**MEMORANDUM FOR EXECUTIVE APPROPRIATIONS COMMITTEE**

**FROM:** Alex Wilson

**DATE:** December 5, 2017

**SUBJECT:** Elected Official and Judicial Compensation Commission (EJCC)

Per Statute the Elected Official and Judicial Compensation Commission (EJCC) is the body responsible for the study of and recommendation for salary and benefits for the Governor, Lt. Governor, Attorney General, State Auditor, State Treasurer, state judges, and members of the State Board of Education. The enabling statute for the Commission, UCA §67-8-5, requires a yearly report no later than 60 days before the legislative session to briefly summarize activities during the calendar year. At this time, no action has been taken because previous members' terms of service have expired and only three of the six positions of the committee have current appointments. As four members constitute a quorum, the appointment of at least one additional member to a vacant position could allow the commission to resume activities and duties. The current appointments are as follows:
