		\$ (2,567,300)			One-time Reductions Approved by Social Services		
<u>1</u>	BA	\$ 716,100	\$ 716,100	\$ -	<p>DHS - Operation Rio Grande: Sober Living - To continue support for Operation Rio Grande efforts to transition homeless individuals in downtown Salt Lake City into stable housing and employment, this funding would pay for housing for individuals in the later stages of substance use disorder treatment. Funding would be passed-through to Salt Lake County. Previous state funding for Operation Rio Grande-related sober living totaled \$1.2 million for November 2017 to June 2019. A related request for one-time funds in FY 2019 is in item BA.</p> <p>How to Measure Success? (1) Number of new individuals placed in sober living facilities (Target = 280) and (2) Percent of clients with positive random urinalysis tests while participating in voucher program (Target = 10%)</p>	Gov.	(1) County funds (2) Partial Medicaid reimbursement (3) Federal block grants
<u>2</u>	AB	\$ 455,800	\$ 455,800	\$ 1,510,000	<p>DOH - Quicker Completion of Tests for Drug-facilitated Sexual Assault (FY 2019) - \$350,000 is for a new machine (mass spectrometer) to handle the increase in testing caseload. The new machine will allow for approximately 7,500 additional samples to be tested annually. 1/2 full-time employee starting as soon as possible with associated supplies to test 750 cases with suspected drug facilitated sexual assault (a case typically constitutes a minimum of 6 samples tested). A related request for ongoing funds is in item EB.</p> <p>How to Measure Success? 95% of all law enforcement casework (DUI + drug facilitated sexual assault testing) reported within 45 days .</p>	Gov.	Public Safety in FY 2018 paid about 11% of its DNA testing costs via \$150 fines from criminals. This would require a statutory change for Health.

<u>8</u>	AA	\$ 4,000,000	\$ 4,000,000	\$ -	<p>DOH - Medical Cannabis Implementation (FY 2019) - Start up costs to implement public access for about 40,000 clients to medical cannabis as approved by Proposition 2 and H.B. 3001 from the 2018 third General Session. This money is for 4 FTEs and to set up the state electronic verification system to regulate medical cannabis access. Ongoing costs should be paid for with fees to program participants.</p> <p>How to Measure Success? Implementation of an electronic verification system by no later than March 31, 2020.</p>	Gov.	Direct the Department of Health to repay the State via fees for start-up costs.
<u>9</u>	AC	\$ 3,000,000	\$ 20,300,000	\$ 20,000,000	<p>DOH - Medicaid Management Information System Replacement Cost Overruns - As of September 2018, the department did not anticipate needing more funds to complete the replacement of Medicaid's management information system used to process and pay medical claims. "The Department has estimated \$15.5 million in state funds would be required to complete the project." The department now estimates \$20.5 million continue activities into FY 2021 and reports the following changes to the financial estimate the cloud project needs a specific Utah capacity built by the vendor. The funding would be spent in FY 2020 and FY 2021.</p> <p>How to Measure Success? (1) Percentage of deliverables submitted on time, (2) releases completed on time, (3) service level agreement metrics: average system response time, system availability, and Interface run times and failures.</p>	Gov.	(1) Use some of the \$8.5 million balance in the Medicaid Restricted Account. (2) Authorize Medicaid via intent language to retain unspent funds at year end. In FY 2018 Medicaid did not spend \$11.3 million General Fund.

	B	\$ (6,225,000)	(\$19,573,000)	\$ -	DOH, DHS & DWS - Disability Services: New Limited Supports Waiver - Utah's existing Medicaid Home and Community-Based Services Waiver program serves 6,100 individuals and has a waiting list of 3,100. The new waiver, if approved by the federal government, would provide a limited array of services to 2,000 individuals who are currently on the waiting list. The specific services are to be determined but would be limited to in-home supports; allocations for each individual would be capped. Those with higher needs could eventually move to the existing waiver for more comprehensive services. This request includes a one-time reduction because it would take time to bring new individuals into services. The request includes General Fund amounts of: (\$2,251,000) for DOH, (\$4,002,000) for DHS, and \$28,000 for DWS. A related request for ongoing funds is in item DB.	Gov. Thurston	
	C	\$ (3,735,000)	\$ (11,883,500)	\$ 1,421,300	DOH & DHS - Disability Services: Transition 250 Intermediate Care Facility Residents to the Community by FY 2024 - This request would fund services through the Medicaid Home and Community-Based Services Waiver program for individuals currently residing in Intermediate Care Facilities (ICFs) who wish to move to non-institutional settings. This request includes a one-time reduction because the agencies estimate only 150 individuals would transition in the first year. The request includes General Fund amounts of: \$574,000 for DOH and (\$4,309,000) for DHS. A related request for ongoing funds is in item DC.	Gov.	
	AY	\$ (967,000)	\$ (6,797,000)	\$ 88,000,000	DOH - Quality Improvement Incentives for Intermediate Care Facilities - A related request for ongoing funds is in item EG. The one-time reduction is for the purpose of allowing ramp-up in the program.	Gov.

	GF	\$ 20,000,000	\$ 4,000,000	\$ 2,242,900	DWS - Affordable housing programs through the Olene Walker Housing Loan Fund (SB0034) - Provides funding for loans and grants to municipalities and counties for the purchase of land to be used to develop moderate income housing units. Related to item GD on the yellow (ongoing) sheet. How to Measure Success? Create or preserve 227 long-term (30+ year) affordable housing units.	Anderegg	
	AX	\$ (300,000)	\$ (300,000)	\$ 5,000	DOH - Loan Repayment Incentives for 7 Medical Providers in Underserved Areas - This has the effect of delaying the implementation of the ongoing funding by one year until July 1, 2020. The program anticipates having more than \$300,000 in nonlapsing funds available next fiscal year in FY 2020. A related request for ongoing funds is in item ED.	Gov.	
					<u>Items Below Have Been Moved to the Ongoing List</u>		
	BG	900000	900000	7049100	DHS - Domestic Violence: Shelter Funding - Home Safe Program - This funding will be used to continue the statewide Lethality Assessment Protocol Program funded with one time funding through June 2019, and will expand our services for high risk survivors of domestic violence through essential shelter, housing, childcare, and supportive services. In partnership with Crossroads Urban Center and Voices for Utah Children, the Utah Domestic Violence Coalition (UDVC) will coordinate a 3-year pilot project to ensure survivors are supported with employment, childcare and independent housing. How to Measure Success? (1) Total Clients Served at each Victim Service Provider agency (adults and children), (2) How many clients had previously received services from a Victim Service Provider, (3) How many individuals had an unmet need for victim services, (4) Total domestic violence hotline calls received, and (5) How many victims engaged in counseling.
