MOTION: I move to approve the following motions on this page as listed below for the Capital Budget:

1. The list of anticipated capital improvement projects as found on pages 72-92 of the Building Board's 5-year book and also contained in the Capital Improvement FY 2012 Requests Issue Brief in addition to four new improvement requests:
   a. Fairpark Door security upgrades $25,000
   b. Veterans Cemetery upgrades $20,000
   c. Weber State Exterior Weatherproofing $210,000
   d. Weber State Tunnel System Repairs $100,000

   These $206 million of requests will then be prioritized by the Building Board and allocated funding by them within appropriations set by the Legislature.

2. The following intent language:
   a. The Legislature intends that the Division of Facilities Construction and Management (DFCM) study asset utilization, cost, and operation and maintenance in state-owned and leased properties and report back to the Infrastructure and General Government Appropriations Subcommittee during the 2011 Interim. The Legislature further intends that state agencies and institutions of higher education work with DFCM in accomplishing this study by providing necessary information on agency or institution-specific facilities.
   b. The Legislature intends that the Division of Facilities Construction and Management explore options for updating the current space standards for state facility construction including Higher Education and report back to the Infrastructure and General Government Appropriations Subcommittee during the 2011 Interim.
   c. The Legislature intends that the Division of Finance transfer $250,000 one-time from the Capital Project Fund to the Wildlife Resources Trust Account to reimburse the account for a property purchase that did not occur.

3. The list of non-state funded capital development projects recommended by the Subcommittee for inclusion in the annual Revenue Bond and Capital Facilities Authorizations bill.

4. Exempting the state from funding the minimum level of capital improvement as required by 63A-5-104(6) in the Revenue Bond and Capital Facilities Authorizations bill.

5. Drafting the Revenue Bond and Capital Facilities Authorizations bill as a recommendation of the Infrastructure and General Government Appropriations Subcommittee.
