

A wide-angle photograph of the Utah State Developmental Center. The building is a long, single-story structure with a mix of brick and light-colored panels. A sign above the entrance reads "ASH". In front of the building is a large parking lot filled with various cars. The foreground is a grassy area with several bare trees. In the background, there are large, rugged mountains under a cloudy sky. The text "Utah State Developmental Center" is overlaid in white on the upper part of the image.

Utah State Developmental Center

Serving High Risk Individuals with Intellectual Disabilities
