

I move to authorize an additional \$20,000 in ongoing spending authority from the General Fund Restricted - Children's Hearing Aid Pilot Program Account beginning in FY 2017 for the Department of Health's Family Health and Preparedness line item in the Children with Special Health Care Needs program.

(This account ended FY 2015 with \$106,300. This does not provide any new funds, but authorizes Health to spend existing resources. See http://le.utah.gov/lfa/reports/cobi2016/fundinfo/fund_1230.pdf for additional information about the fund.)
