(ii) On request of the petitioner, the petitioner's address may not be listed on the petition, and shall be protected and maintained in a separate document or automated database, not subject to release, disclosure, or any form of public access except as ordered by the court for good cause shown.

[~~(3)~~](4) (a) If the court determines that there is reason to believe that an offense of stalking has occurred, the court may issue an ex parte civil stalking injunction [~~may be issued by the court~~]that includes any of the following:

(i) the respondent may be enjoined from committing stalking;

(ii) the respondent may be restrained from coming near the residence, place of employment, or school of the other party or specifically designated locations or persons;

(b) (i) The court shall hold a hearing requested by the respondent at the earliest possible time and within 10 days after the day on which the request is filed with the court unless the court finds compelling reasons to continue the hearing.

and expires three years after the day on which the ex parte civil stalking injunction is served.

[~~(7)~~](8) (a) If the respondent requests a hearing after the 10-day period after service, the court shall set a hearing within a reasonable time from the date requested.

(b) At the hearing, the burden is on the respondent to show good cause why the civil stalking injunction should be dissolved or modified.

[~~(8)~~](9) (a) Within 24 hours after the affidavit or acceptance of service is returned, excluding weekends and holidays, the clerk of the court from which the ex parte civil stalking injunction was issued shall enter a copy of the ex parte civil stalking injunction and proof of service or acceptance of service in the statewide network for warrants or a similar system.

(b) The effectiveness of an ex parte civil stalking injunction or civil stalking injunction does not depend upon entry of the ex parte civil stalking injunction or civil stalking injunction in the statewide system and, for enforcement purposes, a certified copy of an ex parte civil stalking injunction or civil stalking injunction is presumed to be a valid existing order of the court for a period of three years after the day on which the ex parte civil stalking injunction is served on the respondent.

(c) (i) Any changes or modifications of the ex parte civil stalking injunction are effective upon service on the respondent.

(ii) The original ex parte civil stalking injunction continues in effect until service of the changed or modified civil stalking injunction on the respondent.

[~~(9)~~](10) Within 24 hours after the affidavit or acceptance of service is returned, excluding weekends and holidays, the clerk of the court shall enter a copy of the changed or modified civil stalking injunction and proof of service or acceptance of service in the statewide network for warrants or a similar system.

[~~(10)~~](11) The ex parte civil stalking injunction or civil stalking injunction may be dissolved at any time upon application of the petitioner to the court that granted the ex parte civil stalking injunction or civil stalking injunction.

[~~(11)~~](12) An ex parte civil stalking injunction and a civil stalking injunction shall be served by a sheriff or constable in accordance with this section.

[~~(12)~~](13) The remedies provided in this chapter for enforcement of the orders of the court are in addition to any other civil and criminal remedies available.

[~~(13)~~](14) The court shall hear and decide all matters arising under this section.

[~~(14)~~](15) After a hearing with notice to the affected party, the court may enter an order requiring any party to pay the costs of the action, including reasonable attorney fees.

[~~(15)~~](16) This section does not apply to preliminary injunctions issued under an action for dissolution of marriage or legal separation.

(ii) the possession of cannabis in question was in a form and an amount to medicinally treat the qualifying condition described in Subsection (1)(d)(i);

(e) if an objection is received, the petition for expungement is for a charge dismissed in accordance with a plea in abeyance agreement, and the charge is an offense eligible to be used for enhancement, there is good cause for the court to grant the expungement; and

(f) the interests of the public would not be harmed by granting the expungement.

(2) (a) If the court denies a petition described in Subsection (1)(c) because the prosecuting attorney intends to refile charges, the petitioner may apply again for a certificate of eligibility if charges are not refiled within 180 days after the day on which the court denies the petition.

(b) A prosecuting attorney who opposes an expungement of a case dismissed without prejudice, or without condition, shall have a good faith basis for the intention to refile the case.

(3) If the court grants a petition described in Subsection (1)(e), the court shall make the court's findings in a written order.

(6) (a) The petitioner may request certified copies of an order of expungement within 28 days after the day on which the court issues an order of expungement.

(b) If a petitioner makes a request under Subsection (6)(a), the court shall provide the petitioner with certified copies of the order of expungement.

Section 8. Section 78B-7-109 is amended to read:

78B-7-109. Continuing duty to inform court of other proceedings -- Effect of other proceedings.

(1) Each party has a continuing duty to inform the court of each proceeding for a civil protective order or a criminal protective order, any civil litigation, each proceeding in juvenile court, and each criminal case involving either party, including the case name, the file number, and the county and state of the proceeding, if that information is known by the party.

(2) (a) A civil protective order issued under this chapter is in addition to and not in lieu of any other available civil or criminal proceeding.

(b) A petitioner is not barred from seeking a civil protective order because of other pending proceedings.

(c) A court may not delay granting a civil protective order under this chapter because of the existence of a pending civil action between the parties.

(d) If a petitioner seeks a civil protective order based upon facts related to an arrest, investigation, detention, charging, or conviction of the respondent, the court may consider the facts when determining whether to issue a civil protective order even if the records of the arrest, investigation, detention, charging, or conviction are expunged.

(3) A petitioner may omit the petitioner's address from all documents filed with the court under this chapter, but shall separately provide the court with a mailing address that is not to be made part of the public record, but that may be provided to a peace officer or entity for service of process.

Section 4. Section 19-3-302 is amended to read:
19-3-302. Legislative assertions and findings.

(1) (a) The state [~~enacts this part to prevent~~]:

(i) asserts a right and interest to prevent the placement of any high-level nuclear waste or greater than class C radioactive waste in Utah [~~. The state also~~]; and

(ii) recognizes that high-level nuclear waste or greater than class C radioactive waste may be placed within the exterior boundaries of the state, pursuant to a license from the federal government, or by the federal government itself, in violation of this state law.

(b) Due to this possibility, the state also [~~enacts provisions in this part to regulate~~]asserts an interest in regulating transportation, transfer, storage, decay in storage, treatment, and disposal of any high-level nuclear waste and greater than class C radioactive waste in Utah, thereby asserting and protecting the state's interests in environmental and economic resources consistent with 42 U.S.C.A. Sec.2011 et seq., Atomic Energy Act and 42 U.S.C.A. Sec.10101 et seq., Nuclear Waste Policy Act, should the federal government decide to authorize any entity to operate, or operate itself, in violation of this state law.

(2) [~~Neither~~]The state finds that the Atomic Energy Act nor the Nuclear Waste Policy Act provides for siting a large privately owned high-level nuclear waste transfer, storage, decay in storage, or treatment facility away from the vicinity of the reactors. The Atomic Energy Act and the Nuclear Waste Policy Act specifically define authorized storage and disposal programs and activities. The state in enacting this part is not preempted by federal law, since any proposed facilities that would be sited in Utah are not contemplated or authorized by federal law and, in any circumstance, this part is not contrary to or inconsistent with federal law or congressional intent.

(3) The state has environmental and economic interests which do not involve nuclear safety regulation, and which shall be considered and complied with in siting a high-level nuclear waste or greater than class C radioactive waste transfer, storage, decay in storage, treatment, or disposal facility and in transporting these wastes in the state.

(4) [~~An additional primary purpose of this part is to ensure protection of~~]The state also asserts an interest in protecting the state from nonradiological hazards associated with any waste transportation, transfer, storage, decay in storage, treatment, or disposal.

(5) The state recognizes the sovereign rights of Indian tribes within the state. However, any proposed transfer, storage, decay in storage, treatment, or disposal facility located on a reservation which directly affects and impacts state interests by creating off-reservation effects such as potential or actual degradation of soils and groundwater, potential or actual contamination of surface water, pollution of the ambient air, emergency planning costs, impacts on development, agriculture, and ranching, and increased transportation activity, is subject to state jurisdiction.

(6) There is no tradition of regulation by the Indian tribes in Utah of high-level nuclear waste or higher than class C radioactive waste. The state does have a long history of regulation of radioactive sources and natural resources and in the transfer, storage, treatment, and transportation of materials and wastes throughout the state. The state finds that its interests are even greater when nonmembers of an Indian tribe propose to locate a facility on tribal trust lands primarily to avoid state regulation and state authorities under federal law.

(7) (a) This part [~~is not intended to~~]does not modify existing state requirements for obtaining environmental approvals, permits, and licenses, including surface and groundwater permits and air quality permits, when the permits are necessary under state and federal law to construct and operate a high-level nuclear waste or greater than class C radioactive waste transfer, storage, decay in storage, treatment, or disposal facility.

(b) Any source of air pollution proposed to be located within the state, including sources located within the boundaries of an Indian reservation, which will potentially or actually have a direct and significant impact on ambient air within the state, is required to obtain an approval order and permit from the state under Section 19-2-108.

(c) Any facility which will potentially or actually have a significant impact on the state's surface or groundwater resources is required to obtain a permit under Section 19-5-107 even if located within the boundaries of an Indian reservation.

(8) The state finds that the transportation, transfer, storage, decay in storage, treatment, and disposal of high-level nuclear waste and greater than class C radioactive waste within the state is an ultra-hazardous activity which carries with it the risk that any release of waste may result in enormous economic and human injury.

Section 5. Section 19-3-318 is amended to read:

19-3-318. No limitation of liability regarding businesses involved in high level radioactive waste.

(1) As used in this section:

(a) "Controlling interest" means:

(i) the direct or indirect possession of the power to direct or cause the direction of the management and policies of an organization, whether through the ownership of voting interests, by contract, or otherwise; or

(ii) the direct or indirect possession of a 10% or greater equity interest in an organization.

(b) "Equity interest holder" means a shareholder, member, partner, limited partner, trust beneficiary, or other person whose interest in an organization:

(i) is in the nature of an ownership interest;

(ii) entitles the person to participate in the profits and losses of the organization; or

(iii) is otherwise of a type generally considered to be an equity interest.

(c) "Organization" means a corporation, limited liability company, partnership, limited partnership, limited liability partnership, joint venture, consortium, association, trust, or other entity formed to undertake an enterprise or activity, whether or not for profit.

(d) "Parent organization" means an organization with a controlling interest in another organization.

(e) (i) "Subject activity" means:

(A) to arrange for or engage in the transportation or transfer of high level nuclear waste or greater than class C radioactive waste to or from a storage facility in the state; or

(B) to arrange for or engage in the operation or maintenance of a storage facility or a transfer facility for that waste.

(ii) "Subject activity" does not include the transportation of high level nuclear waste or greater than class C radioactive waste by a class I railroad that was doing business in the state as a common or contract carrier by rail prior to January 1, 1999.

(f) "Subsidiary organization" means an organization in which a parent organization has a controlling interest.

(2) (a) The Legislature enacts this section because of the state's compelling interest in the transportation, transfer, and storage of high level nuclear waste and greater than class C radioactive waste in this state. Legislative [~~intent~~]findings and assertions supporting this section [~~is~~]are further described in Section 19-3-302.

(b) [~~Limited~~]The state finds that:

(i) liability for equity interest holders is a privilege, not a right, under the law and is meant to benefit the state and its citizens [~~. An~~];

(ii) an organization engaging in subject activities has significant potential to affect the health, welfare, or best interests of the state and should not have limited liability for its equity interest holders [~~. To shield~~]; and

(iii) shielding equity interest holders from the debts and obligations of an organization engaged in subject activities would have the

effect of attracting capital to enterprises whose goals are contrary to the state's interests.

(c) This section [~~has the intent of revoking~~]revokes any and all statutory and common law grants of limited liability for an equity interest holder of an organization that chooses to engage in a subject activity in this state.

[~~(d) This section shall be interpreted liberally to allow the greatest possible lawful recourse against an equity interest holder of an organization engaged in a subject activity in this state for the debts and liabilities of that organization.~~]

[~~(c)~~](d) This section does not reduce or affect any liability limitation otherwise granted to an organization by Utah law if that organization is not engaged in a subject activity in this state.

(3) Notwithstanding any law to the contrary, if a domestic or foreign organization engages in a subject activity in this state, no equity interest holder of that organization enjoys any shield or limitation of liability for the acts, omissions, debts, and obligations of the organization incurred in this state. Each equity interest holder of the organization is strictly and jointly and severally liable for all these obligations.

(4) Notwithstanding any law to the contrary, each officer and director of an organization engaged in a subject activity in this state is individually liable for the acts, omissions, debts, and obligations of the organization incurred in this state.

(5) (a) Notwithstanding any law to the contrary, if a subsidiary organization is engaged in a subject activity in this state, [~~then~~]each parent organization of the subsidiary is also considered to be engaged in a subject activity in this state. Each parent organization's equity interest holders and officers and directors are subject to this section to the same degree as the subsidiary's equity interest holders and officers and directors.

(b) Subsection (5)(a) applies regardless of the number of parent organizations through which the controlling interest passes in the relationship between the subsidiary and the ultimate parent organization that controls the subsidiary.

(6) This section does not excuse or modify the requirements imposed upon an applicant for a license by Subsection 19-3-306(9).

[~~(3) It is declared to be the public policy of this state that this part be liberally construed and administered to the end that children shall be maintained from the resources of responsible parents, thereby relieving or avoiding, at least in part, the burden often borne by the general citizenry through public assistance programs.~~]

Section 7. Section 31A-22-305 is amended to read:

31A-22-305. Uninsured motorist coverage.

(1) As used in this section, "covered persons" includes:

(a) the named insured;

(b) for a claim arising on or after May 13, 2014, the named insured's dependent minor children;

(c) persons related to the named insured by blood, marriage, adoption, or guardianship, who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere;

(d) any person occupying or using a motor vehicle:

(i) referred to in the policy; or

(ii) owned by a self-insured; and

(e) any person who is entitled to recover damages against the owner or operator of the uninsured or underinsured motor vehicle because of bodily injury to or death of persons under Subsection (1)(a), (b), (c), or (d).

(2) As used in this section, "uninsured motor vehicle" includes:

(a) (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or

(ii) (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and

(B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of the deficiency;

(b) an unidentified motor vehicle that left the scene of an accident proximately caused by the motor vehicle operator;

(c) a motor vehicle covered by a liability policy, but coverage for an accident is disputed by the liability insurer for more than 60 days or continues to be disputed for more than 60 days; or

(d) (i) an insured motor vehicle if, before or after the accident, the liability insurer of the motor vehicle is declared insolvent by a court of competent jurisdiction; and

(ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent that the claim against the insolvent insurer is not paid by a guaranty association or fund.

(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.

(4) (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and

(v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

(c) (i) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies [~~legislative intent~~]the application of law and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:

(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) (i) As used in this Subsection (4)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) (i) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (4):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies [~~legislative intent~~]the application of law.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured motorist coverage until the named insured requests, in writing, different uninsured motorist coverage from the insurer.

(k) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of uninsured motorist coverage in the same manner as described in Subsection (4)(a)(iv); and

(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that carry uninsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(5) (a) (i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist coverage by an express writing to the insurer that provides liability coverage under Subsection 31A-22-302(1)(a).

(ii) This rejection shall be on a form provided by the insurer that includes a reasonable explanation of the purpose of uninsured motorist coverage.

(iii) This rejection continues for that issuer of the liability coverage until the insured in writing requests uninsured motorist coverage from that liability insurer.

(b) (i) All persons, including governmental entities, that are engaged in the business of, or that accept payment for, transporting natural persons by motor vehicle, and all school districts that provide transportation services for their students, shall provide coverage for all motor vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance, uninsured motorist coverage of at least $25,000 per person and $500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:

(i) in order to avoid double recovery, does not cover any benefit under Title 34A, Chapter 2, Workers' Compensation Act, or Title 34A, Chapter 3, Utah Occupational Disease Act, provided by the workers' compensation insurance carrier, uninsured employer, the Uninsured Employers' Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702, except that:

(A) the covered person is credited an amount described in Subsection 34A-2-106(5); and

(B) the benefits described in this Subsection (5)(c)(i) do not need to be paid before an uninsured motorist claim may be pursued and resolved;

(ii) may not be subrogated by the workers' compensation insurance carrier, uninsured employer, the Uninsured Employers' Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by any benefits provided by the workers' compensation insurance carrier, uninsured employer, the Uninsured Employers' Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) notwithstanding Subsection 31A-1-103(3)(f), may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:

(A) for a person under 18 years old who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" means the same as that term is defined in Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7) (a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b) (i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b).

(ii) A covered person as defined under Subsection (8)(b)(ii) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a) through (c) shall be secondary coverage.

(8) (a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):

(i) a covered person injured as a pedestrian by an uninsured motor vehicle; and

(ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(A) to the covered person;

(B) to the covered person's spouse; or

(C) to the covered person's resident parent or resident sibling.

(c) (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(A) a dependent minor of parents who reside in separate households; and

(B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:

(I) to the covered person;

(II) to the covered person's resident parent; or

(III) to the covered person's resident sibling.

(ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f) (i) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9) (a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).

(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) any allegations or claims asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means; and

(ii) within 20 days after service of the arbitration award, a party:

(A) files a complaint requesting a trial de novo in a court with jurisdiction under Title 78A, Judiciary and Judicial Administration; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) (i) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation in accordance with the Utah Rules of Civil Procedure and Utah Rules of Evidence.

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, a party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed $2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) (a) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:

(A) subject to Subsection (10)(l), the specific monetary amount of the demand, including a computation of the covered person's claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and

(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:

(A) (I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);

(B) (I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and

(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;

(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;

(D) other documents to reasonably support the claims being asserted; and

(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26B, Chapter 3, Part 9, Utah Children's Health Insurance Program, or if the claim is subject to any other state or federal statutory liens; and

(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b) (i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) (i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:

(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);

(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and

(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26B, Chapter 3, Part 9, Utah Children's Health Insurance Program, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person less:

(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or

(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:

(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or

(ii) elect to:

(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and

(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a) through (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:

(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and

(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than $15,000, the amount shall be reduced to an amount equal to the policy limits plus $15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;

(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed $5,000.

(i) (i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) (i) (A) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed.

(B) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and

(b) Subsection (11)(a) shall apply to all claims that have not been time barred by Subsection 31A-21-313(1)(a) as of May 14, 2019.

Section 8. Section 31A-22-305.3 is amended to read:

31A-22-305.3. Underinsured motorist coverage.

(1) As used in this section:

(a) "Covered person" means the same as that term is defined in Section 31A-22-305.

(b) (i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.

(ii) The term "underinsured motor vehicle" does not include:

(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;

(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or

(C) a motor vehicle owned or leased by:

(I) a named insured;

(II) a named insured's spouse; or

(III) a dependent of a named insured.

(2) (a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.

(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's resident relative may recover underinsured benefits only if the motor vehicle is:

(i) described in the policy under which a claim is made; or

(ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3) (a) For purposes of this Subsection (3), "new policy" means:

(i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or

(ii) a change to an existing policy that results in:

(A) a named insured being added to or deleted from the policy; or

(B) a change in the limits of the named insured's motor vehicle liability coverage.

(b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the

insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:

(i) is filed with the department;

(ii) is provided by the insurer;

(iii) waives the higher coverage;

(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and

(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(d) (i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c) clarifies [~~legislative intent~~]the application of law and does not enlarge, eliminate, or destroy vested rights.

(e) (i) As used in this Subsection (3)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).

(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:

(A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of underinsured motorist coverage; and

(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(a)(ii) does not constitute a new policy.

(g) (i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsection (3)(a):

(A) does not enlarge, eliminate, or destroy vested rights; and

(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:

(i) self-insured entity's coverage level; and

(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:

(i) $10,000 for one person in any one accident; and

(ii) at least $20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k) (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).

(ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l) (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:

(A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(b)(iv); and

(B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4) (a) (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.

(ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b) (i) A covered person injured as a pedestrian by an underinsured motor vehicle may recover underinsured motorist benefits under

any one other policy in which they are described as a covered person.

(ii) Except as provided in Subsection (4)(b)(iii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(iii) (A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:

(I) a dependent minor of parents who reside in separate households; and

(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.

(B) Each parent's policy under this Subsection (4)(b)(iii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iv) A covered person's recovery under any available policies may not exceed the full amount of damages.

(v) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

(vi) The primary and the secondary coverage may not be set off against the other.

(vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(viii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(ix) (A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.

(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) in order to avoid double recovery, does not cover any benefit under Title 34A, Chapter 2, Workers' Compensation Act, or Title 34A, Chapter 3, Utah Occupational Disease Act, provided by the workers' compensation insurance carrier, uninsured employer, the Uninsured Employers' Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702, except that:

(A) the covered person is credited an amount described in Subsection 34A-2-106(5); and

(B) the benefits described in this Subsection (4)(c)(i) do not need to be paid before an underinsured motorist claim may be pursued and resolved.

(ii) may not be subrogated by a workers' compensation insurance carrier, uninsured employer, the Uninsured Employers' Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by benefits provided by the workers' compensation insurance carrier, uninsured employer, the Uninsured Employers' Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) notwithstanding Subsection 31A-1-103(3)(f), may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:

(A) while committing a violation of Section 41-1a-1314;

(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or

(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:

(A) for a person younger than 18 years old who is injured within the scope of Subsection (4)(c)(v), but is limited to medical and funeral expenses; or

(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(5) (a) Notwithstanding Section 31A-21-313, an action on a written policy or contract for underinsured motorist coverage shall be commenced within four years after the inception of loss.

(b) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the settlement check representing the last liability policy payment.

(6) An underinsured motorist insurer does not have a right of reimbursement against a person liable for the damages resulting from an injury-causing occurrence if the person's liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:

(a) that provides coverage for damages resulting from motor vehicle accidents; and

(b) that is not required to conform to Section 31A-22-302.

(8) (a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person's underinsured motorist carrier, the claimant may elect to resolve the claim:

(i) by submitting the claim to binding arbitration; or

(ii) through litigation.

(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).

(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.

(d) For purposes of the statute of limitations applicable to a claim described in Subsection (8)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (8).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.

(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(e)(i).

(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(e)(ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (8)(e)(iii):

(i) each side shall select one arbitrator; and

(ii) the arbitrators appointed under Subsection (8)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:

(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(i); or

(ii) if an arbitration panel is selected under Subsection (8)(e)(iii):

(A) each party shall pay the fees and costs of the arbitrator selected by that party; and

(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section is governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (9)(a) through (c) are satisfied.

(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant's specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).

(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a final decision.

(l) (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the underinsured motorist policy limits of all applicable underinsured motorist policies, including applicable underinsured motorist umbrella policies.

(ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable underinsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined underinsured motorist policy limits of all applicable underinsured motorist policies.

(m) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual damages, including:

(i) whether the claimant is a covered person;

(ii) whether the policy extends coverage to the loss; or

(iii) an allegation or claim asserting consequential damages or bad faith liability.

(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (8)(m) between the parties unless:

(i) the award is procured by corruption, fraud, or other undue means; or

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the a court with jurisdiction under Title 78A, Judiciary and Judicial Administration; and

(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(r) (i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (8)(r)(iv), the costs under this Subsection (8)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(r) may not exceed $2,500 unless Subsection (9)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (8)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a court determines, upon a motion of the nonmoving party, that a moving party's use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(v) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9) (a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (9)(a)(ii)(A)(I);

(ii) If the amount tendered by the underinsured motorist carrier under Subsection (9)(c)(i) is the total amount of the underinsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an underinsured motorist carrier as provided for in Subsection (9)(c)(i), may:

(B) for an electrical cooperative, .15% of the electrical cooperative's gross operating revenues for the preceding calendar year; or

(ii) $50.

(6) (a) There is created a Supplemental Levy Committee to levy additional assessments on public utilities when unanticipated costs of regulation occur in any fiscal year.

(b) The Supplemental Levy Committee shall consist of:

(ii) The supplemental fee imposed upon the utilities shall equal a percentage of their gross operating revenue for the preceding calendar year.

(iii) The aggregate of all fees, including any supplemental fees assessed, shall not exceed .3% of the gross operating revenue of the utilities assessed for the preceding calendar year.

(iv) Payment of the supplemental fee is due within 30 days after receipt of the assessment.

(v) The utility may, within 10 days after receipt of assessment, request a hearing before the Public Service Commission if it questions the need for, or the reasonableness of, the supplemental fee.

(e) (i) Any supplemental fee collected to defray the cost of regulation shall be transferred to the state treasurer as a departmental collection.

(i) a distribution electrical cooperative; or

(ii) a wholesale electrical cooperative.

(c) The aggregate of all fees imposed under this section on an electrical cooperative in a calendar year shall not exceed the greater of:

(i) .3% of the electrical cooperative's gross operating revenues for the preceding calendar year; or

Section 18. Section 59-12-202 is amended to read:

59-12-202. Legislative findings -- Commission authority.

[~~(1) It is the purpose of this part to provide the counties, cities, and towns of the state with an added source of revenue and to thereby assist them to meet their growing financial needs. It is the legislative intent that this added revenue be used to the greatest possible extent by the counties, cities, and towns to finance their capital outlay requirements and to service their bonded indebtedness.~~]

[~~(2)~~](1) [~~It is the purpose of this part to provide an orderly and efficient system of administering, operating, and enforcing the state and local option sales and use tax.~~]The Legislature finds that:

(a) intervention by counties, cities, and towns into the administration, operation, and enforcement of the local sales and use tax, particularly in the hearing and appeal process, increases the cost of administering both the local option sales and use tax and the state sales and use tax proceedings, and substantially delays the receipt of revenues for counties, cities, towns, and the state [~~. The Legislature finds that~~]; and

(b) the interests and concerns of counties, cities, and towns can be adequately protected through the commission's enforcement efforts. [~~It is therefore the Legislature's intent to grant the commission~~]

(2) The commission has exclusive authority to:

(a) administer, operate, and enforce the local option sales and use tax, without interference from counties, cities, [~~and~~]or towns [~~and to~~]; and

(b) allow intervention by [~~any~~]a county, city, or town only in the limited circumstances where a particular hearing or appeal may result in a significant lessening of the revenues of [~~any~~]a single county, city, or town.

Section 19. Section 59-12-701 is amended to read:

59-12-701. Legislative findings.

The Utah Legislature finds and declares that:

(1) [~~Recreational~~]recreational and zoological facilities and the botanical, cultural, and zoological organizations of the state of Utah enhance the quality of life of Utah's citizens, as well as the continuing growth of Utah's tourist, convention, and recreational industries [~~.~~];

(2) Utah was the first state in this nation to create and financially support a state arts agency and remains committed to the nurturing and growth of cultural pursuits [~~.~~];

(3) Utah has provided, and intends to continue, the financial support of recreational and zoological facilities and the botanical, cultural, and zoological organizations of this state [~~.~~];

(4) [~~The~~]the state's support of its recreational and zoological facilities and its botanical, cultural, and zoological organizations has not been sufficient to assure the continuing existence and growth of these facilities and organizations, and the Legislature believes that local government may wish to play a greater role in the support of these organizations [~~.~~]; and

[~~(5) Without jeopardizing the state's ongoing support of its recreational and zoological facilities and its botanical, cultural, and zoological organizations, the Legislature intends to permit the counties of the state of Utah to enhance public financial support of Utah's publicly owned or operated recreational and zoological facilities, and botanical, cultural, and zoological organizations owned or operated by institutions or private nonprofit organizations, through the imposition of a county sales and use tax.~~]

[~~(6)~~](5) [~~In~~]in a county of the first class, it is necessary and appropriate to allocate a tax imposed under this part in a manner that provides adequate predictable support to a fixed number of botanical and cultural organizations and that gives the county legislative body discretion to allocate the tax revenues to other botanical and cultural organizations.

Section 20. Section 59-12-1401 is amended to read:

59-12-1401. Purpose statement -- Definitions -- Scope of part.

(1) [~~The purpose of~~]In relation to the tax imposed by this part [~~is the same for cities and towns as is stated in Section 59-12-701 for counties~~], the legislative findings described in Section 59-12-701 apply similarly to cities and towns as the findings apply to counties.

(2) The definitions of Section 59-12-702 are incorporated into this part.

(3) This part applies only to a city or town that is located within a county of the second, third, fourth, fifth, or sixth class as designated in Section 17-50-501.

Section 21. Section 63A-3-104 is amended to read:

63A-3-104. Appropriation for contingency purposes -- Procedure for allotment.

(1) (a) The Legislature shall determine the amount to be appropriated for contingency purposes, as well as the limits on the amount of any one allotment or total allotments to any one agency.

(b) In advance of making [~~any such~~]an allotment described in Subsection (1), the governor shall notify the Legislature through the Office of the Legislative Fiscal Analyst, of [~~his or her intent to do so~~]the governor's intent to make an allotment, of the amount to be allotted, and the justification for the allotment.

(2) [~~It is the intent of the Legislature that such transfers~~]Allotments described in this section:

(a) shall be made only for unforeseeable emergencies [~~, and allotments shall~~]; and

(b) may not be made to correct poor budgetary practices or for purposes having no existing appropriation or authorization.

Section 22. Section 63N-1a-305 is amended to read:

63N-1a-305. Incentive review process.

The [~~Legislature intends that the office will~~]office shall develop an incentives review process under the direction of the speaker of the House and the president of the Senate.

Section 23. Section 64-9b-5 is amended to read:

64-9b-5. Use of earnings from jobs.

[~~It is the legislative intent, and inmates are encouraged,~~]Inmates are encouraged to use their personal earnings from jobs created under this chapter for the following:

(1) for restitution to the victims of the inmate's criminal offense, where applicable;

(2) for support of the inmate's family, where applicable;

(3) for the inmate's personal use; and

(4) for reimbursement of security, operational, and other costs incurred by the Utah Correctional Industries Division of the department in administering these projects.

Section 24. Section 64-13a-2 is amended to read:

64-13a-2. Division duties.

[~~It is the intent of the Legislature in this chapter to:~~]

[~~(1) create a~~]The Division of Correctional Industries [~~which~~]:

[~~(a)~~](1) is a self-supporting organization;

[~~(b)~~](2) is profit-oriented;

[~~(c)~~](3) generates revenue for its operations and capital investment; [~~and~~]

[~~(d)~~](4) assumes responsibility for training offenders in general work habits, work skills, and specific training skills that increase their employment prospects when released;

[~~(2)~~](5) shall provide an environment for the operation of correctional industries that closely resembles the environment for the business operations of a private corporate entity; and

[~~(3)~~](6) [~~make the Division of Correctional Industries~~]is responsible for and accountable to the Legislature and to the governor for correctional industries programs in this state.

Section 25. Section 72-5-201 is amended to read:

72-5-201. Legislative finding -- Ensuring access.

(1) (a) The Legislature [~~recognizes~~]finds that highways provide tangible benefits to private and public lands of the state by providing access, allowing development, and facilitating production of income.

(b) Many of those highways traverse state lands, including lands held by the state in trust for the school children and public institutions of the state.

(c) Many of the existing highways have been previously established without an official grant of an easement or right of entry from this state, yet these highways often are the only access to private and public lands of the state.

(2) The [~~Legislature intends to establish a means for ensuring~~]state shall ensure continued access to the private and public lands of the state for the good of the people, while fulfilling its fiduciary responsibilities toward the schoolchildren by protecting their trust holdings against loss.

Section 26. Section 73-10-1 is amended to read:

73-10-1. State's policy -- Creation of revolving fund -- General construction of chapter.

(1) (a) The Legislature restates the following, previously-declared policies of the state of Utah [~~has heretofore declared~~]:

(i) [~~by Section 73-1-1, Utah Code Annotated 1953, that,~~]"All waters in this state, whether above or under the ground, are hereby declared to be the property of the public, subject to all existing rights to the use thereof";

(ii) [~~by Section 73-1-3, Utah Code Annotated 1953, that~~]"Beneficial use shall be the basis, the measure and the limit of all rights to the use of water in this state"; and

(iii) [~~by Section 17B-2a-1002 that the policy of the state is,~~]to "obtain from water in the state the highest duty for domestic uses and irrigation of lands in the state within the terms of applicable interstate compacts and other law."

(b) The Legislature by this chapter reiterates and reaffirms [~~such~~]the declaration of the public policy of the state of Utah, described in Subsection (1)(a).

(2) It is further declared to be the policy of this chapter and of the state of Utah, and the [~~legislature~~]Legislature recognizes:

(a) that by construction of projects based upon sound engineering the waters within the various counties of the state of Utah can be saved from waste and increased in efficiency of beneficial use by 25% to 100%;

(b) that because of well-known conditions such as low prices and lack of market for farm products, particularly the inefficiency of water supply because of lack of late season water and consequent lack of financial strength, water users in small communities have been unable to build projects that would provide full conservation and beneficial use for the limited water supply in this semiarid land;

(c) that water, as the property of the public, should be so managed by the public that it can be put to the highest use for public benefit;

(d) that Congress of the United States has provided for the building of larger water conservation projects throughout the semiarid states, payment of the capital costs without interest to be made by the water users upon the basis of a fair portion of crop returns;

(e) that the Congress of the United States has established in the department of interior and in the department of agriculture, various agencies having authority to develop, protect, and aid in putting to beneficial use the land and water resources of the United States and to cooperate with state agencies having similar authority;

(f) that the interests of the state of Utah require that means be provided for close cooperation between all state and federal agencies to the end that the underground waters and waters of the small streams of the state, and the lands thereunder, can be made to yield abundantly and increase the income and well-being of the citizens of the state; and

(g) that it appears to be sound public policy for the state of Utah to provide a revolving fund, to be increased at each legislative session, to the end that every mountain stream and every water resource within the state can be made to render the highest beneficial service, such fund to be so administered that no project will be built except upon expert engineering, financial, and geological approval.

[~~(3) All of the provisions of this chapter shall be liberally construed so as to carry out and put into force and effect the purposes and policies as hereinabove set forth.~~]

Section 27. Section 77-37-1 is amended to read:

77-37-1. Legislative findings.

(1) (a) The Legislature recognizes the duty of victims and witnesses of crime to fully and voluntarily cooperate with law enforcement and prosecutorial agencies, the essential nature of citizen cooperation to state and local law enforcement efforts, and the general effectiveness and well-being of the criminal justice system of this state. [~~In this chapter, the Legislature declares its intent to~~]

(b) The state shall ensure that all victims and witnesses of crime are treated with dignity, respect, courtesy, and sensitivity, and that the rights extended in this chapter to victims and witnesses of crime are honored and protected by law in a manner no less vigorous than protections afforded criminal defendants.

(2) (a) The Legislature finds it is necessary to provide child victims and child witnesses with additional consideration and different treatment than that usually afforded to adults.

(b) The treatment should ensure that children's participation in the criminal justice process be conducted in the most effective and least traumatic, intrusive, or intimidating manner.

Section 28. Section 78B-6-102 is amended to read:

78B-6-102. Legislative findings -- Best interest of child -- Interests of each party.

(1) [~~It is the intent and desire of the Legislature that in~~]In every adoption, the best interest of the child should govern and be of foremost concern in [~~the~~]a court's determination.

(2) The court shall make a specific finding regarding the best interest of the child, taking into consideration information provided to the court pursuant to the requirements of this chapter relating to the health, safety, and welfare of the child and the moral climate of the potential adoptive placement.

(3) The Legislature finds that the rights and interests of all parties affected by an adoption proceeding must be considered and balanced in determining what constitutional protections and processes are necessary and appropriate.

(4) The Legislature specifically finds that it is not in a child's best interest to be adopted by a person or persons who are cohabiting in a relationship that is not a legally valid and binding marriage under the laws of this state. Nothing in this section limits or prohibits the court's placement of a child with a single adult who is not cohabiting or a person who is a relative of the child or a recognized placement under the Indian Child Welfare Act, 25 U.S.C. Sec. 1901 et seq.

(5) The Legislature also finds that:

(a) the state has a compelling interest in providing stable and permanent homes for adoptive children in a prompt manner, in preventing the disruption of adoptive placements, and in holding parents accountable for meeting the needs of children;

(b) an unmarried mother, faced with the responsibility of making crucial decisions about the future of a newborn child, is entitled to privacy, and has the right to make timely and appropriate decisions regarding her future and the future of the child, and is entitled to assurance regarding the permanence of an adoptive placement;

(c) adoptive children have a right to permanence and stability in adoptive placements;

(d) adoptive parents have a constitutionally protected liberty and privacy interest in retaining custody of an adopted child;

(e) an unmarried biological father has an inchoate interest that acquires constitutional protection only when he demonstrates a timely and full commitment to the responsibilities of parenthood, both during pregnancy and upon the child's birth; and

(f) the state has a compelling interest in requiring unmarried biological fathers to demonstrate commitment by providing appropriate medical care and financial support and by establishing legal paternity, in accordance with the requirements of this chapter.

(6) (a) In enacting this chapter, the Legislature has prescribed the conditions for determining whether an unmarried biological father's action is sufficiently prompt and substantial to require constitutional protection.

(b) If an unmarried biological father fails to grasp the opportunities to establish a relationship with his child that are available to him, his biological parental interest may be lost entirely, or greatly diminished in constitutional significance by his failure to timely exercise it, or by his failure to strictly comply with the available legal steps to substantiate it.

(c) A certain degree of finality is necessary in order to facilitate the state's compelling interest. The Legislature finds that the interests of the state, the mother, the child, and the adoptive parents described in this section outweigh the interest of an unmarried biological father who does not timely grasp the opportunity to establish and demonstrate a relationship with his child in accordance with the requirements of this chapter.

(d) The Legislature finds no practical way to remove all risk of fraud or misrepresentation in adoption proceedings, and has provided a method for absolute protection of an unmarried biological father's rights by compliance with the provisions of this chapter. In balancing the rights and interests of the state, and of all parties affected by fraud, specifically the child, the adoptive parents, and the unmarried biological father, the Legislature has determined that the unmarried biological father is in the best position to prevent or ameliorate the effects of fraud and that, therefore, the burden of fraud shall be borne by him.

(e) An unmarried biological father has the primary responsibility to protect his rights.

(f) An unmarried biological father is presumed to know that the child may be adopted without his consent unless he strictly complies with the provisions of this chapter, manifests a prompt and full commitment to his parental responsibilities, and establishes paternity.

(7) The Legislature finds that an unmarried mother has a right of privacy with regard to her pregnancy and adoption plan, and therefore has no legal obligation to disclose the identity of an unmarried biological father prior to or during an adoption proceeding, and has no obligation to volunteer information to the court with respect to the father.

(d) "Operating deficit" means that, at the end of the fiscal year, the unassigned fund balance in the Income Tax Fund is less than zero.

(2) There is created within the Income Tax Fund a restricted account to be known as the Income Tax Fund Budget Reserve Account, which is designated to receive the legislative appropriations and the surplus revenue required to be deposited into the account by this section.

(3) (a) (i) Except as provided in Subsection (3)(a)(ii), at the end of any fiscal year in which the Division of Finance, in consultation with the [~~Legislative Fiscal Analyst~~]legislative fiscal analyst and in conjunction with the completion of the annual audit by the state auditor, determines that there is an Income Tax Fund revenue surplus, the Division of Finance shall transfer 25% of the Income Tax Fund revenue surplus to the Income Tax Fund Budget Reserve Account.

(ii) If the transfer of 25% of the Income Tax Fund revenue surplus to the Income Tax Fund Budget Reserve Account under Subsection (3)(a)(i) would cause the balance in the account to exceed 11% of Income Tax Fund appropriations for the fiscal year in which the Income Tax Fund revenue surplus occurred, the Division of Finance shall:

(A) transfer to the Income Tax Fund Budget Reserve Account only those funds necessary to ensure that the balance in the account equals 11% of the Income Tax Fund appropriations for the fiscal year in which the Income Tax Fund revenue surplus occurred [~~.~~]; and

(B) transfer to the State Sovereignty Fund created in Section 51-13-201 the remaining amount of the 25% of the Income Tax Fund revenue surplus described in Subsection (3)(a)(i).

(iii) The Division of Finance shall calculate the amount to be transferred under this Subsection (3)(a):

(A) before transferring from the Income Tax Fund revenue surplus any other year-end contingency appropriations, year-end set-asides,

or other year-end transfers required by law; and

(B) excluding any direct legislative appropriation made to the Income Tax Fund Budget Reserve Account for the fiscal year.

(b) (i) Except as provided in Subsection (3)(b)(ii), in addition to Subsection (3)(a)(i), if an Income Tax Fund revenue surplus exists and if, within the last 10 years, the Legislature has appropriated any money from the Income Tax Fund Budget Reserve Account that has not been replaced by appropriation or as provided in this Subsection (3)(b), the Division of Finance shall transfer up to 25% more of the Income Tax Fund revenue surplus to the Income Tax Fund Budget Reserve Account to replace the amounts appropriated, until direct legislative appropriations, if any, and transfers from the Income Tax Fund revenue surplus under this Subsection (3)(b) have replaced the appropriations from the account.

(ii) If the transfer under Subsection (3)(b)(i) would cause the balance in the account to exceed 11% of Income Tax Fund appropriations for the fiscal year in which the Income Tax Fund revenue surplus occurred, the Division of Finance shall transfer only those funds necessary to ensure that the balance in the account equals 11% of Income Tax Fund appropriations for the fiscal year in which the revenue surplus occurred.

(iii) The Division of Finance shall calculate the amount to be transferred under this Subsection (3)(b):

(A) before transferring from the Income Tax Fund revenue surplus any other year-end contingency appropriations, year-end set-asides, or other year-end transfers required by law; and

(B) excluding any direct legislative appropriation made to the Income Tax Fund Budget Reserve Account for the fiscal year.

(c) For appropriations made by the Legislature to the Income Tax Fund Budget Reserve Account, the Division of Finance shall treat those appropriations, unless specified otherwise in the appropriation, as replacement funds for appropriations made from the account if funds were appropriated from the account within the past 10 years and have not yet been replaced.

(4) Notwithstanding Subsection (3), if, at the end of a fiscal year, the Division of Finance determines that an operating deficit exists, the Division of Finance may reduce the transfer to the Income Tax Fund Budget Reserve Account by the amount necessary to eliminate the operating deficit.

(5) The Legislature may appropriate money from the Income Tax Fund Budget Reserve Account only to resolve an Income Tax Fund budget deficit.

(6) Interest generated from investments of money in the Income Tax Fund Budget Reserve Account shall be deposited into the Income Tax Fund.

(6) An insurer shall pay all sums to the provider or insured that the insurer is obligated to pay on the claim, and provide a written explanation of the insurer's decision regarding any part of the claim that is denied within 20 days of receiving the information requested under Subsection (3)(b), (4)(b), or (4)(c).

(d) enter into any contract or agreement that allows the person to directly or indirectly control the operations of a medical cannabis pharmacy if the person's control of the medical cannabis pharmacy would cause the person to effectively exceed the pharmacy ownership limit.

(2) (a) (i) Subject to Subsections (4) and (5) and to Section 4-41a-1005, the department shall issue a license to operate a medical cannabis pharmacy through the licensing board created under Section 4-41a-201.1.

(a) third degree felony is as if the conviction were for a first degree felony;

(b) second degree felony is as if the conviction were for a first degree felony; or

(c) first degree felony remains the penalty for a first degree penalty except:

(i) the convicted person is not eligible for probation; and

(ii) the Board of Pardons and Parole shall consider that the convicted person is a habitual violent offender as an aggravating factor in determining the length of incarceration.

(3) (a) The prosecuting attorney, or grand jury if an indictment is returned, shall provide notice in the information or indictment that the defendant is subject to punishment as a habitual violent offender under this section. Notice shall include the case number, court, and date of conviction or commitment of any case relied upon by the prosecution.

(b) (i) The defendant shall serve notice in writing upon the prosecutor if the defendant intends to deny that:

(A) the defendant is the person who was convicted or committed;

(B) the defendant was represented by counsel or had waived counsel; or

(d) If any previous conviction and commitment is based upon a plea of guilty or no contest, there is a rebuttable presumption that the conviction and commitment were regular and lawful in all respects if the conviction and commitment occurred after January 1, 1970. If the conviction and commitment occurred prior to January 1, 1970, the burden is on the prosecution to establish by a preponderance of the evidence that the defendant was then represented by counsel or had lawfully waived the right to have counsel present, and that the defendant's plea was understandingly and voluntarily entered.

(e) If the trier of fact finds this section applicable, the court shall enter that specific finding on the record and shall indicate in the order of judgment and commitment that the defendant has been found by the trier of fact to be a habitual violent offender and is sentenced under this section.

(ii) child kidnapping, Section 76-5-301.1;

(iii) aggravated kidnapping, Section 76-5-302; or

(b) applying the sentencing enhancement provided for in this section would result in a lower maximum penalty than the penalty provided for under the section that describes the offense for which the person is being sentenced.

Section 5. Section 76-3-406 is amended to read:

76-3-406. Crimes for which probation, suspension of sentence, lower category of offense, or hospitalization may not be granted.

(a) child torture as described in Section 76-5-109.4;

(b) aggravated murder as described in Section 76-5-202;

[~~(b)~~](c) murder as described in Section 76-5-203;

[~~(j)~~](k) sodomy on a child as described in Section 76-5-403.1;

[~~(k)~~](l) forcible sexual abuse as described in Subsection 76-5-404(3)(b)(i) or (ii);

[~~(l)~~](m) aggravated sexual abuse of a child as described in Section 76-5-404.3;

[~~(m)~~](n) aggravated sexual assault as described in Section 76-5-405; or

81-9-208. Modification or termination of a custody or parent-time order -- Noncompliance with a parent-time order.

(1) The court has continuing jurisdiction to make subsequent changes to modify:

(a) custody of a minor child if there is a showing of a substantial and material change in circumstances since the entry of the order; and

(b) parent-time for a minor child if there is a showing that there is a change in circumstances since the entry of the order.

(2) A substantial and material change in circumstances under Subsection (1)(a) includes a showing by a parent that the other parent:

(a) resides with an individual or provides an individual with access to the minor child; and

(b) knows that the individual:

(i) is required to register as a sex offender or a kidnap offender for an offense against a minor child under Title 77, Chapter 41, Sex and Kidnap Offender Registry;

(ii) is required to register as a child abuse offender under Title 77, Chapter 43, Child Abuse Offender Registry; or

(iii) has been convicted of:

(A) a child abuse offense under Section 76-5-109, 76-5-109.2, 76-5-109.3, 76-5-109.4, 76-5-114, or 76-5-208;

(B) a sexual offense against a minor child under Title 76, Chapter 5, Part 4, Sexual Offenses;

(D) a sexual exploitation offense against a minor child under Title 76, Chapter 5b, Sexual Exploitation Act; or

(E) an offense that is substantially similar to an offense under Subsections (2)(b)(iii)(A) through (D).

(3) On the petition of one or both of the parents, or the joint legal or physical custodians if they are not the parents, the court may, after a hearing, modify or terminate an order that established joint legal custody or joint physical custody if:

(a) the verified petition or accompanying affidavit initially alleges that admissible evidence will show that there has been a substantial and material change in the circumstances of the minor child or one or both parents or joint legal or physical custodians since the entry of the order to be modified;

(b) a modification of the terms and conditions of the order would be an improvement for and in the best interest of the minor child; and

(c) (i) both parents have complied in good faith with the dispute resolution procedure in accordance with Subsection 81-9-205(8); or

(ii) if no dispute resolution procedure is contained in the order that established joint legal custody or joint physical custody, the court orders the parents to participate in a dispute resolution procedure in accordance with Subsection 81-9-205(13) unless the parents certify that, in good faith, they have used a dispute resolution procedure to resolve their dispute.

(4) (a) In determining whether the best interest of a minor child will be served by either modifying or terminating the joint legal custody or joint physical custody order, the court shall, in addition to other factors the court considers relevant, consider the factors described in Sections 81-9-204 and 81-9-205.

(b) A court order modifying or terminating an existing joint legal custody or joint physical custody order shall contain written findings that:

(i) a substantial and material change of circumstance has occurred; and

(ii) a modification of the terms and conditions of the order would be an improvement for and in the best interest of the minor child.

(c) The court shall give substantial weight to the existing joint legal custody or joint physical custody order when the minor child is thriving, happy, and well-adjusted.

(5) The court shall, in every case regarding a petition for termination of a joint legal custody or joint physical custody order, consider reasonable alternatives to preserve the existing order in accordance with Section 81-9-204.

(6) The court may modify the terms and conditions of the existing order in accordance with this chapter and may order the parents to file a parenting plan in accordance with Section 81-9-203.

(7) A parent requesting a modification from sole custody to joint legal custody or joint physical custody or both, or any other type of shared parenting arrangement, shall file and serve a proposed parenting plan with the petition to modify in accordance with Section 81-9-203.

(8) If an issue before the court involves custodial responsibility in the event of deployment of one or both parents who are service members, and the service member has not yet been notified of deployment, the court shall resolve the issue based on the standards in Sections 78B-20-306 through 78B-20-309.

(9) If the court finds that an action to modify custody or parent-time is filed or answered frivolously and, in a manner, designed to harass the other party, the court shall assess attorney fees as costs against the offending party.

(10) If a petition to modify custody or parent-time provisions of a court order is made and denied, the court shall order the petitioner to pay the reasonable attorney fees expended by the prevailing party in that action if the court determines that the petition was without merit and not asserted or defended against in good faith.

(11) If a motion or petition alleges noncompliance with a parent-time order by a parent, or a visitation order by a grandparent or other member of the immediate family where a visitation or parent-time right has been previously granted by the court, the court:

(a) may award to the prevailing party:

(i) actual attorney fees incurred;

(ii) the costs incurred by the prevailing party because of the other party's failure to provide or exercise court-ordered visitation or parent-time, including:

(A) court costs;

(B) child care expenses;

(C) transportation expenses actually incurred;

(D) lost wages, if ascertainable; or

(E) counseling for a parent or a minor child if ordered or approved by the court; or

(iii) any other appropriate equitable remedy; and

(b) shall award reasonable make-up parent-time to the prevailing party, unless make-up parent-time is not in the best interest of the minor child.

Section 22. Section 81-9-402 is amended to read:

81-9-402. Custody and visitation for individuals other than a parent -- Venue.

(1) (a) In accordance with Section 80-2a-201, it is the public policy of this state that a parent retain the fundamental right and duty to exercise primary control over the care, supervision, upbringing, and education of a minor child of the parent.

(b) There is a rebuttable presumption that a parent's decisions are in the minor child's best interests.

(2) A court may find the presumption in Subsection (1) rebutted and grant custodial or visitation rights to an individual other than a parent who, by clear and convincing evidence, establishes that:

(a) the individual has intentionally assumed the role and obligations of a parent;

(b) the individual and the minor child have formed a substantial emotional bond and created a parent-child type relationship;

(c) the individual substantially contributed emotionally or financially to the minor child's well being;

(d) the assumption of the parental role is not the result of a financially compensated surrogate care arrangement;

(e) the continuation of the relationship between the individual and the minor child is in the minor child's best interest;

(f) the loss or cessation of the relationship between the individual and the minor child would substantially harm the minor child; and

(g) the parent:

(i) is absent; or

(ii) is found by a court to have abused or neglected the minor child.

(3) Notwithstanding Title 78B, Chapter 3a, Venue for Civil Actions, or Section 78A-6-350, an individual shall file a verified petition, or a petition supported by an affidavit, for custodial or visitation rights to the minor child in the juvenile court if a matter is pending in the juvenile court, or in the district court in the county where the minor child:

(a) currently resides; or

(b) lived with a parent or an individual other than a parent who acted as a parent within six months before the commencement of the action.

(4) An individual may file a petition under this section in a pending divorce, parentage action, or other proceeding, including a proceeding in the juvenile court involving custody of or visitation with a minor child.

(5) The petition shall include detailed facts supporting the petitioner's right to file the petition including the criteria set forth in Subsection (2) and residency information described in Section 78B-13-209.

(6) An individual may not file a petition under this section against a parent who is actively serving outside the state in any branch of the military.

(7) Notice of a petition filed pursuant to this chapter shall be served in accordance with the Utah Rules of Civil Procedure on all of the following:

(a) the minor child's biological, adopted, presumed, declarant, and adjudicated parents;

(b) any individual who has court-ordered custody or visitation rights;

(c) the minor child's guardian;

(d) the guardian ad litem, if one has been appointed;

(e) an individual or agency that has physical custody of the minor child or that claims to have custody or visitation rights; and

(f) any other individual or agency that has previously appeared in any action regarding custody of or visitation with the minor child.

(8) The court may order a custody evaluation to be conducted in any proceeding brought under this section.

(9) The court may enter temporary orders in a proceeding brought under this section pending the entry of final orders.

(10) Except as provided in Subsection (11), a court may not grant custody of a minor child under this section to an individual:

(a) who is not the parent of the minor child; and

(b) who, before a custody order is issued, is convicted, pleads guilty, or pleads no contest to a felony or attempted felony involving conduct that constitutes any of the following:

(i) child abuse, as described in Sections 76-5-109, 76-5-109.2, 76-5-109.3, 76-5-109.4, and 76-5-114;

(ii) child abuse homicide, as described in Section 76-5-208;

(iii) child kidnapping, as described in Section 76-5-301.1;

(iv) human trafficking of a child, as described in Section 76-5-308.5;

(v) sexual abuse of a minor, as described in Section 76-5-401.1;

(vi) rape of a child, as described in Section 76-5-402.1;

(vii) object rape of a child, as described in Section 76-5-402.3;

(viii) sodomy on a child, as described in Section 76-5-403.1;

(ix) sexual abuse of a child, as described in Section 76-5-404.1, or aggravated sexual abuse of a child, as described in Section 76-5-404.3;

(x) sexual exploitation of a minor, as described in Section 76-5b-201;

(xi) aggravated sexual exploitation of a minor, as described in Section 76-5b-201.1; or

(xii) an offense in another state that, if committed in this state, would constitute an offense described in this Subsection (10).

(11) (a) As used in this Subsection (11), "disqualifying offense" means an offense listed in Subsection (10) that prevents a court from granting custody except as provided in this Subsection (11).

(b) An individual described in Subsection (10) may only be considered for custody of a minor child if the following criteria are met by clear and convincing evidence:

(i) the individual is a relative, as defined in Section 80-3-102, of the minor child;

(ii) at least 10 years have elapsed from the day on which the individual is successfully released from prison, jail, parole, or probation related to a disqualifying offense;

(iii) during the 10 years before the day on which the individual files a petition with the court seeking custody the individual has not been convicted, plead guilty, or plead no contest to an offense greater than an infraction or traffic violation that would likely impact the health, safety, or well-being of the minor child;

(iv) the individual can provide evidence of successful treatment or rehabilitation directly related to the disqualifying offense;

(v) the court determines that the risk related to the disqualifying offense is unlikely to cause harm, as defined in Section 80-1-102, or potential harm to the minor child currently or at any time in the future when considering all of the following:

(A) the minor child's age;

(B) the minor child's gender;

(C) the minor child's development;

(D) the nature and seriousness of the disqualifying offense;

(E) the preferences of a minor child who is 12 years old or older;

(F) any available assessments, including custody evaluations, parenting assessments, psychological or mental health assessments, and bonding assessments; and

(G) any other relevant information;

(vi) the individual can provide evidence of the following:

(A) the relationship with the minor child is of long duration;

(B) that an emotional bond exists with the minor child; and

(C) that custody by the individual who has committed the disqualifying offense ensures the best interests of the minor child are met;

(vii) (A) there is no other responsible relative known to the court who has or likely could develop an emotional bond with the minor child and does not have a disqualifying offense; or

(B) if there is a responsible relative known to the court that does not have a disqualifying offense, Subsection (11)(d) applies; and

(viii) that the continuation of the relationship between the individual with the disqualifying offense and the minor child could not be sufficiently maintained through any type of visitation if custody were given to the relative with no disqualifying offense described in Subsection (11)(d).

(c) The individual with the disqualifying offense bears the burden of proof regarding why placement with that individual is in the best interest of the minor child over another responsible relative or equally situated individual who does not have a disqualifying offense.

(d) If, as provided in Subsection (11)(b)(vii)(B), there is a responsible relative known to the court who does not have a disqualifying offense:

(i) preference for custody is given to a relative who does not have a disqualifying offense; and

(ii) before the court may place custody with the individual who has the disqualifying offense over another responsible, willing, and able relative:

(A) an impartial custody evaluation shall be completed; and

(B) a guardian ad litem shall be assigned.

(12) Subsections (10) and (11) apply to a case pending on March 25, 2017, for which a final decision on custody has not been made and to a case filed on or after March 25, 2017.
