged in the information or indictment that would increase either the maximum or the minimum sentence; and
(b) the court removes the statutory enhancement in accordance with this section.

(2) The court may enter a judgment of conviction for a lower degree of offense than established by statute and impose a sentence at the time of sentencing for the lower degree of offense if the court:

(a) takes into account:

(i) the nature and circumstances of the offense of which the defendant was found guilty; and

(ii) the history and character of the defendant; and

(b) gives any victim present at the sentencing and the prosecuting attorney an opportunity to be heard; and

(c) concludes that the degree of offense established by statute would be unduly harsh to record as a conviction on the record for the defendant.

(2) (a) If the court suspends the execution of a defendant’s sentence and places the defendant on probation, regardless of whether the defendant is committed to jail as a condition of probation, the court may enter a judgment of conviction for [the next] a lower degree of offense:

(i) after the defendant has been successfully discharged from probation;

(ii) upon motion and notice to [the prosecuting attorney] either party;

(iii) after reasonable effort has been made by the prosecuting attorney to provide notice to any victims;

(iv) after a hearing if requested by either party [described in Subsection (2)(a)(iii)]; and

(v) if the court finds entering a judgment of conviction for the [next] lower degree of offense is in the interest of justice.

(b) In making the finding in Subsection (2)(a)(v), the court shall consider as a factor in favor of granting the reduction [that, subsequent to], after the defendant’s conviction, whether the level of the offense has been reduced by law.

(3) (a) An offense may be reduced only one degree under this section, whether the reduction is entered under Subsection (1) or (2), unless the prosecuting attorney specifically agrees in writing or on the court record that the offense may be reduced two degrees.

(b) In no case may an offense be reduced under this section by more than two degrees.

(4) (a) An offense may be reduced only one degree under this section, whether the reduction is entered under Subsection (4) or (2), or (3), unless the prosecuting attorney specifically agrees in writing or on the court record that the offense may be reduced two degrees.

(b) An offense may not be reduced under this section by more than two degrees.

(5) This section does not preclude [any person] an individual from obtaining or being granted an expungement of [his record as provided by law] the individual’s record in accordance with Title 77, Chapter 40, Utah Expungement Act.

(6) The court may not enter judgment for a conviction for a lower degree of offense if:
(a) the reduction is specifically precluded by law; or

(b) if any unpaid balance remains on court ordered restitution for the offense for which the reduction is sought.

[61] (7) When the court enters judgment for a lower degree of offense under this section, the actual title of the offense for which the reduction is made may not be altered.

[22] (8) (a) An individual may not obtain a reduction under this section of a conviction that requires the individual to register as a sex offender until the registration requirements under Title 77, Chapter 41, Sex and Kidnap Offender Registry, have expired.

(b) An individual required to register as a sex offender for the individual's lifetime under Subsection 77-41-105(3)(c) may not be granted a reduction of the conviction for the offense or offenses that require the individual to register as a sex offender.

[61] (9) (a) An individual may not obtain a reduction under this section of a conviction that requires the individual to register as a child abuse offender until the registration requirements under Title 77, Chapter 43, Child Abuse Offender Registry, have expired.

(b) An individual required to register as a child abuse offender for the individual's lifetime under Subsection 77-43-105(3)(c) may not be granted a reduction of the conviction for the offense or offenses that require the individual to register as a child abuse offender.

[61] As used in this section, “next lower degree of offense” includes an offense regarding which:

(a) a statutory enhancement is charged in the information or indictment that would increase either the maximum or the minimum sentence; and

(b) the court removes the statutory enhancement pursuant to this section.

Section 2. Section 77-2-1.2 is enacted to read:

77-2-1.2. Reducing the level of an offense.

(1) Notwithstanding any other provision of law, a prosecuting attorney may:

(a) present and file an information charging an individual for an offense under Subsections 76-3-103(1)(b) through (d), Subsection 76-3-103(2), or Section 76-3-104 with a classification of the offense at one degree lower than the classification that is provided in statute.

(b) subject to the approval of the court, amend an information, as part of a plea agreement, to charge an individual for an offense under Subsections 76-3-103(1)(b) through (d), Subsection 76-3-103(2), or Section 76-3-104 with a classification of the offense at one degree lower than the classification that is provided in statute.

(2) A court may:

(a) enter a judgment of conviction for an offense filed under Subsection (1) at one degree lower than classified in statute; and

(b) impose a sentence for the offense filed under Subsection (1) at one degree lower than classified in statute.

(3) A conviction of an offense at one degree lower than classified in statute under Subsection (2) does not affect the requirements for registration of the offense under Title 77, Chapter 41, Sex and Kidnap Offender Registry, or Title 77, Chapter 43, Child Abuse Offender Registry, if the elements of the offense for which the defendant is convicted are the same as the elements of an offense described in Section 77-41-102 or 77-43-102.

(4) This section does not preclude an individual from obtaining and being granted an expungement for the individual's record in accordance with Title 77, Chapter 40, Utah Expungement Act.

(b) neglected; or

(c) dependent.

(2) (a) Subject to Subsection (2)(b), any interested person may file a petition.

(b) A person described in Subsection (2)(a) shall make a referral with the division before the person files a petition.

(3) If the child who is the subject of a petition is removed from the child’s home by the division, the petition shall be filed on or before the date of the initial shelter hearing described in Section 78A-6-306.
The petition shall be verified, and contain all of the following:

(a) the name, age, and address, if any, of the child upon whose behalf the petition is brought;

(b) the names and addresses, if known to the petitioner, of both parents and any guardian of the child;

(c) a concise statement of facts, separately stated, to support the conclusion that the child upon whose behalf the petition is being brought is abused, neglected, or dependent; and

(d) a statement regarding whether the child is in protective custody, and if so, the date and precise time the child was taken into protective custody.

If a petition is filed under this section, and a petition for termination of parental rights is filed under Section 78A-6-504 before a dispositional hearing, a party may request a hearing on whether reunification services are appropriate in accordance with Subsections 78A-6-312(21) and (23).

Section 3. Section 78A-6-306 is amended to read:

78A-6-306. Shelter hearing.

(1) A shelter hearing shall be held within 72 hours excluding weekends and holidays after any one or all of the following occur:

(a) removal of the child from the child's home by the division;

(b) placement of the child in the protective custody of the division;

(c) emergency placement under Subsection 62A-4a-202.1(4);

(d) as an alternative to removal of the child, a parent enters a domestic violence shelter at the request of the division; or

(e) a "Motion for Expedited Placement in Temporary Custody" is filed under Subsection 78A-6-106(4).

(2) If one of the circumstances described in Subsections (1)(a) through (e) occurs, the division shall issue a notice that contains all of the following:

(a) the name and address of the person to whom the notice is directed;

(b) the date, time, and place of the shelter hearing;

(c) the name of the child on whose behalf a petition is being brought;

(d) a concise statement regarding:

(i) the reasons for removal or other action of the division under Subsection (1); and

(ii) the allegations and code sections under which the proceeding has been instituted;

(e) a statement that the parent or guardian to whom notice is given, and the child, are entitled to have an attorney present at the shelter hearing, and that if the parent or guardian is indigent and cannot afford an attorney, and desires to be represented by an attorney, one will be provided in accordance with Title 78B, Chapter 22, Indigent Defense Act; and

(f) a statement that the parent or guardian is liable for the cost of support of the child in the protective custody, temporary custody, and custody of the division, and the cost for legal counsel appointed for the parent or guardian under Subsection (2)(e), according to the financial ability of the parent or guardian.

(3) The notice described in Subsection (2) shall be personally served as soon as possible, but no later than one business day after removal of the child from the child's home, or the filing of a "Motion for Expedited Placement in Temporary Custody" under Subsection 78A-6-106(4), on:

(a) the appropriate guardian ad litem; and

(b) both parents and any guardian of the child, unless the parents or guardians cannot be located.

(4) The following persons shall be present at the shelter hearing:

(a) the child, unless it would be detrimental for the child;

(b) the child's parents or guardian, unless the parents or guardian cannot be located, or fail to appear in response to the notice;

(c) counsel for the parents, if one is requested;

(d) the child's guardian ad litem;

(e) the caseworker from the division who is assigned to the case; and

(f) the attorney from the attorney general's office who is representing the division.

(5) (a) At the shelter hearing, the court shall:

(i) provide an opportunity to provide relevant testimony to:

(A) the child's parent or guardian, if present; and

(B) any other person having relevant knowledge;

(ii) subject to Section 78A-6-305, provide an opportunity for the child to testify; and

(iii) in accordance with Subsections 78A-6-307(18)(c) through (e), grant preferential consideration to a relative or friend for the temporary placement of the child.

(b) The court:

(i) may consider all relevant evidence, in accordance with the Utah Rules of Juvenile Procedure;

(ii) shall hear relevant evidence presented by the child, the child's parent or guardian, the requesting party, or their counsel; and
(iii) may in its discretion limit testimony and evidence to only that which goes to the issues of removal and the child's need for continued protection.

(6) If the child is in the protective custody of the division, the division shall report to the court:

(a) the reason why the child was removed from the parent's or guardian's custody;

(b) any services provided to the child and the child's family in an effort to prevent removal;

(c) the need, if any, for continued shelter;

(d) the available services that could facilitate the return of the child to the custody of the child's parent or guardian;

(e) subject to Subsections 78A-6-307(18)(c) through (e), whether any relatives of the child or friends of the child's parents may be able and willing to accept temporary placement of the child.

(7) The court shall consider all relevant evidence provided by persons or entities authorized to present relevant evidence pursuant to this section.

(8) (a) If necessary to protect the child, preserve the rights of a party, or for other good cause shown, the court may grant no more than one continuance, not to exceed five judicial days.

(b) A court shall honor, as nearly as practicable, the request by a parent or guardian for a continuance under Subsection (8)(a).

(c) Notwithstanding Subsection (8)(a), if the division fails to provide the notice described in Subsection (2) within the time described in Subsection (3), the court may grant the request of a parent or guardian for a continuance, not to exceed five judicial days.

(9) (a) If the child is in the protective custody of the division, the court shall order that the child be returned to the custody of the parent or guardian unless it finds, by a preponderance of the evidence, consistent with the protections and requirements provided in Subsection 62A-4a-201(1), that any one of the following exists:

(i) subject to Subsection (9)(b)(i), there is a serious danger to the physical health or safety of the child and the child's physical health or safety may not be protected without removing the child from the custody of the child's parent;

(ii) the child is suffering emotional damage that results in a serious impairment in the child's growth, development, behavior, or psychological functioning;

(B) the parent or guardian is unwilling or unable to make reasonable changes that would sufficiently prevent future damage; and

(C) there are no reasonable means available by which the child's emotional health may be protected without removing the child from the custody of the child's parent or guardian;

(iii) there is a substantial risk that the child will suffer abuse or neglect if the child is not removed from the custody of the child's parent or guardian;

(iv) subject to Subsection (9)(b)(ii), the child or a minor residing in the same household has been, or is considered to be at substantial risk of being, physically abused, sexually abused, or sexually exploited by a:

(A) parent or guardian;

(B) member of the parent's household or the guardian's household; or

(C) person known to the parent or guardian;

(v) the parent or guardian is unwilling to have physical custody of the child;

(vi) the child is without any provision for the child's support;

(vii) a parent who is incarcerated or institutionalized has not or cannot arrange for safe and appropriate care for the child;

(viii) (A) a relative or other adult custodian with whom the child is left by the parent or guardian is unwilling or unable to provide care or support for the child;  

(B) the whereabouts of the parent or guardian are unknown; and

(C) reasonable efforts to locate the parent or guardian are unsuccessful;

(ix) subject to Subsections 78A-6-105(39)(b) and 78A-6-117(2) and Section 78A-6-301.5, the child is in immediate need of medical care;

(x) (A) the physical environment or the fact that the child is left unattended beyond a reasonable period of time poses a threat to the child's health or safety; and

(B) the parent or guardian is unwilling or unable to make reasonable changes that would remove the threat;

(xi) (A) the child or a minor residing in the same household has been neglected; and

(B) the parent or guardian is unwilling or unable to make reasonable changes that would prevent the neglect;

(xii) the parent, guardian, or an adult residing in the same household as the parent or guardian, is charged or arrested pursuant to Title 58, Chapter 37d, Clandestine Drug Lab Act, and any clandestine laboratory operation was located in the residence or on the property where the child resided;

(xiii) (A) the child's welfare is substantially endangered; and

(B) the parent or guardian is unwilling or unable to make reasonable changes that would remove the danger; or

(xiv) the child's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the child;
(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the child.

(b) (i) Prima facie evidence of the finding described in Subsection (9)(a)(i) is established if:

(A) a court previously adjudicated that the child suffered abuse, neglect, or dependency involving the parent; and

(B) a subsequent incident of abuse, neglect, or dependency involving the parent occurs.

(ii) For purposes of Subsection (9)(a)(iv), if the court finds that the parent knowingly allowed the child to be in the physical care of a person after the parent received actual notice that the person physically abused, sexually abused, or sexually exploited the child, that fact constitutes prima facie evidence that there is a substantial risk that the child will be physically abused, sexually abused, or sexually exploited.

(10) (a) (i) The court shall also make a determination on the record as to whether reasonable efforts were made to prevent or eliminate the need for removal of the child from the child's home and whether there are available services that would prevent the need for continued removal.

(ii) If the court finds that the child can be safely returned to the custody of the child's parent or guardian through the provision of those services, the court shall place the child with the child's parent or guardian and order that those services be provided by the division.

(b) In making the determination described in Subsection (10)(a), and in ordering and providing services, the child's health, safety, and welfare shall be the paramount concern, in accordance with federal law.

(11) Where the division's first contact with the family occurred during an emergency situation in which the child could not safely remain at home, the court shall make a finding that any lack of preplacement preventive efforts was appropriate.

(12) In cases where actual sexual abuse, sexual exploitation, abandonment, severe abuse, or severe neglect are involved, neither the division nor the court has any duty to make “reasonable efforts” or to, in any other way, attempt to maintain a child in the child's home, return a child to the child's home, provide reunification services, or attempt to rehabilitate the offending parent or parents.

(13) The court may not order continued removal of a child solely on the basis of educational neglect as defined in Section 78A-6-105, truancy, or failure to comply with a court order to attend school.

(14) (a) Whenever a court orders continued removal of a child under this section, the court shall state the facts on which that decision is based.

(b) If no continued removal is ordered and the child is returned home, the court shall state the facts on which that decision is based.

(15) If the court finds that continued removal and temporary custody are necessary for the protection of a child pursuant to Subsection (9)(a), the court shall order continued removal regardless of:

(a) any error in the initial removal of the child;

(b) the failure of a party to comply with notice provisions; or

(c) any other procedural requirement of this chapter or Title 62A, Chapter 4a, Child and Family Services.

Section 4. Section 78A-6-314 is amended to read:

78A-6-314. Permanency hearing -- Final plan -- Petition for termination of parental rights filed -- Hearing on termination of parental rights.

(1) (a) When reunification services have been ordered in accordance with Section 78A-6-312, with regard to a minor who is in the custody of the Division of Child and Family Services, a permanency hearing shall be held by the court no later than 12 months after the day on which the minor was initially removed from the minor's home.

(b) If reunification services were not ordered at the dispositional hearing, a permanency hearing shall be held within 30 days after the day on which the dispositional hearing ends.

(2) (a) If reunification services were ordered by the court in accordance with Section 78A-6-312, the court shall, at the permanency hearing, determine, consistent with Subsection (3), whether the minor may safely be returned to the custody of the minor's parent.

(b) If the court finds, by a preponderance of the evidence, that return of the minor to the minor's parent would create a substantial risk of detriment to the minor's physical or emotional well-being, the minor may not be returned to the custody of the minor's parent.

(c) Prima facie evidence that return of the minor to a parent or guardian would create a substantial risk of detriment to the minor is established if:

(i) the parent or guardian fails to:

(A) participate in a court approved child and family plan;

(B) comply with a court approved child and family plan in whole or in part; or

(C) meet the goals of a court approved child and family plan; or

(ii) the minor's natural parent:

(A) intentionally, knowingly, or recklessly causes the death of another parent of the minor;
(B) is identified by a law enforcement agency as the primary suspect in an investigation for intentionally, knowingly, or recklessly causing the death of another parent of the minor; or

(C) is being prosecuted for or has been convicted of intentionally, knowingly, or recklessly causing the death of another parent of the minor.

(3) In making a determination under Subsection (2)(a), the court shall review and consider:

(a) the report prepared by the Division of Child and Family Services;

(b) any admissible evidence offered by the minor's guardian ad litem;

(c) any report submitted by the division under Subsection 78A-6-315(3)(a)(i);

(d) any evidence regarding the efforts or progress demonstrated by the parent; and

(e) the extent to which the parent cooperated and used the services provided.

(4) With regard to a case where reunification services were ordered by the court, if a minor is not returned to the minor's parent or guardian at the permanency hearing, the court shall, unless the time for the provision of reunification services is extended under Subsection (7):

(a) order termination of reunification services to the parent;

(b) make a final determination regarding whether termination of parental rights, adoption, or permanent custody and guardianship is the most appropriate final plan for the minor, taking into account the minor's primary permanency plan established by the court pursuant to Section 78A-6-312; and

(c) establish a concurrent permanency plan that identifies the second most appropriate final plan for the minor, if appropriate.

(5) The court may order another planned permanent living arrangement for a minor 16 years old or older upon entering the following findings:

(a) the Division of Child and Family Services has documented intensive, ongoing, and unsuccessful efforts to reunify the minor with the minor's parent or parents, or to secure a placement for the minor with a guardian, an adoptive parent, or an individual described in Subsection 78A-6-306(6)(e);

(b) the Division of Child and Family Services has demonstrated that the division has made efforts to normalize the life of the minor while in the division's custody, in accordance with Sections 62A-4a-210 through 62A-4a-212;

(c) the minor prefers another planned permanent living arrangement; and

(d) there is a compelling reason why reunification or a placement described in Subsection (5)(a) is not in the minor's best interest.

(6) Except as provided in Subsection (7), the court may not extend reunification services beyond 12 months after the day on which the minor was initially removed from the minor's home, in accordance with the provisions of Section 78A-6-312.

(7)(a) Subject to Subsection (7)(b), the court may extend reunification services for no more than 90 days if the court finds, beyond a preponderance of the evidence, that:

(i) there has been substantial compliance with the child and family plan;

(ii) reunification is probable within that 90-day period; and

(iii) the extension is in the best interest of the minor.

(b) (i) Except as provided in Subsection (7)(c), the court may not extend any reunification services beyond 15 months after the day on which the minor was initially removed from the minor's home.

(ii) Delay or failure of a parent to establish paternity or seek custody does not provide a basis for the court to extend services for that parent beyond the 12-month period described in Subsection (6).

(c) In accordance with Subsection (7)(d), the court may extend reunification services for one additional 90-day period, beyond the 90-day period described in Subsection (7)(a), if:

(i) the court finds, by clear and convincing evidence, that:

(A) the parent has substantially complied with the child and family plan;

(B) it is likely that reunification will occur within the additional 90-day period; and

(C) the extension is in the best interest of the minor;

(ii) the court specifies the facts upon which the findings described in Subsection (7)(c)(i) are based; and

(iii) the court specifies the time period in which it is likely that reunification will occur.

(d) A court may not extend the time period for reunification services without complying with the requirements of this Subsection (7) before the extension.

(e) In determining whether to extend reunification services for a minor, a court shall take into consideration the status of the minor siblings of the minor.

(8) The court may, in its discretion:

(a) enter any additional order that it determines to be in the best interest of the minor, so long as that order does not conflict with the requirements and provisions of Subsections (4) through (7); or

(b) order the division to provide protective supervision or other services to a minor and the
minor's family after the division's custody of a
minor has been terminated.

(9) (a) If the final plan for the minor is to proceed
toward termination of parental rights, the petition
for termination of parental rights shall be filed, and
a pretrial held, within 45 calendar days after the
permanency hearing.

(b) If the division opposes the plan to terminate
parental rights, the court may not require the
division to file a petition for the termination of
parental rights, except as required under
Subsection 78A-6-316(2).

(10) (a) Any party to an action may, at any time,
petition the court for an expedited permanency
hearing on the basis that continuation of
reunification efforts are inconsistent with the
permanency needs of the minor.

(b) If the court so determines, it shall order, in
accordance with federal law, that:

(i) the minor be placed in accordance with the
permanency plan; and

(ii) whatever steps are necessary to finalize the
permanent placement of the minor be completed as
quickly as possible.

(11) Nothing in this section may be construed to:

(a) entitle any parent to reunification services for
any specified period of time;

(b) limit a court's ability to terminate
reunification services at any time before a
permanency hearing; or

(c) limit or prohibit the filing of a petition for
termination of parental rights by any party, or a
hearing on termination of parental rights, at any
time prior to a permanency hearing provided that
relative placement and custody options have been
fairly considered in accordance with Sections
62A-4a-201 and 78A-6-503.

(12) (a) Subject to Subsection (12)(b), if a petition
for termination of parental rights is filed prior to the
date scheduled for a permanency hearing, the court
may consolidate the hearing on termination of
parental rights with the permanency hearing.

(b) For purposes of Subsection (12)(a), if the court
consolidates the hearing on termination of parental
rights with the permanency hearing:

(i) the court shall first make a finding regarding
whether reasonable efforts have been made by the
Division of Child and Family Services to finalize the
permanency plan for the minor; and

(ii) any reunification services shall be terminated
in accordance with the time lines described in
Section 78A-6-312.

(c) A decision on a petition for termination of
parental rights shall be made within 18 months
from the day on which the minor is removed from
the minor's home.

(13) If a court determines that a minor will not be
returned to a parent of the minor, the court shall
consider appropriate placement options inside and
outside of the state.

(14) (a) If a minor 14 years of age or older desires
an opportunity to address the court or testify
regarding permanency or placement, the court
shall give the minor's wishes added weight, but may
not treat the minor's wishes as the single
controlling factor under this section.

(b) If the court's decision under this section differs
from a minor's express wishes if the minor is of
sufficient maturity to articulate the wishes in
relation to permanency or the minor's placement,
the court shall make findings explaining why the
court's decision differs from the minor's wishes.

Section 5. Section 78A-6-503 is amended to
read:

78A-6-503. Judicial process for termination
-- Parent unfit or incompetent -- Best
interest of child.

(1) Under both the United States Constitution
and the constitution of this state, a parent possesses
a fundamental liberty interest in the care, custody,
and management of the parent's child. For this
reason, the termination of family ties by the state
may only be done for compelling reasons.

(2) The court shall provide a fundamentally fair
process to a parent if a party moves to terminate the
parent's parental rights.

(3) If the party moving to terminate parental
rights is a governmental entity, the court shall find
that any actions or allegations made in opposition to
the rights and desires of a parent regarding the
parent's child are supported by sufficient evidence
to satisfy a parent's constitutional entitlement to
heightened protection against government
interference with the parent's fundamental rights
and liberty interests.

(4) (a) The fundamental liberty interest of a
parent concerning the care, custody, and
management of the parent's child is recognized,
protected, and does not cease to exist simply
because:

(i) a parent may fail to be a model parent; or

(ii) the parent's child is placed in the temporary
custody of the state.

(b) The court should give serious consideration to
the fundamental right of a parent to rear the
parent's child, and concomitantly, of the right of the
child to be reared by the child's natural parent.

(5) At all times, a parent retains a vital interest in
preventing the irretrievable destruction of family
life.

(6) Prior to an adjudication of unfitness,
government action in relation to a parent and a
parent's child may not exceed the least restrictive
means or alternatives available to accomplish a
compelling state interest.

(7) Until parental unfitness is established and
the children suffer, or are substantially likely to
suffer, serious detriment as a result, the child and
the child's parent share a vital interest in
preventing erroneous termination of their
relationship and the court may not presume that a
child and the child's parents are adversaries.

(8) It is in the best interest and welfare of a child
to be raised under the care and supervision of
the child's natural parents. A child's need for a normal
family life in a permanent home, and for positive,
nurturing family relationships is usually best met
by the child's natural parents. Additionally, the
integrity of the family unit and the right of parents
to conceive and raise their children are
constitutionally protected. For these reasons, the
court should only transfer custody of a child from
the child's natural parent for compelling reasons
and when there is a jurisdictional basis to do so.

(9) The right of a fit, competent parent to raise the
parent's child without undue government
interference is a fundamental liberty interest that
has long been protected by the laws and
Constitution of this state and of the United States,
and is a fundamental public policy of this state.

(10) (a) The state recognizes that:

[(a)] (i) a parent has the right, obligation,
responsibility, and authority to raise, manage,
train, educate, provide for, and reasonably
discipline the parent's [children] child; and

[(a)] (ii) the state's role is secondary and
supportive to the primary role of a parent.

[(b)] (i) It is the public policy of this state that
parent retain the fundamental right and
duty to exercise primary control over the care,
supervision, upbringing, and education of [their
children] the parent's child.

[(c)] The interests of the state favor
preservation and not severance of natural familial
bonds in situations where a positive, nurturing
parent-child relationship can exist, including
extended family association and support.

(11) This part provides a judicial process for
voluntary and involuntary severance of the
parent-child relationship, designed to safeguard
the rights and interests of all parties concerned and
promote their welfare and that of the state.

(12) (a) Wherever possible, family life should be
strengthened and preserved, but if a parent is
found, by reason of [his] the parent's conduct or
condition, to be unfit or incompetent based upon
any of the grounds for termination described in
this part, the court shall then consider the welfare
and best interest of the child of paramount importance in
determining whether termination of parental
rights shall be ordered.

(b) In determining whether termination is in the
best interest of the child, and in finding that
termination of parental rights, from the child's
point of view, is strictly necessary, the court shall
consider, among other relevant factors, whether:

(i) sufficient efforts were dedicated to
reunification in accordance with Subsection
78A-6-507(3)(a); and

(ii) the efforts to place the child with kin who
have, or are willing to come forward to care for the
child, were given due weight.

Section 6. Section 78A-6-507 is amended to
read:

78A-6-507. Grounds for termination of
parental rights -- Findings regarding reasonable efforts.

(1) Subject to the protections and requirements of
Section 78A-6-503, and if the court finds
termination of a parent's parental rights, from the
child's point of view, is strictly necessary, the court
may terminate all parental rights with respect to [a]
the parent if the court finds any one of the following:

(a) that the parent has abandoned the child;

(b) that the parent has neglected or abused the
child;

(c) that the parent is unfit or incompetent;

(d) (i) that the child is being cared for in an
out-of-home placement under the supervision of
the court or the division;

(ii) that the parent has substantially neglected,
wilfully refused, or has been unable or unwilling to
remedy the circumstances that cause the child to be
in an out-of-home placement; and

(iii) that there is a substantial likelihood that the
parent will not be capable of exercising proper and
effective parental care in the near future;

(e) failure of parental adjustment, as defined in
this chapter;

(f) that only token efforts have been made by the
parent:

(i) to support or communicate with the child;

(ii) to prevent neglect of the child;

(iii) to eliminate the risk of serious harm to the
child; or

(iv) to avoid being an unfit parent;

(g) (i) that the parent has voluntarily
relinquished the parent’s parental rights to the
child; and

(ii) that termination is in the child's best interest;

(h) that, after a period of trial during which the
child was returned to live in the child's own home,
the parent substantially and continuously or
repeatedly refused or failed to give the child proper
parental care and protection; or

(i) the terms and conditions of safe
relinquishment of a newborn child have been
complied with, pursuant to Title 62A, Chapter 4a,
Part 8, Safe Relinquishment of a Newborn Child.

(2) The court may not terminate the parental
rights of a parent because the parent has failed to
complete the requirements of a child and family plan.
(3) (a) Except as provided in Subsection (3)(b), in any case in which the court has directed the division to provide reunification services to a parent, the court must find that the division made reasonable efforts to provide those services before the court may terminate the parent’s rights under Subsection (1)(b), (c), (d), (e), (f), or (h).

(b) Notwithstanding Subsection (3)(a), the court is not required to make the finding under Subsection (3)(a) before terminating a parent’s rights:

(i) under Subsection (1)(b), if the court finds that the abuse or neglect occurred subsequent to adjudication; or

(ii) if reasonable efforts to provide the services described in Subsection (3)(a) are not required under federal law, and federal law is not inconsistent with Utah law.

41–6a–520. Implied consent to chemical tests for alcohol or drug -- Number of tests -- Refusal -- Warning, report.

(1) (a) A person operating a motor vehicle in this state is considered to have given the person's consent to a chemical test or tests of the person's breath, blood, or urine, or oral fluids for the purpose of determining whether the person was operating or in actual physical control of a motor vehicle while:

(i) having a blood or breath alcohol content statutorily prohibited under Section 41–6a–502, 41–6a–530, or 53–3–231;

(ii) under the influence of alcohol, any drug, or combination of alcohol and any drug under Section 41–6a–502; or

(iii) having any measurable controlled substance or metabolite of a controlled substance in the person's body in violation of Section 41–6a–517.

(b) A test or tests authorized under this Subsection (1) must be administered at the direction of a peace officer having grounds to believe that person to have been operating or in actual physical control of a motor vehicle while in violation of any provision under Subsections (1)(a)(i) through (iii).

(c) (i) The peace officer determines which of the tests are administered and how many of them are administered.

(ii) If a peace officer requests more than one test, refusal by a person to take one or more requested tests, even though the person does submit to any other requested test or tests, is a refusal under this section.

(d) (i) A person who has been requested under this section to submit to a chemical test or tests of the person’s breath, blood, or urine, or oral fluids may not select the test or tests to be administered.

(ii) The failure or inability of a peace officer to arrange for any specific chemical test is not a defense to taking a test requested by a peace officer, and it is not a defense in any criminal, civil, or
administrative proceeding resulting from a person's refusal to submit to the requested test or tests.

(2) (a) A peace officer requesting a test or tests shall warn a person that refusal to submit to the test or tests may result in criminal prosecution, revocation of the person's license to operate a motor vehicle, a five or 10 year prohibition of driving with any measurable or detectable amount of alcohol in the person's body depending on the person's prior driving history, and a three-year prohibition of driving without an ignition interlock device if the person:

(i) has been placed under arrest;

(ii) has then been requested by a peace officer to submit to any one or more of the chemical tests under Subsection (1); and

(iii) refuses to submit to any chemical test requested.

(b) (i) Following the warning under Subsection (2)(a), if the person does not immediately request that the chemical test or tests as offered by a peace officer be administered, a peace officer shall, on behalf of the Driver License Division and within 24 hours of the arrest, give notice of the Driver License Division's intention to revoke the person's privilege or license to operate a motor vehicle.

(ii) When a peace officer gives the notice on behalf of the Driver License Division, the peace officer shall supply to the operator, in a manner specified by the Driver License Division, basic information regarding how to obtain a hearing before the Driver License Division.

(c) As a matter of procedure, the peace officer shall submit a signed report, within 10 calendar days after the day on which notice is provided under Subsection (2)(b), that:

(i) the peace officer had grounds to believe the arrested person was in violation of any provision under Subsections (1)(a)(i) through (iii); and

(ii) the person had refused to submit to a chemical test or tests under Subsection (1).

(3) Upon the request of the person who was tested, the results of the test or tests shall be made available to the person.

(4) (a) The person to be tested may, at the person's own expense, have a physician or a physician assistant of the person's own choice administer a chemical test in addition to the test or tests administered at the direction of a peace officer.

(b) The failure or inability to obtain the additional test does not affect admissibility of the results of the test or tests taken at the direction of a peace officer, or preclude or delay the test or tests to be taken at the direction of a peace officer.

(c) The additional test shall be subsequent to the test or tests administered at the direction of a peace officer.

(5) For the purpose of determining whether to submit to a chemical test or tests, the person to be tested does not have the right to consult an attorney or have an attorney, physician, or other person present as a condition for the taking of any test.

(6) Notwithstanding the provisions in this section, a blood test taken under this section is subject to Section 77-23-213.

(7) A person is guilty of refusing a chemical test if a peace officer has issued the warning required in Subsection (2)(a) and the person refuses to submit to a test of the person's blood under Subsection (1) after a court has issued a warrant to draw and test the blood.

(8) A person who violates Subsection (7) is guilty of:

(a) a third degree felony if:

(i) the person has two or more prior convictions as defined in Subsection 41-6a-501(2), each of which is within 10 years of:

(A) the current conviction; or

(B) the commission of the offense upon which the current conviction is based; or

(ii) the conviction is at any time after a conviction of:

(A) automobile homicide under Section 76-5-207;

(B) a felony violation of this section or Section 41-6a-502; or

(C) any conviction described in Subsection (8)(a)(ii) which judgment of conviction is reduced under Section 76-3-402; or

(b) a class B misdemeanor if none of the circumstances in Subsection (8)(a) applies.

(9) As part of any sentence for a conviction of violating this section, the court shall impose the same sentencing as outlined for driving under the influence violations in Section 41-6a-505, based on whether this is a first, second, or subsequent conviction as defined by Subsection 41-6a-501(2), with the following modifications:

(a) any jail sentence shall be 24 consecutive hours more than would be required under Section 41-6a-505;

(b) any fine imposed shall be $100 more than would be required under Section 41-6a-505; and

(c) the court shall order one or more of the following:

(i) the installation of an ignition interlock system as a condition of probation for the individual in accordance with Section 41-6a-518;

(ii) the imposition of an ankle attached continuous transdermal alcohol monitoring device as a condition of probation for the individual; or

(iii) the imposition of home confinement through the use of electronic monitoring in accordance with Section 41-6a-506.
(10) (a) The offense of refusal to submit to a chemical test under this section does not merge with any violation of Section 32B-4-409, 41-6a-502, 41-6a-517, or 41-6a-530.

(b) A guilty or no contest plea to an offense of refusal to submit to a chemical test under this section may not be held in abeyance.

(4) Subsection (2)

(c) An extension of time does not prohibit the proper filing of charges against a person at any time.

(4) A surety acting under this section is subject to Title 53, Chapter 11, Bail Bond Recovery Act.

Section 13. Section 77-20-9 is amended to read:
