ISSUE BRIEF

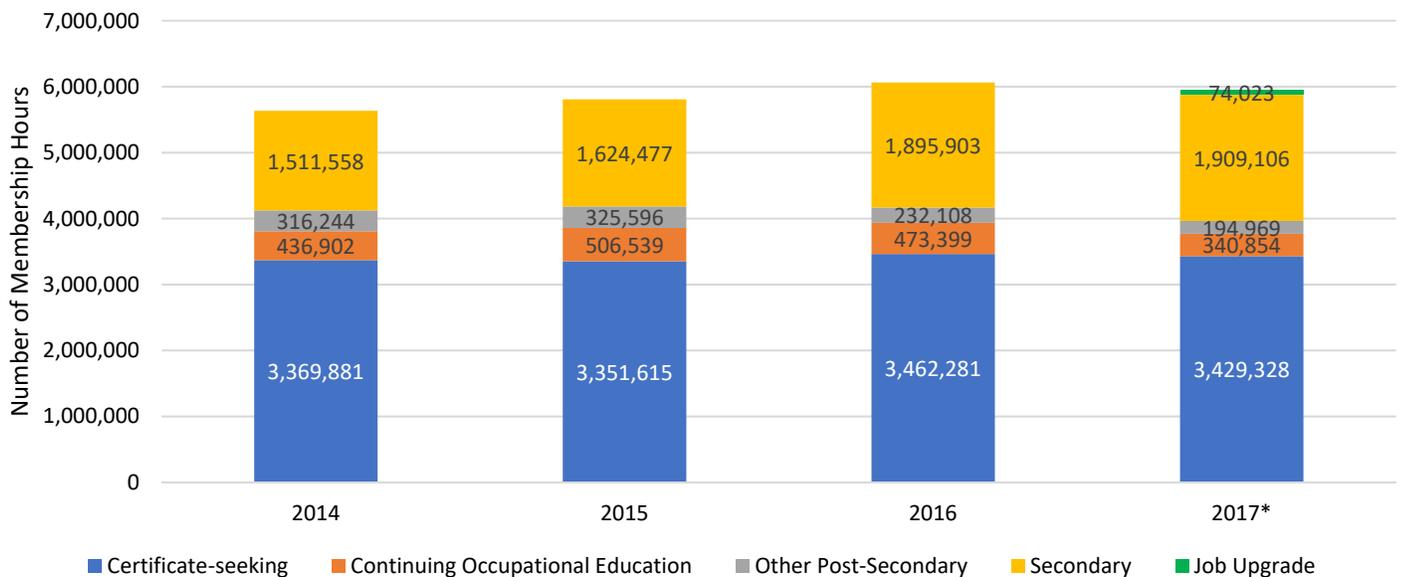

**SUMMARY**

This issue brief provides information on membership hours at Utah System of Technical College campuses for high school (secondary) and adult students. One membership hour equates to sixty minutes of scheduled instruction per student.

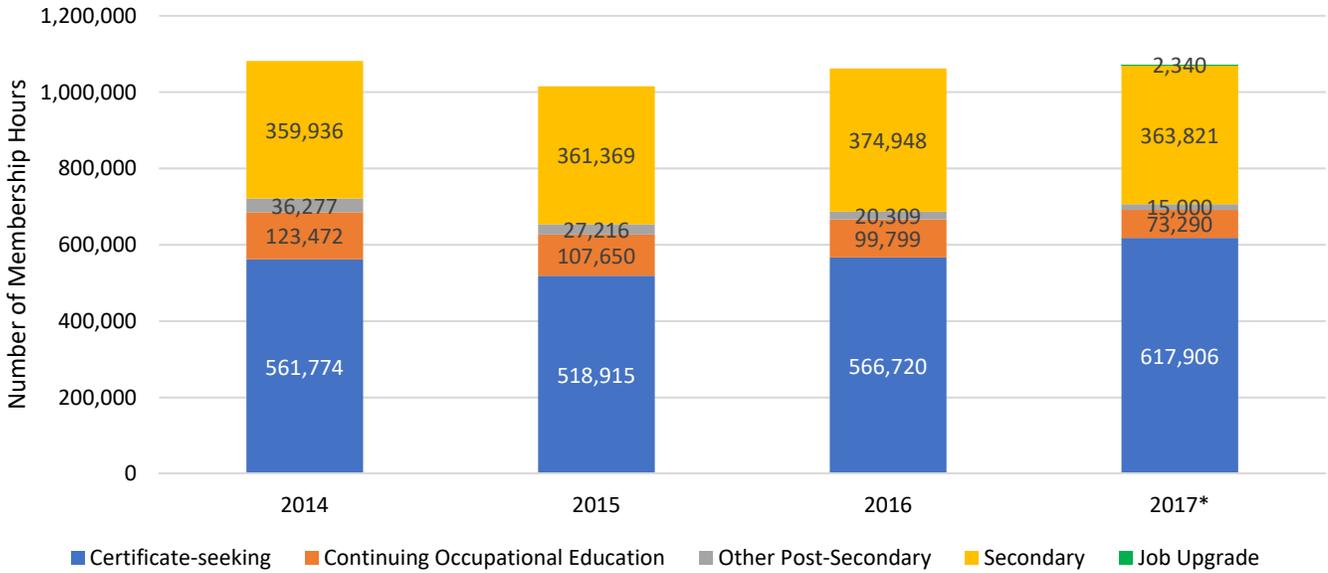

**DISCUSSION AND ANALYSIS**

The following figures provide the number of membership hours from FY 2014 to FY 2017 for four distinct categories of students: certificate-seeking, continuing occupational education, other post-secondary, and secondary students. The first figure illustrates the total number of membership hours for each category across all the applied technology colleges. The remaining figures provide the membership hours for each student category by college.
