# Performance Improvements

## Waste management permitting

- Revision of Used Oil Permit Application forms on the web to enhance the permitting process
- Conversion of Used Oil Financial Assurance (FA) forms to writable PDF form
- Conversion of Revision of Used Oil Annual Report forms to a writable PDF

## Waste management compliance

- Enhanced compliance tracking to improve compliance rates
- Update of new rule citations on the small-quantity generators (SQG)/ large-quantity generators (LQG) checklists

## X-ray inspections

- Newer equipment that cuts data collection time in half
- Streamlined reporting process
- Data collection using tablets
