USDB	220	0.035%	3,418	971	4,390
Statewide	634,116	1.000	9,852,400	2,800,000	12,652,400

Each Local Education Agency has received:

- A planning template for developing their Digital Teaching and Learning Plan
- Funding Projections for both One-Time and On-Going to support their plan development
- Access to a free Digital Learning Readiness Assessment Tool to begin their self-assessment
- Dates and Locations for Summer Bootcamps
- A full implementation timeline to support fiscal and training plans related to HB -277

The background is a dark blue gradient. On the right side, there is a complex, glowing structure that resembles a tunnel or a series of overlapping, curved planes. The structure is composed of many thin, parallel lines that create a sense of depth and movement. The lighting is bright and ethereal, emanating from the right side and casting a soft glow across the scene.
