Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee

I move to appropriate $90,000 one-time from the General Fund in FY 2018 to the DNR Pass Through line item for the Gordon Creek timing error.
Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee

I move to include $1,375,000 one-time from the General Fund to the Public Lands Policy Coordinating Office as an FY 2018 supplemental to reflect legislative approval of a request for nonlapsing authority that was not included in the previous session's intent language.

I move to include $1,145,600 one-time from the Constitutional Defense Restricted Account to the Public Lands Policy Coordinating Office as an FY 2018 supplemental to reflect legislative approval of a request for nonlapsing authority that was not included in the previous session's intent language.

I move that the Public Lands Litigation line item be absorbed into the Public Lands Policy Coordinating Office main line with the resulting FY 2018 appropriations:

Public Lands Litigation:
- Constitutional Defense Restricted Account: ($15,600)

Public Lands Policy Coordinating Office:
- Constitutional Defense Restricted Account: $15,600.

I move to approve the following intent language for the Public Lands Policy Coordinating Office:

Under terms of 63J-1-603 of the Utah Code, the Legislature intends that appropriations provided for the Public Lands Policy Coordinating Office in Item 24, Chapter 7, Laws of Utah 2017, shall not lapse at the close of FY 2018. Expenditures of these funds are limited to litigation and operation expenses.

Under terms of 63J-1-603 of the Utah Code, the Legislature intends that all base budget changes related to FY 2017 lapsing balances within this House Bill 5 for the Public Lands Policy Coordinating Office not lapse at the close of FY 2018.

The Legislature intends that the Public Lands Policy Coordinating Office receive the $1,145,600 appropriated in FY 2018 from the Constitutional Defense Restricted Account in this House Bill 5 before other appropriations from the account are proportionally distributed.
Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee

I move to include $300,000 one-time from the Constitutional Defense Restricted Account to the Public Lands Policy Coordinating Office in FY 2018 for State support for settlement disputes of land ownership inside townships.
I move to include $195,600 one-time from the General Fund to the Department of Environmental Quality – Executive Director’s Office in FY 2018 to reinstate a legislative approval for a request of nonlapsing authority for the Enterprise-Wide Land Information Initiative that was not included in the previous session’s nonlapsing intent language.
I move to exclude the following programs from the initial FY 2019 base budget bill for Public Education and appropriate the corresponding $345,929,100 in funding to the Flexible Allocation – WPU Distribution program. The subcommittee will continue to review these programs during the 2018 General Session for potential program continuation or funding reallocation in a subsequent budget bill.

Programs:

a. Pupil Transportation – Unsafe Routes $500,000

Voted Local Levy Increase: $25,064,700 for a total of $324,424,900
Board Local Levy Increase: $9,447,800 for a total of $109,864,100
Public Education Appropriations Subcommittee

I move to implement the subcommittee recommendation to replace the line-item performance measures adopted during the 2017 General Session with measures developed by the Education Interim Committee and the State Board of Education during the 2017 Interim and include these measures as a starting point in the Public Education Base Budget Bill for FY 2019 (2018 General Session).
Consistent with the definition of base budget in Joint Rule 3-2-402(1)(b)(i) and UCA 26-18-405.5(1)(b), I move that the FY 2019 General Fund base budget for Medicaid equal the amount of General Fund appropriations not designated as one-time in the current year (FY 2018) budget, and that federal funds be included accordingly.
Social Services Appropriations Subcommittee

I move to change the following four funds in the Department of Health from being tracked in the Expendable Funds and Accounts section to the Restricted Fund and Account Transfers section. This will help to eliminate the double-count in Medicaid associated with these funds.

a. Hospital Provider Assessment Expendable Revenue Fund (Fund 2241)
b. Nursing Care Facilities Provider Assessment Fund (Fund 2243)
c. Medicaid Expansion Fund (Fund 2252)
d. Ambulance Service Provider Assessment Fund (Fund 2242)
