

Social Services Appropriations Subcommittee Meeting Calendar

Public Input: The tentative schedule includes public input at the beginning of each non-voting meeting day for the items on that day’s agenda. All input is subject to the chairs’ discretion. Those wishing to speak must contact Debbie Benson (801-326-1698) before 1:00 p.m. on the working day before the scheduled meeting.

Funding Requests: Legislator requests must be submitted to the Office of the Legislative Fiscal Analyst by noon on Thursday, February 6th. The chairs ask that requestors of funding provide: 1) a detailed and itemized budget indicating how they would spend the money within the specified timeframe, and 2) how they would measure success. Requestors without this information will be asked to return once they provide it. All appropriations must be made to state agencies. State agencies must follow state procurement laws which require competitive bids, requests for proposal, or sole source determination.
