### Reapplications/Continuations/Supplemental

Health	UTG-180712010-aa	Improving Sexually Transmitted Disease Programs through Assessment, Assurance, Policy Development	Centers for Disease Control and Prevention	\$54,895	\$0	\$0	8/1/2018 - 12/31/2018	100%	N	0	Submitted	1	Supplemental
Description and Purpose of Grant:		The purpose of this supplemental funding is to support expansion of assessment, assurance, policy and cross-cutting activities for STD prevention and control. Specifically, UDOH will utilize these supplemental funds to fund the Utah Public Health Laboratory to conduct additional chlamydia and gonorrhea screening tests, which will be allotted both to existing sub-recipients and a new sub-recipient, Health Clinics of Utah.											
Health*	UTG-180717010-aa	Behavioral Risk Factor Surveillance System	Centers for Disease Control and Prevention	\$450,454	\$0	\$0	8/30/2018 - 3/28/2019	9%	N	0	Submitted	1	Supplemental
Description and Purpose of Grant:		The purpose of this program is to provide financial and programmatic assistance to State Health Departments to maintain and expand 1) specific surveillance using telephone and multimode survey methodology of the behaviors of the general population that contribute to the occurrence of prevention of chronic diseases and injuries, 2) the collection, analysis, and dissemination of BRFSS data to State categorical programs for their use in assessing trends, directing program planning, evaluating programs, establishing program priorities, developing policy, and targeting relevant population groups. This program will help States monitor the prevalence of major behavioral risks associated with premature morbidity and mortality in adults to improve the planning, implementation, and evaluation of disease prevention and health promotion. This application is for supplemental funding to increase the survey sample size and add additional modules to the survey.											
Health	UTG-180705020-aa	Rape Prevention and Education Administrative Supplement	HHS, PHS, Centers for Disease Control and Prevention	\$42,284	\$0	\$0	2/1/2018 - 1/31/2019	0%	N	0	Submitted	1	Supplemental
Description and Purpose of Grant:		This is a supplemental grant to continue to build capacity in Utah's communities to increase readiness for primary prevention work through training and by identifying community assets, resources, and needs. A training program and manual around the primary prevention of violence and shared risk and protective factors will be developed. The training will target existing sub-recipients, as well as potential new sub-recipients, including local health departments. A primary prevention needs assessment will be conducted and an asset map will be prepared. Staff will coordinate the development and implementation of the assessment, with assistance of contract staff to advise on the design.
