1C	Authorize the use of federal funds for FY 2014 and FY 2015 for the Department of Health, the Department of Human Services, the Department of Workforce Services, and the Utah State Office of Rehabilitation as found in the following Issue Briefs: 1) <i>Federal Funds in the Department of Health</i> (http://le.utah.gov/interim/2014/pdf/00000860.pdf); 2) <i>Department of Human Services Federal Funds</i> (http://le.utah.gov/interim/2014/pdf/00001176.pdf), 3) <i>Federal Funds Department of Workforce Services</i> (http://le.utah.gov/interim/2014/pdf/00001530.pdf), and 4) <i>Utah State Office of Rehabilitation Federal Funds</i> (http://le.utah.gov/interim/2014/pdf/00001559.pdf). The base budget matches what is in the briefs except for \$28,000,000 for vaccines for the Epidemiology program within the Department of Health's Disease Control and Prevention line item and \$4,500,000 for Olene Walker Housing Loan Fund for the Department of Workforce Services.	1/28P, 1/29P, 1/30P	1/29A, 1/30A	1/30P, 1/31A	1/31P		
1D	For FY 2015 change the Permanent Community Impact Fund's beginning balance to \$622,296,600 and the ending balance to \$622,296,600 to reflect the agency's estimates of expenditures.			1/30P			
1E	For FY 2015 for the Department of Health's Family Health and Preparedness line item replace the negative \$656,000 Pass-through revenue source to Transfers - Medicaid. This will more accurately reflect the money received by the program from Medicaid billings.	1/28P					
1F	Move the Permanent Community Impact Fund and the Olene Walker Housing Loan Fund in the base budget from Subsection 1(c) Business-like Activities to Subsection 1(b) Expendable Funds and Accounts. Both sections are for informational purposes only, but the move will help better reflect the spending authority for the funds.			1/30P			
1G	For FY 2015 change the Unemployment Compensation Fund's federal fund amount to \$3,000,000, its dedicated credits amount to \$32,000,000, its premiums amount to \$403,975,000, its interest income amount to \$14,000,000, its beginning balance to \$675,521,400, and its ending balance to -\$675,521,400. This technical correction better reflects the agency's estimates of funding.			1/31P

1I	Move the General Fund Restricted - Kurt Oscarson Children's Organ Transplant and its associated funding beginning in FY 2015 from the Department of Health's Executive Director's Operations line item to the Family Health and Preparedness line item. This will better reflect where the funds are being used and managed.	1/31P					
1J	\$5,000,000 federal funds FY 2014, \$15,000,000 federal funds FY 2015 from the State Innovation Models Testing Grant. There is no state match required. There will be an estimated 3.0 FTE temporary positions (will end at the end of the grant).	1/31P

8B	Fund 1055 Methamphetamine Housing Reconstruction and Rehabilitation Fund - This fund has not met the criteria required for most tax check off accounts of at least \$30,000 per year for three consecutive years as specified in UCA 59-10-1304. The Fiscal Analyst recommends closing the account and dispersing the funds. (requires a bill)					
8C	Fund 1222 Medicaid Restricted Account - The account has been used as a reserve fund with very flexible uses. The Legislature may want to identify this and similar reserve funds in one location so as to know about all available reserve fund balances. If the Legislature wanted to make the account's use tighter for specific purposes, it may want to tighten up the statutory restrictions on the account's usage in UCA 26-18-402. (requires a bill)					
8D	Fund 1228 Prostate Cancer Special Group License Plate Restricted Account - The account's primary revenue is specialty license plates. From October 2011 through December 2013, it has issued eight plates. The standard criteria is a 500 plate minimum in UCA 41-1a-418 that applies to plates that began after January 2012. The Fiscal Analyst recommends closing the fund and repealing UCA 26-21a-303 that creates the fund. (requires a bill)					
8E	Fund 2100 State Endowment Fund - As this fund is a type of reserve fund, albeit with higher restrictions to access the money, the Legislature may want to put the fund in a new "reserve account" section of the appropriation bills with other reserve accounts. Additionally, the Legislature may want to consider adding statutory language requiring periodic Legislative review of account activity due to the materiality of this account.					
8F	Fund 2180 Out & About Homebound Transportation Assistance Fund - This fund is an expendable special revenue fund. The Analyst recommends the Legislature review this fund annually and include it in an appropriations act.					1/31P
8G-1	Fund 2185 State Development Center Miscellaneous Donation Fund - The Analyst recommends more specific expenditure guidelines be established in statute other than "for the benefit of the Utah State Developmental Center and its clients." The Analyst recommends amending UCA 62A-5-206.5(5)(b) to read "for the benefit of clients of the Utah State Developmental Center. Money and interest in the fund shall not be used for items normally paid by operating revenues or for items related to personnel costs without specific Legislative authorization." This fund is an expendable special revenue fund. The Analyst further recommends the Legislature review this fund annually and include it in an appropriations act. (requires a bill)

8I-1	Fund 2200 State Hospital Unit Fund - This fund is an expendable special revenue fund. The Analyst recommends the Legislature review this fund annually and include it in an appropriations act. The Analyst also recommends UCA 62A-15-604 be amended to define for the "benefit of patients" more specifically. "Those gifts, grants, devises, donations, and the proceeds thereof shall be used by the superintendent or his designee for the use and benefit of patients at the state hospital. Those gifts, grants, devises, donations, and the proceeds thereof shall not be used for items normally paid for by operating revenues or for items related to personnel costs without specific Legislative authorization." 8J	Fund 2205 Substance Abuse Donation Fund - The Analyst recommends closing the fund as there has been no fund activity since 1996. The Department of Human Services and the Division of Finance do not object.

8K	Fund 2206 Respite Care Assistance Fund - The Analyst recommends the Department of Human Services spend the minimal balance in the fund and then have the Division of Finance close the fund given there has not been any significant fund activity since its creation. The Utah Developmental Disabilities Council does not object.					
8M-1	Fund 2260 Child Care Fund - The fund is an expendable special revenue fund. The Analyst recommends the Legislature review this fund annually and include it in an appropriations act. The Department of Workforce Services should consider spending the money from this fund again. There have been no efforts to find possible expenditures since FY 2005. As this fund is primarily from donations, there is an obligation to use the fund if there is an appropriate expenditure.					
8M-2	<u>Fund 2260 Child Care Fund - The fund is an expendable special revenue fund. The Analyst recommends the Legislature review this fund annually and include it in an appropriations act.</u>				1/31P	
8N-1	Fund 2355 Visually Handicapped Fund - The Analyst recommends the name of the fund be updated to be consistent with current terminology such as Individuals with Visual Disability Fund. This fund is similar to an expendable special revenue fund. The Analyst further recommends the Legislature review this fund annually and include it in an appropriations act.					
8N-2	<u>Fund 2355 Visually Handicapped Fund - This fund is similar to an expendable special revenue fund. The Analyst further recommends the Legislature review this fund annually and include it in an appropriations act.</u>					1/31P
8O	Fund 5290 Permanent Community Impact Bonus Fund - The Analyst recommends the Legislature review this fund annually and include it in an appropriations act. There are two funds that handle mineral funds for the work done by the Department of Workforce Services. It would be clearer to have the two funds be separate to more accurately reflect and track the different restrictions. The activity in this fund is already part of the appropriations act as part of the Permanent Community Impact Fund. This recommendation would break out Permanent Community Impact Fund into two funds, regular and bonus.				1/30P	
8P	Fund 5450 Housing Opportunities for People With AIDS Loans - Once the agency addresses the \$8,000 loan receivable balance, then the fund should be closed as the agency does not intend to use this fund for additional loans. The Division of Finance is in agreement with this approach. The Department of Workforce Services does not object.					
8Q	Fund 7290 Human Services Client Trust Fund - Due to the materiality and fiduciary nature of this fund, the Analyst recommends the fund be reported annually to the Social Services Appropriations Subcommittee.					
8R	Fund 7300 Maurice N. Warsaw Trust Fund - Due to the fiduciary nature of this fund, the Analyst recommends the fund be reported annually to the Social Services Appropriations Subcommittee.					
8S	Fund 7305 State Development Center-Patient Account - Due to the materiality and fiduciary nature of this fund, the Analyst recommends the fund be reported annually to the Social Services Appropriations Subcommittee.					
8T	Fund 7310 State Hospital Patient Trust Fund - Due to the materiality and fiduciary nature of this fund, the Analyst recommends the fund be reported annually to the Social Services Appropriations Subcommittee.					
8U	Fund 7355 Visually Handicapped Vendors - The Analyst recommends the name of the fund be updated to be consistent with current terminology such as Individuals with Visual Disability Vendors Fund. Due to the materiality of this fund, the Analyst further recommends the fund be reported annually to the Social Services Appropriations Subcommittee.					
8V	Fund 8090 Human Services-ORS Support Collections - Due to the materiality and fiduciary nature of this fund, the Analyst recommends the fund be reported annually to the Social Services Appropriations Subcommittee.					
8W	Fund 8125 5-A-Day Association - The Analyst recommends closing this account. The Department of Health concurs and the Division of Finance does not object. Prior to closing the Division of Finance needs to correct the negative fund balance.
