ISSUE BRIEF

## SUMMARY

The FY 2016 Base Budget is based upon the ongoing FY 2015 appropriations. The State Board of Regents has requested that \$82,000 of its current funding be reallocated to Snow College and USU - Eastern.

## DISCUSSION AND ANALYSIS

During the 2008 General Session, the Legislature approved \$100,000 for audit support for Snow College and the then-College of Eastern Utah. Due to subsequent budget reductions, this amount is now \$82,000. Each year, the State Board of Regents has sent \$41,000 to each of these two institutions. To streamline this process, the Board has requested that this reallocation be made by the Legislature. This change would move funding from the Board's Administration budget to the E &G line items of each institutions.
