Dear President Valentine and Speaker Curtis:

The Government Operations Committee has completed its initial study item prioritization for the 2005 interim. The committee will plan to study the following general study items:

- Election law changes including early voting provisions and voting centers;
- Government efficiencies;
- Digital Signatures;
- Campaign reform; and
- Legal briefing on the state of the law regarding prayer in public meetings.

As time permits and the need arises additional items may be added as part of the committee's general oversight responsibilities.
