

Request Name: Herriman NICA Course

Description: The City is planning a National Interscholastic Cycling Association course but development is quickly encroaching on the property. These funds would be use to supplement significant investment from Herriman City in purchasing property to halt development for the preservation of open space for outdoor recreation.

Agency: Economic Development

Funding for: \$1,800,000 One time

Government

- 5.2 miles of trails
- 10.4 acres of pit zone
- 21 acres of parking
- 392 acres total

- Serves over 2,000 7-12th-grade student-athletes in SL, Utah Counties (nearly 4,000 state-wide)
- Will provide public outdoor recreation opportunities

- \$2 mil from State
+
\$4.25 mil from Herriman City
=
• \$5 million for land purchase, \$1.25 million for improvements
