<p>The Contractor shall use the increases awarded for the building block titled “DSPD-Direct Care Staff Salary Increase” in the FY2015 General Session, Senate Bill 2 (hereinafter collectively referred to as S.B.2) for the purpose of increasing the salaries of all Contractor staff positions which spend 60% or more of their time providing direct care to Persons (direct care staff positions). No portion of these increases shall be allocated to administrative functions or provider profits. The Contractor shall report back to DHS/DSPD on its use of the rate increases awarded pursuant to S.B.2 by providing information in the format agreed upon and within the time frames requested by DHS/DSPD. In the event any portion of the S.B.2 rate increases are used for any purpose other than increasing the salaries of the Contractor’s direct care staff positions, the Contractor shall be required to reimburse DHS/DSPD for that portion in accordance with the remedies stated in this Contract.</p>
