

Unemployment Insurance Administration
Purposes for Which Money Was Used

Unemployment Insurance Administration

Activity or Service	Description	FY 2015 Expenditures
UI Director and Program Specialists	The Unemployment Insurance (UI) program is responsible for collecting contributions from Utah employers into an Unemployment Trust Fund. This fund is then used to pay for benefits to individuals who are determined to be unemployed through no fault of their own and are actively available for and seeking full-time work. All UI Administrative job duties coincide with federal requirements for running an effective and efficient unemployment insurance program. The UI Director and Program Specialists assess program operations, develop plans for program improvement, and implement such plans including	1,218,600
UI Claims	UI Claims personnel obtain facts and determine whether a claimant is entitled to receive benefits. This includes an audit of benefit payments to ensure payment accuracy.	5,346,100
UI Claims Center	UI Claims Center personnel take and process claims, including the computation of benefit amounts and coordination with the local employment centers for reemployment services.	2,718,100
UI Contributions	UI Contributions personnel process wage reports and money received from employers, including the determination of taxable status for employers and establishment of experience rating accounts.	6,377,800

New Hire Registry	Collect information on newly hired or rehired employees through contract with the Office of Recovery Services and coordinate the transfer of this information with the National Directory of New Hires through the federal Office of Child Support Enforcement.	332,600
Public Assistance Overpayment Collections	Collect erroneously paid amounts from public assistance programs.	885,000
		16,878,200
