Ms. Oh stated 1.1 percent would be $6 million, which included a 60/40 percent split of Education Fund and General Fund based on the funding for higher ed versus state agencies. Co-chair Harper stated S.B. 156 proposed to increase O&M to 1.3 percent and Rep. Wilson’s bill (H.B. 204) proposed a 1.5 percent increase.

**MOTION:** Co-chair Harper moved to approve the following Transportation Fund requests for appropriations as shown below, with the exception of moving the Tess Avenue School Sidewalk Project as previously adopted and remove $400,000 for the Sound Wall Removal request for appropriation item from the subcommittee’s final prioritization list. (Changes made by the motion are incorporated in the table below.)
Carlos Braceras, Executive Director, Utah Department of Transportation (UDOT), stated that when UDOT had a policy for sound wall removal in place and received a formal request to remove the sound wall, UDOT would work with the Transportation Commission to find funds for removing the sound wall if it is found to be necessary.

Rep. Anderegg asked how Sen. Jenkins felt about the action UDOT would take. Mr. Braceras stated the importance of following the policy. It was not yet clear if a majority of the citizens would want the sound wall removed.

Co-chair Froerer added that Sen. Jenkins understands the need to remove the project from the Transportation Fund requests and allow UDOT to follow policy.

Ms. Oh reviewed details of projects on the Transportation Fund requests for appropriations.

Mr. Braceras added the amounts on the prioritization list represented just over 5 percent of the money the Transportation Commission was planning to allocate for paving level two roads. UDOT intended on turning over the Davis County Bus Rapid Transit project for the Utah Transit Authority to manage. The Davis County Commissioners were in agreement. The National Park Highway project would also be turned over to local agencies to manage.

Sen. Van Tassell clarified details for the National Park Highway project.

The motion passed unanimously with Sen. Knudson absent for the vote.
