## 24/7 Sobriety Pilot Program

*Rep. Justin Fawson*

Under this program, people accused of the second or subsequent drunken driving offense can be ordered by a judge to take twice-daily alcohol breath tests as a condition of their release from jail pending trial. Some offenders can be sentenced to the program if they plead or are found guilty of DUI. The program is structured to have the offender pay the cost of the monitoring. Funding pays for one staff member.
