SB89: Conflict of Interest Amendments

Sen. Jani Iwamoto

SB89 requires the Office of the Lieutenant Governor to create a website that enables candidates and officeholders to submit and edit their conflict of interest disclosures electronically. The funding would be used for programming expenses to develop the website.

Statewide Public Purpose

SB89 would allow the public to view conflict of interest forms for candidates and officeholders of state constitutional offices, legislators, and members of the State Board of Education on one website. It would also streamline the submission process for candidates and officeholders.
