

Request for Appropriation

Study of Sexual Assault Rates

Sen. Daniel Thatcher

The rate of sexual assaults in Utah is above the national average. This request would allow the Commission on Criminal and Juvenile Justice to contract with a university to fund a study of the causes and possible remedies.

Statewide Public Purpose

The determined rates of sexual assault are statewide figures. The study should include examination of causes and remedies across the various regions of the State.

Financing

Financing Source	2016 One-time	2017 One-time	2017 Ongoing
General Fund*	\$0	\$50,000	\$0

The sponsor has requested that funding from sources marked with an asterisk not lapse.
