

**Infrastructure and General Government Appropriations
Subcommittee, 2017 General Session**

Voting Results, February 14, 2017

1. Approved the intent language below that directs use of funds for Utah State University.
 - The Legislature intends that Utah State University transfer \$300,000 from its Contingency Reserve Fund from state-funded projects to its Project Reserve Fund.

2. Authorized the chairs of the Infrastructure and General Government Appropriations Subcommittee to address a memorandum to the chairs of the Executive Appropriations Committee that 1) summarizes decisions regarding approval of the current capital development project at Dixie Applied Technology College (DXATC); 2) explains the current status of the project; 3) presents options regarding funding and scope for DXATC's current capital development project; and 4) presents options to improve the process by which capital development projects are approved and funded.

3. Withdrew approval of the intent language below that had been approved by the subcommittee on February 10, 2017.
 - The Legislature intends that up to \$750,000 from appropriations to the Capital Budget – Capital Improvements – Capital Improvements program be used to complete renovation of the Public Safety and Driver License Building in Brigham City.

4. Recommended that the Public Safety and Driver License Building in Brigham City go through the normal building request process and be brought back to the Legislature for consideration.
