# Single-Sign-on Business Database Funding

# Goal

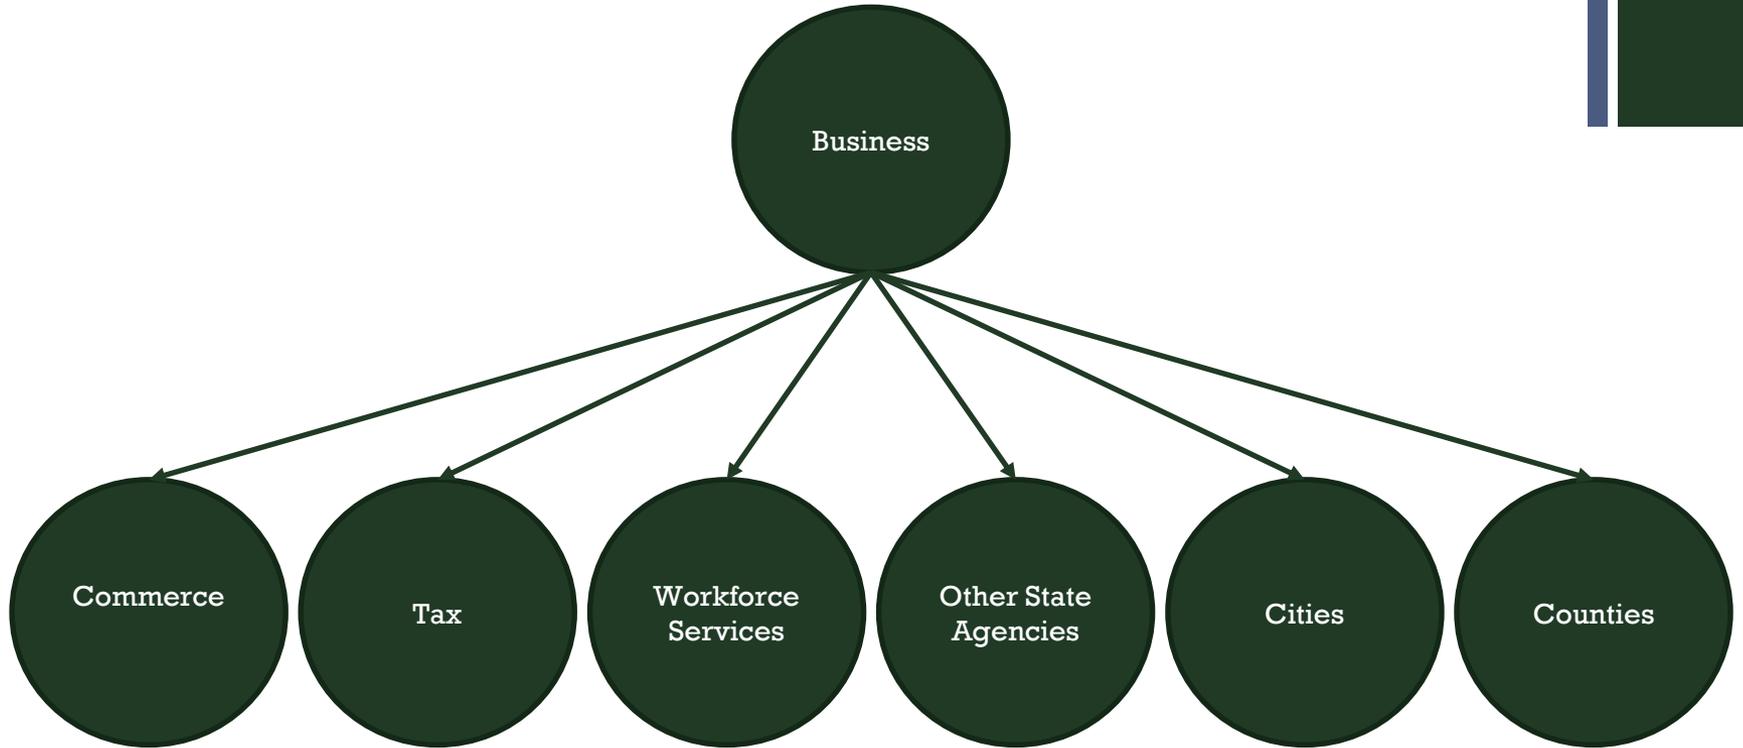

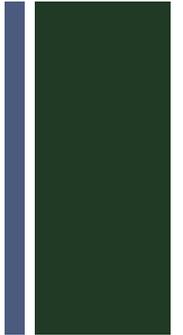

## Single-sign-on Business Database Funding

- 2016 – HB 96 Passed
- Single web portal for all businesses
- Businesses get a single logon
- Next step for One-Stop Business Registration
- Prototype funded
- Prototype written
- 2017 – development funding didn't get approved

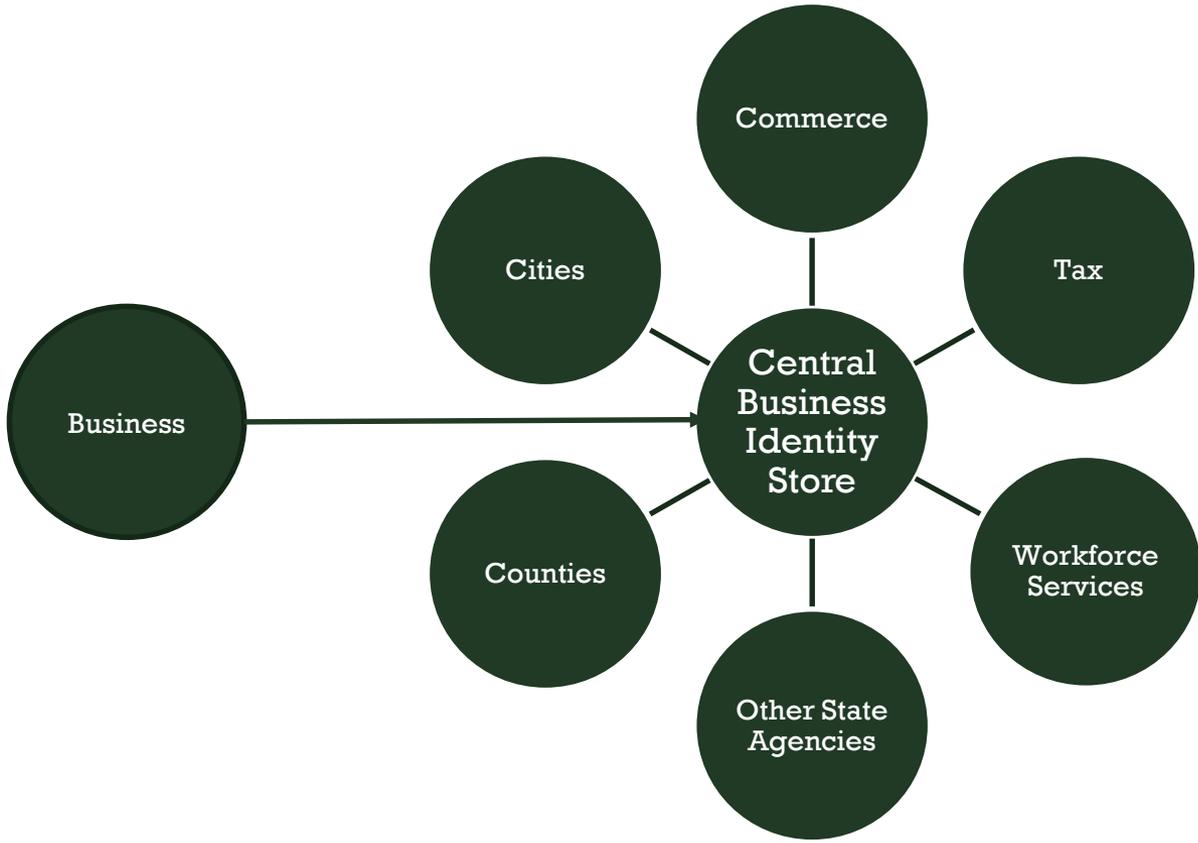

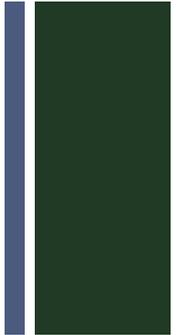

# Where we are now

# + Where we want to be

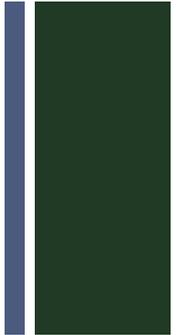

# Funding Proposal

New money to fund on-going development

- Increase business registration renewal by \$5
  - Collected by Commerce – allocated to DTS
- New capabilities for businesses
- Pay for service
- Cost saving to business much more than \$5/year
- Supported by
  - SL Chamber
  - Utah Association of CPAs
  - Utah Bar Association (see letter)
  - Counties and cities

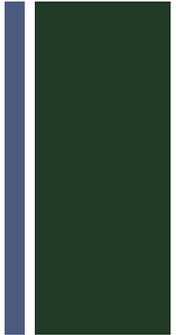

# Funding Proposal

New money to fund on-going development

- Supports initial development
- Supports on-going development
- Funding amount in statute - can be changed as needed

# + Ultimate goal: Citizen Portal

- Same concept but for all citizens
- Businesses already do this
- We do this:
  - [le.utah.gov](http://le.utah.gov)
  - [s.le.utah.gov](http://s.le.utah.gov)

# + Questions

- Thanks for your time
