

OFFICE OF THE  
LEGISLATIVE  
FISCAL  
ANALYST

JONATHAN C. BALL  
DIRECTOR

**MEMORANDUM FOR EXECUTIVE APPROPRIATIONS COMMITTEE**

**FROM:** Clare Tobin Lence, Analyst

**DATE:** July 8, 2015

**SUBJECT:** Fiscal Health Check-Up

Most resources produced by LFA are currently available on the legislative website, [le.utah.gov](http://le.utah.gov), either through the homepage “featured” items list or the staff office page. In an effort to improve the accessibility of these resources, the office will be launching a new website, [budget.utah.gov](http://budget.utah.gov). The site will have a more user-friendly design that is optimized for mobile devices, and will include links to our most-used resources, including:

- Compendium of Budget Information (COBI)
- Appropriations Report
- Appropriations Summary
- Fiscal Health Dashboard
- Taxpayer Receipt

In addition to introducing the new site, the Fiscal Health Check-Up for July will review the obligations section of the Fiscal Health Dashboard ([le.utah.gov/fiscalhealth/](http://le.utah.gov/fiscalhealth/)), highlighting the General Obligation (G.O.) and Revenue Bond Debt indicators. Staff will then provide additional discussion of the constitutional and statutory debt limitations and debt ratios for Utah and other states.

Staff will also provide an update on the Taxpayer Receipt website.
