Samples which require excessive time, screenings, low grade, dirty, or unusually difficult sample will be charged at the hourly rate.

Charges for tests or kinds of seeds not listed will be determined by the Seed Laboratory.

Hourly charges may be made on seed treated with "Highly Toxic Substances" if special handling is necessary for the Analyst's safety.

Discount germination is a non-priority service intended for carry-over seed which is ideal for checking inventories from May through August. The discount service is available during the rest of the year, but delays in testing may result due to high test volume of priority samples. Ten or more samples receive a fifty percent discount off normal germination fees.
