MOTION:

Rep. Coleman moved if the Legislature does not pass H.B. 342, Homeless Provider Oversight Amendments, then the following intent language is approved:

"The Legislature intends that the Legislature consider clarifying in statute the responsibilities of the State Homeless Coordinating Committee, consider requiring the State Homeless Coordinating Committee to adopt a statewide strategic plan for reducing homelessness in the state, require the State Homeless Coordinating Committee to develop a system for monitoring the extent to which the goals and strategies described in the strategic plan have been achieved, and consider requiring the State Homeless Coordinating Committee to report progress towards achieving goals described in their strategic plan, and that the State Homeless Coordinating Committee designate local oversight bodies that are responsible to develop a common agenda and vision for reducing homelessness in that region, craft a spending plan that coordinates the funding supplied by local stakeholders, monitor the progress toward achieving state and local goals, and realign funding to those projects that are improving their outcomes and targeting specific needs in the community."

Chair Christensen spoke in support of the motion.

Rep. Thurston asked for information on intent language.

Rep. Ray provided information about intent language and a bill file. Rep. Thurston asked about including a coordinating clause in the motion.

Rep. Ray suggested waiting to see if Sen. Anderegg's bill passes and then decide if the motion should be intent language or go into the Bill of Bills.
