The Legislature intends that the Department of Environmental Quality report on the following performance measure for the Waste Tire Recycling fund, whose funding shall be used "for partial reimbursement of the costs of transporting, processing, recycling, or disposing of waste tires and payment of administrative costs of local health departments or costs of the Department of Environmental Quality in administering and enforcing this fund": (1) Number of Waste Tires Cleaned-Up (Target = 40,000) by October 31, 2020 to the Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee.

### **Office of Energy Development**

#### **42. Office of Energy Development**

The Legislature intends that the Office of Energy Development, whose mission is "to advance Utah's energy and minerals economy through energy policy; energy infrastructure and business development; energy efficiency and renewable energy programs; and energy research, education and workforce development," report on the following performance measures: (1) Private Investment Leveraged (Target = 27.5), (2) Constituents Directly Educated (Target = 32,799), (3) State Energy Program (Target = 586) by October 31, 2020 to the Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee.

### **Public Lands Policy Coordinating Office**

#### **43. Public Lands Policy Coordinating Office**

The Legislature intends that the Public Lands Policy Coordinating Office report on the following performance measures for the PLPCO line item, whose mission is "to preserve and defend rights to access, use and benefit from public lands within the State": (1) County Customer Service – Percentage of Utah Counties which reported PLPCO's work as "very good" (Target = 70%), (2) Percentage of State Natural Resource Agencies working with PLPCOs which reported PLPCO's work as "good" (Target = 70%), (3) Percentage of Administrative comments and legal filings prepared and submitted in a timely manner (Target = 70%) by October 31, 2020 to the Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee.

### ***C. Other Intent Language***

Additional legislative intent language:

The Legislature intends that the Public Lands Policy Coordinating Office receive the \$112,900 appropriated in FY 2020 from the Constitutional Defense Restricted Account before other appropriations from the account are proportionally distributed.

The Legislature intends that the Public Lands Policy Coordinating Office present proposed draft language for a Utah-specific roadless rules to the Natural Resources, Agriculture, and Environment Interim Committee by August 31, 2019.

The Legislature intends that the Department of Natural Resources provide recommendations on how to improve policy related to the coordination and process of wildfire decision making and management to the Natural Resources, Agriculture, and Environment Interim Committee by August 31, 2019.

The Legislature intends that some of the \$500,000 authorized for use on Utah Lake study projects in the Division of Water Quality's base budget shall be used to evaluate algal treatment concepts for Utah Lake. These funds should be administered through a multi-agency competitive review process.

The Legislature intends that the funding for the Catastrophic Wildfire Reduction Strategy and Business Initiative be only expended as one-to-one match from funding and resources provided by the United States Forest Service.

#### 4. Other Motions

##### A. Re-Purposing of Funds

Passed a motion to authorize the Department of Natural Resources to re-purpose the \$980,000 ongoing from the General Fund, previously used for the bond for the DNR Salt Lake City building, to be used for expediting the repayment of the loans for the DNR Regional Offices in Richfield and Cedar City. This will allow the loans to be paid off by FY 2025 or to be used for the purchase of the Tabby Mountain.
