ISSUE BRIEF

SUMMARY

The FY 2018 Base Budget is based on the ongoing FY 2017 appropriations. The State Board of Regents has requested that \$75,000 in Dedicated Credits appropriated to the Administration line item be moved to the SBR – Student Support - Concurrent Enrollment line item.

DISCUSSION AND ANALYSIS

During the 2016 General Session, the Legislature passed H.B. 182, Concurrent Enrollment Education Amendments, which added a projected \$75,000 in new Dedicated Credits to the State Board of Regents’ budget. Those funds were appropriated to the Administration line item, but a better fit for those funds would be in the Student Support – Concurrent Enrollment line item.
