

Department of Environmental Quality

How critical to division's mission?	Program	Program Description (What does it do? Who does it benefit?)	Line Item Code and Name	Type of Program	Mandate Status	Mandate Citation
A-Fundamental	2511, 2512, 2521, 2601, 2602, 2701, 2702, 2801, 2802 Air Quality Program Administration	Administer air quality program for Utah, including all compliance, permitting and planning activities	NAB DEQ Air Quality	Admin. Support	State Statute Mandated	UCA 19-2-107
D-Tangential	2514 DEQ Misc Collections	Collecting misc. fees as authorized by the legislature	NAB DEQ Air Quality	Admin. Support	Not Mandated	
B-Substantial	2516 DEQ Clean Fuels	Provide tax credit qualification verification	NAB DEQ Air Quality	Direct Public Program	State Statute Mandated	UCA 59-10-1009
B-Substantial	2521 DEQ Uinta Basin	Coordinates air quality projects in the Uinta Basin	NAB DEQ Air Quality	Direct Public Program	Not Mandated	UCA 19-2-107.2
B-Substantial	2522 DEQ Air Quality Research	Fund, review, select and coordinate air quality research funded by the legislature or outside entities	NAB DEQ Air Quality	Admin. Support	Not Mandated	UCA 19-2-107.2
A-Fundamental	2612, 2621, 2623 Program Compliance	Verify all sources of air pollution are in compliance with state and federal requirements	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC § 7661(a)
A-Fundamental	2641 Air Program Grant for Air Toxics / Lead / Asbestos	Administer air toxics, lead-based paint, and asbestos programs for Utah	NAB DEQ Air Quality	Admin. Support	State Statute Mandated	UCA 19-2-107
A-Fundamental	2642 DEQ OPP Program Air Toxic-Lead-Asbestos	Regulatory oversight of decorative chrome and dry cleaning facilities for federal MACT standards	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC § 7661(a)
A-Fundamental	2643 DEQ TSCA Lead Grant	Regulatory oversight of those performing lead-based paint abatement and renovation activities in regulated structures	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	15 USC § 2684
A-Fundamental	2644 DEQ AHERA Asbestos	Regulatory oversight to assure compliance with federal asbestos in schools regulations	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	15 USC § 2645
A-Fundamental	2671, 2672, 2681, 2684 Air Monitoring Network	Establish and operate air monitoring network statewide to identify air pollution issues statewide	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
B-Substantial	2683 DEQ Air Toxics Grant - Air Monitoring Center	Operate air toxics monitor(s) for Utah	NAB DEQ Air Quality	Direct Public Program	Contractually Mandated	Grant 11909206
A-Fundamental	2712 DEQ Operating Permits Program - Operating Permit Section	Issue Title V of Clean Air Act (Operating Permits) to larger air pollution sources in Utah.	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7661a
A-Fundamental	2741, 2751, 2761, New Source Review - Permitting	Issue New Source Review permits to large air pollution sources in Utah.	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
A-Fundamental	2811 DEQ Air Pollution Grant (105) - State Implementation Plans	Develop State Implementation Plans for Utah	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
A-Fundamental	2812 DEQ Operating Permits Program - State Implementation Plans	Develop State Implementation Plans for Title V sources in Utah	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC § 7410(a)
A-Fundamental	2841 DEQ Air Pollution Grant (105)-Tech Analysis & Inventories	Perform computer modeling to develop State Implementation Plan	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
A-Fundamental	2842 DEQ Operating Permits Program-Tech Analysis	Perform computer modeling to develop State Implementation Plan for industries subject to Title V	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
C-Marginal	2843 DEQ National Environmental Exchange Information Network	Automate sharing statewide information with AGRC in DNR	NAB DEQ Air Quality	Direct Public Program	Contractually Mandated	Grant 83547601
B-Substantial	2844 High Time Air Toxics Monitoring	Pass through money to BYU to study certain air toxics to find out where they are coming from.	NAB DEQ Air Quality	Direct Public Program	State Statute Mandated	UCA 19-2-107, Federal Grant XA-96834601
A-Fundamental	2871 DEQ Air Pollution Grant (105) - Inventories	Create emissions inventories necessary to develop State Implementation Plans for Utah	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
A-Fundamental	2872 DEQ Operating Permits Program - Inventories	Create emissions inventories for Title V sources necessary to develop State Implementation Plans for Utah	NAB DEQ Air Quality	Direct Public Program	Federally Mandated	42 USC §7410(a)
B-Substantial	2873 DEQ Clean Air Program (CARROT)	Establish program to administer and disseminate funding provided by the legislature to programs designed to eliminate air pollution.	NAB DEQ Air Quality	Direct Public Program	State Statute Mandated	UCA 19-2-201:204
B-Substantial	2875 DEQ State Clean Diesel Grant	Provide grants/loans to encourage clean diesel engines	NAB DEQ Air Quality	Direct Public Program	State Statute Mandated	UCA 19-1-403-2(d)
B-Substantial	2879 DEQ National Clean Diesel FY11 (2nd11)	Expend federal DERA grant funding to encourage clean diesel engines	NAB DEQ Air Quality	Direct Public Program	State Statute Mandated	UCA 19-1-403-2(d)
D-Tangential	2999 AQ Allocations	Miscellaneous clearing account and offset for indirect costs (eliminate duplicate accounting of indirect costs in programs)	NAB DEQ Air Quality	Admin. Support	Not Mandated
