The lab performs a variety of tests for other government agencies. The charges for these tests is determined according to the number of tests, and based on cost to the Laboratory and therefore may be different than the fee schedule. Because of changing needs, the Laboratory may receive requests for test that are impossible to anticipate and list fully in a standard fee schedule. Charges for these tests are authorized and are to be based on costs.	Variable	Variable	0.00	0	0

Any other inspection service performed (per hour)	28.00	28.00	0.00	0	0
<p>1 hour minimum. Mixtures will be charged based on the sum for each individual kind in excess of 5 percent. Samples which require excessive time, screenings, low grade, dirty, or unusually difficult sample will be charged at the hourly rate. Hourly charges may be made on seed treated with Highly Toxic Substances if special handling is necessary for the Analyst's safety. Discount germination is a non-priority service intended for carry-over seed which is ideal for checking inventories from May through August. The discount service is available during the rest of the year, but delays in testing may result due to high test volume of priority samples. Ten or more samples receive a fifty percent discount off normal germination fees.</p>
