Request for Appropriation

Gunnison City / Central Utah Corrections Culinary Water

*Rep. Derrin Owens*

Upgrade and expansion of the city culinary water system to support Gunnison City and Central Utah Correctional Facility.

**Statewide Public Purpose**

To enhance the State's correctional facility water supply, extra water storage and to support additional growth such as the current pod currently under construction at Central Utah Correctional Facility.

**Additional Notes**

Gunnison City is working on a $10 million dollar culinary water system upgrade and expansion. In part this project was necessary to support the new POD and potential additions to Central Utah Corrections Facility. A 5% appropriation of the project will allow the city to complete road repairs, sidewalk projects and other city needs that have been delayed and unaffordable due to the culinary water project.
