UTAH OFFICE OF
GUARDIAN AD LITEM
AND CASA
The job of a Guardian ad Litem attorney carries with it a tremendous responsibility. It is their job to stand in the shoes of the child and zealously advocate for the children the Office of Guardian ad Litem and CASA represents. Our attorneys are committed and well trained, and as such, are an asset to the State of Utah.

In FY2013, the Office of Guardian ad Litem and CASA was asked to develop performance measures and to report on those measures annually to the Executive Offices and Criminal Justice Subcommittee. In FY2014, the Office of Guardian ad Litem and CASA developed these Standards and Performance Measures and they were approved by the Executive Offices and Criminal Justice Subcommittee. The approved Standards and Performance Measures, as well as supporting FY2019 data, are listed below.

**STANDARDS & PERFORMANCE MEASURES**

**Standard 1:**
GAL Attorneys shall be competent and knowledgeable attorneys and shall participate in training that addresses issues surrounding abuse and neglect, as well as improving legal skills.

**Performance Measure 1:**
The Office of GAL and CASA will measure the participation of GAL attorneys in the required trainings, as well as attorney satisfaction in the subject matter of the provided trainings.

**Performance Measure 1 FY19:**
In FY19, the Office of GAL and CASA provided GAL attorney’s access to the following trainings: GAL Annual Conference; Court Improvement Conference; Substance Abuse Conference; Promising Youth Conference; 26th APSAC Colloquium; and the Children’s Justice Center Annual Symposium. These trainings provided valuable information about issues related to abuse and neglect; domestic violence; mental health; and substance abuse, as well as helped improve the advocacy skills of our attorneys.
Performance Measure II FY19:
In FY19, GAL attorneys had on average 117 children and 66 families on their caseloads at any given time. This number is decreasing in part to authorization by the legislature to reallocate resources within the Office of Guardian ad Litem and CASA.

Performance Measure III FY19:
In FY19, more than 50% of children attended and participated in their court hearings. The most common reasons for children not attending their court hearings is that it was impractical for the child to attend or it was detrimental for the child to attend,. The Office of GAL and CASA continues to work with the courts and community partners to increase the presence of our clients in court, especially older youth.

Performance Measure IV FY19:
In FY19, The Office of GAL and CASA participated in 125 appeals on behalf of our clients. We also staffed many other cases to determine the efficacy of an appeal.

Finally, to try to resolve the issues before the court, as well as giving families a voice in the legal process, our GAL attorneys attended 1,655 mediations.
In FY19, the Private Guardian ad Litem program continued to be active. We currently have 69 private attorneys who have accepted over 338 cases this past year, including over 34 pro bono cases. Dixie Jackson, our Private Guardian ad Litem Coordinator, continues to support these private attorneys by responding to questions, providing guidance and attending hearings when necessary. Also, the Best Practice Guidelines were expanded significantly, in the form of a Private Guardian ad Litem Manual, for the Private Guardians ad Litem to be better equipped to handle these difficult cases.

We continue to update our website monthly to keep the list of available Private Guardian ad Litem attorneys as well as the collection of pleadings that attorneys can use and modify. We also provide a Newsletter with information relevant to the role of the Private Guardian ad Litem each month. Finally, to assist the private attorneys comply with CJA R4-906, The Office of the Guardian ad Litem and CASA has hosted sessions of Continuing Legal Education throughout the state.
The CASA program is a valued resource for the Office of Guardian ad Litem and CASA. During FY19, 803 volunteer advocates served 1,554 children and donated 33,007 hours. Advocates are appointed pursuant to U.C.A. § 78A-6-902, subsection (4) (a) that states:

“An attorney guardian ad litem may use trained volunteers, in accordance with U.C.A. § 67-20-1 et seq…to assist in investigation and preparation of information regarding the cases of individual minors before the court.”

CASA volunteers are assigned to an individual case and gather information for the GAL attorneys by visiting consistently with child clients, attending child and family team meetings and court hearings, and tracking the child’s progress in school. In addition, these advocates ensure that the child is receiving needed services and is in a safe, nurturing environment by monitoring court orders and reporting to the GAL attorney.

CASA volunteers are carefully screened; they receive a background check and are provided with 32 hours of pre-service training and 12 hours of annual in-service training. Research conducted by the National CASA Association has found that children with CASA volunteers do better in school, spend less time in the foster care system, are less likely to re-enter foster care and are more likely to have a consistent, responsible adult present than other children in care.
