

ROAD MAP FOR THE GENERAL SESSION'S SUBCOMMITTEE MEETINGS

NATURAL RESOURCES, AGRICULTURE, & ENVIRONMENTAL QUALITY APPROPRIATIONS SUBCOMMITTEE
STAFF: IVAN DJAMBOV & ALEXANDER WILSON

ISSUE BRIEF

The Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee is approved to hold eight meetings during the 2018 General Session. The main goals for these meetings include:

1. By **January 31, 2018**, review and approve the [base budget bill, H.B. 5](#), containing:
 - a. Base budget appropriations, and
 - b. Legislative intent language for performance measures
(for more information on the base budget review process, see [Base Budget Review Issue Brief](#)).
2. By **February 12, 2018**, review and approve the requests for agencies':
 - a. Federal Grants,
 - b. [Fees](#),
 - c. [Legislative intent language](#), and
 - d. New funding items.

Below is the most current draft of the subcommittee calendar.
