(A) in effect on the date that the application is complete; and

(B) applicable to the application or to the information shown on the application.

(ii) An applicant is entitled to approval of a land use application if the application conforms to the requirements of the applicable land use regulations, land use decisions, and development standards in effect when the applicant submits a complete application and pays application fees, unless:

(A) the land use authority, on the record, formally finds that a compelling, countervailing public interest would be jeopardized by approving the application and specifies the compelling, countervailing public interest in writing; or

(B) in the manner provided by local ordinance and before the applicant submits the application, the municipality formally initiates proceedings to amend the municipality's land use regulations in a manner that would prohibit approval of the application as submitted.

(b) The municipality shall process an application without regard to proceedings the municipality initiated to amend the municipality's ordinances as described in Subsection (1)(a)(ii)(B) if:

(i) 180 days have passed since the municipality initiated the proceedings; and

(ii)(A) the proceedings have not resulted in an enactment that prohibits approval of the application as submitted; or

(B) during the 12 months prior to the municipality processing the application, or multiple applications of the same type, are impaired or prohibited under the terms of a temporary land use regulation adopted under Section 10-9a-504.

(c) A land use application is considered submitted and complete when the applicant provides the application in a form that complies with the requirements of applicable ordinances and pays all applicable fees.

(d) A subsequent incorporation of a municipality or a petition that proposes the incorporation of a municipality does not affect a land use application approved by a county in accordance with Section 17-27a-508.

(e) The continuing validity of an approval of a land use application is conditioned upon the applicant proceeding after approval to implement the approval with reasonable diligence.

(f) A municipality may not impose on an applicant who has submitted a complete application a requirement that is not expressed in:

(i) this chapter;

(ii) a municipal ordinance in effect on the date that the applicant submits a complete application, subject to Subsection 10-9a-509(1)(a)(ii); or

(iii) a municipal specification for public improvements applicable to a subdivision or development that is in effect on the date that the applicant submits an application.

(g) A municipality may not impose on a holder of an issued land use permit or a final, unexpired subdivision plat a requirement that is not expressed:

(h) Except as provided in Subsection (1)(i) or (j), a municipality may not withhold issuance of a certificate of occupancy or acceptance of subdivision improvements because of an applicant's failure to comply with a requirement that is not expressed:

(i) in the building permit or subdivision plat, documents on which the building permit or subdivision plat is based, or the written record evidencing approval of the land use permit or subdivision plat; or

(ii) in this chapter or the municipality's ordinances.

(i) A municipality may not unreasonably withhold issuance of a certificate of occupancy where an applicant has met all requirements essential for the public health, public safety, and general welfare of the occupants, in accordance with this chapter, unless:

(i) the applicant and the municipality have agreed in a written document to the withholding of a certificate of occupancy; or

(ii) the applicant has not provided a financial assurance for required and uncompleted public landscaping improvements or infrastructure improvements in accordance with an applicable ordinance that the legislative body adopts under this chapter.

(j) A municipality may not conduct a final inspection required before issuing a certificate of occupancy for a residential unit that is within the boundary of an infrastructure financing district, as defined in Section 17B-1-102, until the applicant for the certificate of occupancy provides adequate proof to the municipality that any lien on the unit arising from the infrastructure financing district's assessment against the unit under Title 11, Chapter 42, Assessment Area Act, has been released after payment in full of the infrastructure financing district's assessment against that unit.

(2) A municipality is bound by the terms and standards of applicable land use regulations and shall comply with mandatory provisions of those regulations.

(3) A municipality may not, as a condition of land use application approval, require a person filing a land use application to obtain documentation regarding a school district's willingness, capacity, or ability to serve the development proposed in the land use application.

(4) Upon a specified public agency's submission of a development plan and schedule as required in Subsection 10-9a-305(8) that complies with the requirements of that subsection, the specified public agency vests in the municipality's applicable land use maps, zoning map, hookup fees, impact fees, other applicable development fees, and land use regulations in effect on the date of submission.

(b)(i) A notice of intent under Subsection (1)(a) suspends the special district's annexation proceeding as to the applicable area of the county or municipality that submits the notice of intent until the county or municipality:

(A) adopts a resolution under Subsection 17B-1-408(1) declining to provide the service proposed to be provided by the proposed annexing special district; or

(B) is considered under Subsection 17B-1-408(2) or (3) to have declined to provide the service.

(ii) The suspension of an annexation proceeding under Subsection (1)(b)(i) as to an applicable area does not prevent the special district from continuing to pursue the annexation proceeding with respect to other applicable areas for which no notice of intent was submitted.

(c) If a legislative body does not mail or deliver a notice of intent within the time required under Subsection (1)(a), the legislative body shall be considered to have declined to provide the service.

(2) Each legislative body that mails or delivers a notice under Subsection (1)(a) shall hold a public hearing or a set of public hearings, sufficient in number and location to ensure that no substantial group of residents of the area proposed for annexation need travel an unreasonable distance to attend a public hearing.

(3) Each public hearing under Subsection (2) shall be held:

(a) no later than 45 days after the legislative body sends notice under Subsection (1);

(b) except as provided in Subsections (6) and (7), within the applicable area; and

(i) whether the service is needed in the area proposed for annexation;

(ii) whether the service should be provided by the county or municipality or the proposed annexing special district; and

(iii) all other matters relating to the issue of providing the service or the proposed annexation.

(a) there is no reasonable place to hold a public hearing within the applicable area; and

(b) the public hearing or set of public hearings is held as close to the applicable area as reasonably possible.

(2) If the county or municipal legislative body fails to adopt a resolution within the time provided under Subsection (1), the county or municipality shall be considered to have declined to provide the service.

(3) If a county or municipal legislative body adopts a resolution under Subsection (1) indicating that the county or municipality will provide the service but the county or municipality does not, within 120 days after the adoption of that resolution, take substantial measures to provide the service, the county or municipality shall be considered to have declined to provide the service.

(4) Each county or municipality whose legislative body adopts a resolution under Subsection (1) indicating that the county or municipality will provide the service shall diligently proceed to take all measures necessary to provide the service.

(5) If a county or municipal legislative body adopts a resolution under Subsection (1) indicating that the county or municipality will provide the service and the county or municipality takes substantial measures within the time provided in Subsection (3) to provide the service, the special district's annexation proceeding as to the applicable area of that county or municipality is terminated and that applicable area is considered deleted from the area proposed to be annexed in a petition under Subsection [~~17B-1-403(1)(a)~~]17B-1-403(2)(a) or (c).

Section 35. Section 17B-1-409 is amended to read:

17B-1-409. Public hearing on proposed annexation.

(1) Except as provided in Sections 17B-1-413 and 17B-1-415, the board of trustees of each special district that certifies a petition that was filed under Subsection [~~17B-1-403(1)(a)(ii)(A) or (B)~~]17B-1-403(2)(c), receives a resolution adopted under Subsection [~~17B-1-403(1)(b)~~]17B-1-403(3)(a), or adopts a resolution under Subsection [~~17B-1-403(1)(c)~~]17B-1-403(3)(b) shall hold a public hearing on the proposed annexation and provide notice of the hearing as provided in Section 17B-1-410.

(2) Each public hearing under Subsection (1) shall be held:

(a) within 45 days after:

(i) if no notice to a county or municipal legislative body is required under Section 17B-1-406, petition certification under Section 17B-1-405; or

(ii) if notice is required under Section 17B-1-406, but no notice of intent is submitted by the deadline:

(A) expiration of the deadline under Subsection 17B-1-407(1) to submit a notice of intent; or

(B) termination of a suspension of the annexation proceeding under Subsection 17B-1-407(1)(b);

(b)(i) for a special district located entirely within a single county:

(A) within or as close as practicable to the area proposed to be annexed; or

(B) at the special district office; or

(ii) for a special district located in more than one county:

(A)(I) within the county in which the area proposed to be annexed is located; and

(II) within or as close as practicable to the area proposed to be annexed; or

(B) if the special district office is reasonably accessible to all residents within the area proposed to be annexed, at the special district office;

(c) on a weekday evening other than a holiday beginning no earlier than 6 p.m.; and

(d) for the purpose of allowing:

(i) the public to ask questions and obtain further information about the proposed annexation and issues raised by it; and

(ii) any interested person to address the board regarding the proposed annexation.

(3) A quorum of the board of trustees of the proposed annexing special district shall be present throughout each public hearing held under this section.

(4)(a) After holding a public hearing under this section or, if no hearing is held because of application of Subsection 17B-1-413(2)(a)(ii), after expiration of the time under Subsection 17B-1-413(2)(a)(ii)(B) for requesting a hearing, the board of trustees may by resolution deny the annexation and terminate the annexation procedure if:

(i) for a proposed annexation initiated by a petition under Subsection [~~17B-1-403(1)(a)(i) or (ii)~~]17B-1-403(2)(a) or (c), the board determines that:

(A) it is not feasible for the special district to provide service to the area proposed to be annexed; or

(B) annexing the area proposed to be annexed would be inequitable to the owners of real property or residents already within the special district; or

(ii) for a proposed annexation initiated by resolution under Subsection [~~17B-1-403(1)(b) or (c)~~]17B-1-403(3)(a) or (b), the board determines not to pursue annexation.

(b) In each resolution adopted under Subsection (4)(a), the board shall set forth its reasons for denying the annexation.

Section 36. Section 17B-1-411 is amended to read:

17B-1-411. Modifications to area proposed for annexation -- Limitations.

(1)(a) Subject to Subsections (2), (3), (4), and (5), a board of trustees may, within 30 days after the public hearing under Section 17B-1-409, or, if no public hearing is held, within 30 days after the board provides notice under Subsection 17B-1-413(2)(a)(i), modify the area proposed for annexation to include land not previously included in that area or to exclude land from that area if the modification enhances the feasibility of the proposed annexation.

(b) A modification under Subsection (1)(a) may consist of the exclusion of all the land within an applicable area if:

(i) the entire area proposed to be annexed consists of more than that applicable area;

(ii) sufficient protests under Section 17B-1-412 are filed with respect to that applicable area that an election would have been required under Subsection 17B-1-412(3) if that applicable area were the entire area proposed to be annexed; and

(iii) the other requirements of Subsection (1)(a) are met.

(2) A board of trustees may not add property under Subsection (1) to the area proposed for annexation without the consent of the owner of that property.

(3) Except as provided in Subsection (1)(b), a modification under Subsection (1) may not avoid the requirement for an election under Subsection 17B-1-412(3) if, before the modification, the election was required because of protests filed under Section 17B-1-412.

(4) If the annexation is proposed by a petition under Subsection [~~17B-1-403(1)(a)(ii)(A) or (B)~~]17B-1-403(2)(c), a modification may not be made unless the requirements of Subsection [~~17B-1-403(1)(a)(ii)(A) or (B)~~]17B-1-403(2)(c) are met after the modification as to the area proposed to be annexed.

(5) If the petition meets the requirements of Subsection 17B-1-413(1) before a modification under this section but fails to meet those requirements after modification:

(a) the special district board shall give notice as provided in Section 17B-1-410 and hold a public hearing as provided in Section 17B-1-409 on the proposed annexation; and

(b) the petition shall be considered in all respects as one that does not meet the requirements of Subsection 17B-1-413(1).

Section 37. Section 17B-1-413 is amended to read:

17B-1-413. Hearing, notice, and protest provisions do not apply for certain petitions.

(1) Section 17B-1-412 does not apply, and, except as provided in Subsection (2)(a), Sections 17B-1-409 and 17B-1-410 do not apply:

(b) to an annexation under Section 17B-1-415; or

(c) to a boundary adjustment under Section 17B-1-417.

(2)(a) If a petition that meets the requirements of Subsection (1)(a) is certified under Section 17B-1-405, the special district board:

(i) shall provide notice of the proposed annexation as provided in Subsection (2)(b); and

(ii)(A) may, in the board's discretion, hold a public hearing as provided in Section 17B-1-409 after giving notice of the public hearing as provided in Subsection (2)(b); and

(B) shall, after giving notice of the public hearing as provided in Subsection (2)(b), hold a public hearing as provided in Section 17B-1-409 if a written request to do so is submitted, within 20 days after the special district provides notice under Subsection (2)(a)(i), to the special district board by an owner of property that is located within or a registered voter residing within the area proposed to be annexed who did not sign the annexation petition.

(b) The notice required under Subsections (2)(a)(i) and (ii) shall:

(i) be given:

(A)(I) for a notice under Subsection (2)(a)(i), within 30 days after petition certification; or

(II) for a notice of a public hearing under Subsection (2)(a)(ii), at least 10 but not more than 30 days before the public hearing; and

(b) For an automatic annexation to a special district under Section 17B-1-416, the notice of an impending boundary action required under Subsection (2)(a) shall state that an area outside the boundaries of the special district is being automatically annexed to the special district under Section 17B-1-416 because of a municipal annexation under Title 10, Chapter 2, Part 4, Annexation.

(c) Upon the lieutenant governor's issuance of a certificate of annexation under Section 67-1a-6.5, the board shall:

(b) The office shall attach to a motion under Subsection (7)(a) a statement that the office has in good faith conferred or attempted to confer with the garnishee in an effort to settle the issue without court action.

(8) A person is not liable as a garnishee for drawing, accepting, making, or endorsing a negotiable instrument if the instrument is not in the possession or control of the garnishee at the time of service of the administrative garnishment order.

(ii) may obtain a court order authorizing the office to buy the debt and requiring the garnishee to deliver the property.

(b) Notwithstanding Subsection (11)(a)(i):

(i) the administrative garnishment order remains in effect; and

(ii) the office may apply the property to the debt.

(c) The office or a third party may perform an obligation of the defendant and require the garnishee to deliver the property upon completion of performance or, if performance is refused, upon tender of performance if:

(ii)(A) the obligation does not require the personal performance of the defendant; and

(B) a third party may perform the obligation.

(12)(a) The office may issue a continuing garnishment order against a nonexempt periodic payment.

(b) This section is subject to the Utah Exemptions Act.

(c) A continuing garnishment order issued in accordance with this section applies to payments to, or for the benefit of, the defendant from the date of service upon the garnishee until the earliest of the following:

(i) answer each interrogatory;

(ii) serve an answer to each interrogatory on the office, the defendant, and any other person who has a recorded interest in the property; and

(iii) deliver the property to the office.

(e) If the office issues a continuing garnishment order during the term of a writ of continuing garnishment issued by the district court, the order issued by the office:

(i) is tolled when a writ of garnishment or other income withholding is already in effect and is withholding greater than or equal to the maximum portion of disposable earnings described in Subsection (13);

(ii) is collected in the amount of the difference between the maximum portion of disposable earnings described in Subsection (13) and the amount being garnished by an existing writ of continuing garnishment if the maximum portion of disposable earnings exceed the existing writ of garnishment or other income withholding; and

(iii) shall take priority upon the termination of the current term of existing writs.

(13) The maximum portion of disposable earnings of an individual subject to seizure in accordance with this section is the lesser of:

(a) 25% of the defendant's disposable earnings for any other judgment; or

(b) the amount by which the defendant's disposable earnings for a pay period exceeds the number of weeks in that pay period multiplied by 30 times the federal minimum wage as provided in 29 U.S.C. Sec. 201 et seq., Fair Labor Standards Act of 1938.

(14)(a) In accordance with the requirements of this Subsection (14), the office may, at its discretion, determine a dollar amount that a garnishee is to withhold from earnings and deliver to the office in a continuing administrative garnishment order issued under this section.

(b) The office may determine the dollar amount that a garnishee is to withhold from earnings under Subsection (14)(a) if the dollar amount determined by the office:

(ii) is based on:

(A) earnings information received by the office directly from the Utah Department of Workforce Services; or

(B) previous garnishments issued to the garnishee by the office where payments were received at a consistent dollar amount.

(i) for one debtor;

(ii) from the same employer;

(iii) for two or more consecutive quarters; and

(iv) received within the last six months.

(15)(a) A garnishee who provides the calculation for withholdings on a defendant's wages in the garnishee's initial response to an interrogatory in an administrative garnishment order under this section is not required to provide the calculation for withholdings after the garnishee's initial response if:

(i) the garnishee's accounting system automates the amount of defendant's wages to be paid under the garnishment; and

(ii) the defendant's wages do not vary by more than five percent from the amount disclosed in the garnishee's initial response.

(b) Notwithstanding Subsection (15)(a), upon request by the office or the defendant, a garnishee shall provide, for the last pay period or other pay period specified by the office or defendant, a calculation of the defendant's wages and withholdings and the amount garnished.

(b) A garnishee may deduct the amount of the garnishee fee from the amount to be remitted to the office under the administrative garnishment order, if the amount to be remitted exceeds the amount of the fee.

(c) If the amount to be remitted to the office under an administrative garnishment order does not exceed the amount of the garnishee fee:

(i) the garnishee shall notify the office that the amount to be remitted does not exceed the amount of the garnishee fee; and

(ii)(A) the garnishee under a noncontinuing garnishment order shall return the administrative garnishment order to the office, and the office shall pay the garnishee the garnishee fee; or

(B) the garnishee under a continuing garnishment order shall delay remitting to the office until the amount to be remitted exceeds the garnishee fee.

(d) If, upon receiving the administrative garnishment order, the garnishee does not possess or control any property, including money or wages, in which the defendant has an interest:

(i) the garnishee under a continuing or noncontinuing garnishment order shall, except as provided in Subsection (16)(d)(ii), return the administrative garnishment order to the office, and the office shall pay the garnishee the applicable garnishee fee; or

(ii) if the garnishee under a continuing garnishment order believes that the garnishee will, within 90 days after issuance of the continuing garnishment order, come into possession or control of property in which the defendant owns an interest, the garnishee may retain the garnishment order and deduct the garnishee fee for a continuing garnishment once the amount to be remitted exceeds the garnishee fee.

(17) Section 78A-2-216 does not apply to an administrative garnishment order issued under this section.

(18) An administrative garnishment instituted in accordance with this section shall continue to operate and require that a person withhold the nonexempt portion of earnings at each succeeding earning disbursement interval until the total amount due in the garnishment is withheld or the garnishment is released in writing by the court or office.

(19) If the office issues an administrative garnishment order under this section to collect an amount owed on a civil accounts receivable or a civil judgment of restitution, the administrative garnishment order shall be construed as a continuation of the criminal action for which the civil accounts receivable or civil judgment of restitution arises if the amount owed is from a fine, fee, or restitution for the criminal action.

(i) within the 30 days after the day on which the applicable agency receives a complete application for review, or within 35 days if an extension has been requested by the applicable agency, reject an application if the applicable agency determines, in the applicable agency's [~~sole~~]discretion, that the applicant's offering fails to comply with standards or specifications:

(A) required by federal law or regulation; or

(B) previously approved for use by a federal agency; or

(ii) reject an application that is preliminarily approved by the regulatory relief office, if the applicable agency:

(A) recommended rejection of the application in accordance with Subsection (9)(d) in the agency's written report; and

(B) provides in the written notice under this Subsection (9)(g), a description of the applicable agency's reasons why approval of the application would create a substantial risk of harm to the [~~health or safety~~]health, safety, or financial well-being of the public, or create unreasonable expenses for taxpayers in the state.

(h) If an applicable agency rejects an application under Subsection (9)(g), the regulatory relief office may not approve the application.

(i) If the applicable agency rejects an application under Subsection (9)(g), the applicable agency shall provide the rejection on a form created by the agency and signed by the director of the applicable agency.

(ii) The form shall document the reason for the rejection and show every reasonable effort was made to meet with the applicant.

(10)(a) Upon receiving a written report described in Subsection (9), the director shall provide the application and the written report to the advisory committee.

(b) The director may call the advisory committee to meet as needed, but not less than once per quarter if applications are available for review.

(c) After receiving and reviewing the application and each written report, the advisory committee shall provide to the director the advisory committee's recommendation as to whether or not the applicant should be admitted as a sandbox participant under this chapter.

(d) As part of the advisory committee's review of each written report, the advisory committee shall use the criteria required for an applicable agency as described in Subsection (9).

(11)(a) In reviewing an application and each applicable agency's written report, the regulatory relief office shall consult with each applicable agency [~~and the advisory committee~~]before admitting an applicant into the regulatory sandbox.

(b) The consultation with each applicable agency [~~and the consultation with the advisory committee~~]may include seeking information about whether:

(i) the applicable agency has previously issued a license or other authorization to the applicant; and

(ii) the applicable agency has previously investigated, sanctioned, or pursued legal action against the applicant.

(12) In reviewing an application under this section, the regulatory relief office and each applicable agency shall consider whether a competitor to the applicant is or has been a sandbox participant and, if so, weigh that as a factor in favor of allowing the applicant to also become a sandbox participant.

(13) In reviewing an application under this section, the regulatory relief office shall consider whether:

(a) the applicant's plan will adequately protect consumers from potential harm identified by an applicable agency in the applicable agency's written report;

(b) the risk of harm to consumers is outweighed by the potential benefits to consumers from the applicant's participation in the regulatory sandbox; and

(c) certain state laws or regulations that regulate an offering should not be waived or suspended even if the applicant is approved as a sandbox participant, including applicable antifraud or disclosure provisions.

(14)(a) An applicant becomes a sandbox participant if the regulatory relief office approves the application for the regulatory sandbox and the regulatory relief office enters into a written agreement with the applicant describing the specific laws and regulations that are waived or suspended as part of participation in the regulatory sandbox.

(b) Notwithstanding any other provision of this chapter, the regulatory relief office may not enter into a written agreement with an applicant and related parties that waives or suspends a tax, fee, or charge that is administered by the State Tax Commission or that is described in Title 59, Revenue and Taxation.

(15)(a) The director may deny at the director's sole discretion any application submitted under this section for any reason, including if the director determines that the preponderance of evidence demonstrates that suspending or waiving enforcement of a law or regulation would cause a significant risk of harm to consumers or residents of the state.

(b) If the director denies an application submitted under this section, the regulatory relief office shall provide to the applicant a written description of the reasons for not allowing the applicant to be a sandbox participant.

(c) The denial of an application submitted under this section is not subject to:

(i) agency or judicial review; or

(ii) the provisions of Title 63G, Chapter 4, Administrative Procedures Act.

(16) The director shall deny an application for participation in the regulatory sandbox described by this section if the applicant or any person who seeks to participate with the applicant in demonstrating an offering has been convicted, entered a plea of nolo contendere, or entered a plea of guilty or nolo contendere held in abeyance, for any crime involving significant theft, fraud, or dishonesty if the crime bears a significant relationship to the applicant's or other participant's ability to safely and competently participate in the regulatory sandbox program.

(17)(a) When an applicant is approved for participation in the regulatory sandbox, the director shall provide public notice of the approval on the office's website and through other appropriate means.

(b) The public notice described in Subsection (17)(a) shall state:

(i) the name of the sandbox participant;

(ii) the industries the sandbox participant represents; and

(3)(a) The regulatory relief office shall establish quarterly reporting requirements for a sandbox participant, including information about any consumer complaints.

(b) No later than 14 days after the day on which a sandbox participant submits the sandbox participant's second quarterly report to the regulatory relief office, the regulatory relief office shall provide the sandbox participant's first and second quarterly reports to each applicable agency.

(c) No later than 30 days after the day on which an applicable agency receives the reports as described in Subsection (3)(b), the applicable agency shall provide a written report to the regulatory relief office on the demonstration that describes any statutory or regulatory reform the applicable agency recommends as a result of the demonstration.

(4) The regulatory relief office may request records, documents, and data from a sandbox participant and, upon the regulatory relief office's request, the sandbox participant shall make such records, documents, and data available for inspection by the regulatory relief office.

(5)(a) The sandbox participant shall notify the regulatory relief office and each applicable agency of any incidents that result in harm to the health, safety, or financial well-being of a consumer.

(b) If a sandbox participant fails to notify the regulatory relief office and each applicable agency of any incidents as described in Subsection (5)(a), or the regulatory relief office or an applicable agency has evidence that significant harm to a consumer has occurred, the regulatory relief office may immediately remove the sandbox participant from the regulatory sandbox.

(6)(a) No later than 30 days after the day on which a sandbox participant exits the regulatory sandbox, the sandbox participant shall submit a written report to the regulatory relief office and each applicable agency describing an overview of the sandbox participant's demonstration, including any:

(b)(i) If the chief administrative officer fails to make a decision on an appeal of an access denial within the time specified in Subsection (5)(a), the failure is the equivalent of a decision affirming the access denial.

(6) Except as provided in Section 63G-2-406, the chief administrative officer may, upon consideration and weighing of the various interests and public policies pertinent to the classification and disclosure or nondisclosure, order the disclosure of information properly classified as private under Subsection 63G-2-302(2) or protected under Section 63G-2-305 if the interests favoring access are greater than or equal to the interests favoring restriction of access.

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 10-2-403 is amended to read:

10-2-403. Annexation petition -- Requirements -- Notice required before filing.

(1) Except as provided in Section 10-2-418, the process to annex an unincorporated area to a municipality is initiated by a petition as provided in this section.

(2)(a)(i) Before filing a petition under Subsection (1), the person or persons intending to file a petition shall:

(A) file with the city recorder or town clerk of the proposed annexing municipality a notice of intent to file a petition; and

(B) send a copy of the notice of intent to each affected entity.

(ii) Each notice of intent under Subsection (2)(a)(i) shall include an accurate map of the area that is proposed to be annexed.

(b)(i) Subject to Subsection (2)(b)(ii), the county in which the area proposed to be annexed is located shall:

(A) mail the notice described in Subsection (2)(b)(iii) to:

(iii) Each notice required under Subsection (2)(b)(i)(A) shall:

(B) state, in bold and conspicuous terms, substantially the following:

"Attention: Your property may be affected by a proposed annexation.

Records show that you own property within an area that is intended to be included in a proposed annexation to (state the name of the proposed annexing municipality) or that is within 300 feet of that area. If your property is within the area proposed for annexation, you may be asked to sign a petition supporting the annexation. You may choose whether to sign the petition. By signing the petition, you indicate your support of the proposed annexation. If you sign the petition but later change your mind about supporting the annexation, you may withdraw your signature by submitting a signed, written withdrawal with the recorder or clerk of (state the name of the proposed annexing municipality) within 30 days after (state the name of the proposed annexing municipality) receives notice that the petition has been certified.

There will be no public election on the proposed annexation because Utah law does not provide for an annexation to be approved by voters at a public election. Signing or not signing the annexation petition is the method under Utah law for the owners of property within the area proposed for annexation to demonstrate their support of or opposition to the proposed annexation.

You may obtain more information on the proposed annexation by contacting (state the name, mailing address, telephone number, and email address of the official or employee of the proposed annexing municipality designated to respond to questions about the proposed annexation), (state the name, mailing address, telephone number, and email address of the county official or employee designated to respond to questions about the proposed annexation), or (state the name, mailing address, telephone number, and email address of the person who filed the notice of intent under Subsection (2)(a)(i)(A), or, if more than one person filed the notice of intent, one of those persons). (iv) A county may not mail with the notice required under Subsection (2)(b)(i)(A) any other information or materials related or unrelated to the proposed annexation.

(c)(i) After receiving the certificate from the county as provided in Subsection (2)(b)(i)(B), the proposed annexing municipality shall, upon request from the person or persons who filed the notice of intent under Subsection (2)(a)(i)(A), provide an annexation petition for the annexation proposed in the notice of intent.

(d) contain on each signature page a notice in bold and conspicuous terms that states substantially the following:

There will be no public election on the annexation proposed by this petition because Utah law does not provide for an annexation to be approved by voters at a public election.

If you sign this petition and later decide that you do not support the petition, you may withdraw your signature by submitting a signed, written withdrawal with the recorder or clerk of (state the name of the proposed annexing municipality). If you choose to withdraw your signature, you shall do so no later than 30 days after (state the name of the proposed annexing municipality) receives notice that the petition has been certified.";

11-14-307, as last amended by Laws of Utah 2008, Chapter 21
20A-7-601, as last amended by Laws of Utah 2023, Chapters 107, 219

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 11-14-307 is amended to read:

11-14-307. Revenue bonds payable out of excise tax revenues.

(1) To the extent constitutionally permissible, a city, town, or county may:

(a) issue bonds payable solely from a special fund into which are to be deposited:

(i) excise taxes levied and collected by the city, town, or county;

(ii) excise taxes levied by the state and rebated pursuant to law to the city, town, or county; or

(iii) a combination of the excise taxes described in Subsections (1)(a)(i) and (ii); or

(b) pledge all or any part of the excise taxes described in Subsection (1)(a) as an additional source of payment for general obligation bonds it issues.

(2)(a) If the covenant is not inconsistent with this chapter, a resolution or trust indenture providing for the issuance of bonds payable in whole or in part from the proceeds of excise tax revenues may contain covenants with the holder or holders of the bonds as to:

(i) the excise tax revenues;

(ii) the disposition of the excise tax revenues;

(iii) the issuance of future bonds; and

(iv) other pertinent matters that are considered necessary by the governing body to assure the marketability of those bonds.

(b) A resolution may also include provisions to insure the enforcement, collection, and proper application of excise tax revenues as the governing body may think proper.

(c) The proceeds of bonds payable in whole or in part from pledged class B or C road funds shall be used to construct, repair, and maintain streets and roads in accordance with Sections 72-6-108 and 72-6-110 and to fund any reserves and costs incidental to the issuance of the bonds.

(d) When any bonds payable from excise tax revenues have been issued, the resolution or other enactment of the legislative body imposing the excise tax and pursuant to which the tax is being collected, the obligation of the governing body to continue to levy, collect, and allocate the excise tax, and to apply the revenues derived from the excise tax in accordance with the provisions of the authorizing resolution or other enactment, shall be irrevocable until the bonds have been paid in full as to both principal and interest, and is not subject to amendment in any manner that would impair the rights of the holders of those bonds or which would in any way jeopardize the timely payment of principal or interest when due.

(3)(a) The state pledges to and agrees with the holders of any bonds issued by a city, town, or county to which the proceeds of excise taxes collected by the state and rebated to the city, town, or county are devoted or pledged as authorized in this section, that the state will not alter, impair, or limit the excise taxes in a manner that reduces the amounts to be rebated to the city, town, or county which are devoted or pledged as authorized in this section until the bonds or other securities, together with applicable interest, are fully met and discharged.

(b) Nothing in this Subsection (3) precludes alteration, impairment, or limitation of excise taxes if adequate provision is made by law for the protection of the holders of the bonds.

(c) A city, town, or county may include this pledge and undertaking for the state in those bonds.

(4)(a) Outstanding bonds to which excise tax revenues are pledged as the sole source of payment may not at any one time exceed an amount for which the average annual installments of principal and interest will exceed 80% of the total excise tax revenues received by the issuing entity from the collection or rebate of the excise tax revenues during the fiscal year of the issuing entity immediately preceding the fiscal year in which the resolution authorizing the issuance of bonds is adopted.

(b) If an excise tax has not been levied by a city, town, or county for a sufficient period of time to determine the 80% bond payment requirement under Subsection (4)(a), a city, town, or county may use an excise tax revenue that is currently levied within the same geographic coverage area and with the same percentage of collection to determine the amount of excise tax revenues that are expected to be received to determine the 80% bond payment requirement under Subsection (4)(a).

(5) Bonds issued solely from a special fund into which are to be deposited excise tax revenues constitutes a borrowing solely upon the credit of the excise tax revenues received or to be received by the city, town, or county and does not constitute an indebtedness or pledge of the general credit of the city, town, or county.

(6) Before issuing any bonds under this section, a city, town, or county shall comply with Section 11-14-318.

[~~(7) A city, town, or county shall submit the question of whether or not to issue any bonds under this section to voters for their approval or rejection if, within 30 calendar days after the notice required by Section 11-14-318, a written petition requesting an election and signed by at least 20% of the registered voters in the city, town, or county is filed with the city, town, or county.~~]

(7) A city's, town's, or county's action to issue a bond under this section is subject to a local referendum in accordance with Title 20A, Chapter 7, Issues Submitted to the Voters.

(g) keep an index of recorded maps, plats, and subdivisions;

(h) keep an index of powers of attorney showing the date and time of recording, the book, the page, and the entry number;

(l) keep an index of water right numbers that are included on an instrument recorded on or after May

13, 2014, showing the date and time of recording, the book and the page or the entry number, and the kind of instrument[.]; and

(m) beginning January 1, 2025:

(i) maintain a system that allows a property owner to receive, upon the property owner's election, an electronic notice when the county recorder records a deed or mortgage, as defined in Section 70D-1-102, on the property owner's real property; and

(ii) if a property owner elects to receive electronic notice as described in Subsection (1)(m)(i), within 30 days after the day on which the county recorder records a deed or a mortgage as defined in Section 70D-1-102 on real property, provide an electronic notice of the recording to each property owner.

(e) A person may not bring an action against a recorder for injuries or damages suffered as a result of information contained in an instrument recorded in a tract index or other index that is required by this section despite errors, omissions, or defects in the instrument.

(f) The fact that a recorded instrument described in Subsection (3)(e) is included in the tract index does not cure a failure to give public notice caused by an error, omission, or defect.

(g) A document that is indexed in all or part of the indexes required by this section shall give constructive notice.

[~~(4)~~](6) Nothing in this section prevents the recorder from using a single name index if that index includes all of the indexes required by this section.
