ISSUE BRIEF

SUMMARY

USHE institutions compete nationwide for contracts and grants to further their missions. Most of these grants are research grants which can benefit the institutional community as well as society as a whole. Grants that are received by institutions also create jobs. Regent Policy R532 requires that USHE institutions submit an annual report summarizing awards received.

During FY 2016, the total number of grants decreased by 42, but the total dollar amount increased by \$32.5 million, compared to FY 2015.

DISCUSSION AND ANALYSIS

The following table provides a three-year view of the number and dollar amounts of contracts and grants received by each USHE institution.
