Intergenerational Poverty Interventions Grant

Proposed Performance Measures

UTAH STATE BOARD OF EDUCATION

2

Background Information

- Focus of USBE grant program:
 - Provides afterschool and summer programming.
 - Improving academic achievement of children affected by intergenerational poverty.
 - Coordination efforts with the Department of Workforce Services, the Department of Health, the Department of Human Services, and the juvenile court.
- Department of Workforce Services, Office of Child (OCC) provides supplemental federal funding to LEAs receiving USBE funding to add enrichment and prevention programming.

UTAH STATE BOARD OF EDUCATION

3

Proposed Performance Measures

Performance Measures	Target
Improve reading proficiency rates of regularly participating* afterschool students, as measured by appropriate assessment	8 points
Improve math proficiency rates of regularly participating* afterschool students, as measured by appropriate assessment	7 points
Improve science proficiency rates of regularly participating* afterschool students, as measured by appropriate assessment	4 points

**Regularly participating refers to students attending an IGP grant funded afterschool program 30 days or more during the school year*

UTAH STATE BOARD OF EDUCATION

4

Partnerships for Student Success Grant

Proposed Performance Measures
January 28, 2020

UTAH STATE BOARD OF EDUCATION

5

Background Information

- The Partnership for Student Success Grant Program (PKX) supports Local Education Agencies and community-based organization grantees in improving educational outcomes for students who are economically disadvantaged through the formation of cross sector partnerships that use data to align and improve efforts focused on student success.
- For both Cohort I and II, ten (10) applications were received, six (6) of the applicants received funding for a five-year grant cycle.

UTAH STATE BOARD OF EDUCATION

6

Proposed Performance Measures

Performance Measures	Target*
The percentage of grade 3 students at Partnerships for Student Success schools who met reading benchmarks at year end	55%
The percentage of grade 8 students at Partnerships for Student Success schools proficient in mathematics	24%
High school graduation rate for students at Partnerships for Student Success schools	86%

**Because school year 2020 is more than halfway over, these targets are intended for school year 2021.*
