#### Performance Note

A performance note is required because this legislation creates a new program, agency, or appropriation (JR4-2-404).

Name of the governmental entity required to provide the performance note:

Name and title of individuals who prepared this performance note:

Purpose and duties of the new program, agency, or appropriation:

Services that will be provided by the new program, agency, or appropriation:

Goals or impact that will be achieved within one, two, and three years:

Year 1:

Year 2:

Year 3:

Resources and steps required to achieve the goals:

Benchmarks that the new program, agency, or appropriation will monitor to measure progress toward goals:

Performance measures that will be used to evaluate progress towards goals:

How information on progress and performance measures will be gathered in a reliable, objective fashion:

### **If the sponsor rejects the agency's performance note**

The performance note shown above was provided by the agency. The sponsor has rejected the submission.

### **If the sponsor submits an alternative performance note**

The sponsor has submitted the following alternative performance note due to the sponsor's rejection of the note provided by the agency.

### **If the agency fails to submit a performance note by deadline**

The governmental entity required to submit a performance note did not submit the note by the submission deadline.

**Form used by agencies to provide information**
