Subject: SB187- County Planning Services Amendments

Members of the Big Cottonwood Community Council and all Town of Brighton candidates are supportive of:

▶ Legislation (SB187) that extends the current sunset on the Mountainous Planning District.

▶ It would also authorize SL County to continue providing public safety funding for UFA and UPD to the new Town of Brighton

Otherwise, the UFA/UPD funding would be discontinued in the canyon on January 1, 2020, the very day Brighton becomes a town.

We think the Mountainous Planning District has been working well. They're a group of capable, dedicated and experienced volunteers.

This legislation provides a means to respect the health and safety of the 2 million visitors who come to the canyon each year. We strongly encourage the Utah Legislature to join Salt Lake County and the Town of Brighton as we move forward in this exciting new future for our community.

PLEASE VOTE YES ON SB187.

Thank you for your help,

Barbara Cameron

President, Big Cottonwood Community Council
