

AGENDA

ADMINISTRATIVE RULES REVIEW COMMITTEE

LEGISLATURE

Friday, November 22, 2019 | 10:00 A.M. | Room 445 Capitol Building

1. Committee Business

- Call to order
- Approval of the minutes of the September 25, 2019, meeting

2. Rulemaking Status: Department of Agriculture and Food (Sen. Anderegg and Rep. Roberts)

The committee chairs have asked representatives of the Department of Agriculture and Food to provide an update on rulemaking efforts to implement, by administrative rule, recent marijuana-related legislation. The chairs have also asked for an update on administrative rulemaking to implement 2017 General Session H.B. 58, Direct Food Sales Amendments, and 2018 General Session S.B. 168, Utah Agricultural Code Amendments.

- Representatives of the Department of Agriculture and Food
- Committee discussion/action

3. Rulemaking Update: Driver License Division (Rep. Roberts)

In its June 25 meeting, the committee and representatives of the Driver License Division discussed how first-time learner permit applicants are required to pass a written exam. If learner permit holders choose to take the driver license test 18 months or more from the date the original learner permit was issued, the division requires the applicant to retake the written exam. This requirement is not in agency administrative rule. The committee approved a motion requesting that the division draft an administrative rule making this requirement clear to the public. The division will present its draft rule.

- Representatives of the Driver License Division
- Committee discussion/action

4. R920-6 Traction Device/Tire Chain Requirements (Rep. Roberts)

Rep. Roberts has asked the Department of Transportation to address its rulemaking on snow tire requirements for various types of vehicles in certain locations and weather conditions, including specific tire requirements such as, "Three Peak Mountain Snowflake tires or traction devices."

- Representatives of the Department of Transportation
- Committee discussion/action

5. Other Items/Adjourn
