

HB0393 - Suicide Prevention Amendments

- Creates a suicide prevention web-accessible video.
- Requires primary care providers to view this video to renew a medical license.
- Establishes a **Survivors of Suicide Loss Grant Fund** to reimburse family members for:
 - Mental health treatment
 - Clean-up of the site
 - Bereavement service
- Creates a **Psychiatric Consultation Program Grant Fund** to establish a program that gives a primary care provider access to tele-health psychiatric consultation for use in treating patients.
- Provides immunity from civil liability for individuals who provide emergency assistance at the scene of a suicide.
- Funds the State's 10-year suicide prevention plan that was required by the legislature.
