I move the following: Reduce the General Fund amount on the building block list as found on the “Building Block Prioritized List State Funds – Chair Proposal” dated 2/8/2016 7:25 AM as follows:

Item #57 – DWS Women in the Economy Commission – reduce General Fund request by \$10,000 from \$35,000 one-time down to \$25,000 one-time as requested by its sponsor, Rep. Chavez-Houck.

Explanation: In recognition of reducing requests to assist in meeting available funding, the sponsor of the request has limited the request to: 1) \$20,000 for additional research and 2) \$5,000 for one intern and additional outreach efforts.
