Strategic planning has begun

ACC

Medical Education and
Discovery Building

A large-scale construction site for the ACC building at the University of Utah. The image shows a multi-story steel framework under construction. A large tower crane is positioned in the background against a clear blue sky. In the foreground, there are several levels of the building's structure, some of which are covered with white plastic sheeting. The background features a cityscape with various buildings and distant mountains under a bright, clear sky. The text 'ACC' is overlaid in large white letters on the steel framework.

ACC

Medical Education and
Discovery Building

Rehab

An aerial, monochromatic blue-tinted photograph of a large university campus. The image shows numerous multi-story academic buildings, courtyards with trees, and parking areas. The word "Questions" is written in a large, white, sans-serif font across the center of the image.

Project Schedule

Project Performance

Design is 50% complete

Started demolition of parking lot and utility tunnel excavation

Building reduced by 6,000 gsf to meet budget while still meeting programmatic needs

DSU

Human Performance Center

DSU

Human Performance Center

An architectural rendering of a modern, multi-story building with a glass and metal facade. The building is shown from a low angle, emphasizing its height. The word "Questions" is overlaid in large, white, sans-serif font across the center of the image. The background is a dark blue gradient, and there are silhouettes of palm trees and people walking in the foreground.
