HB 68

Apprenticeship and Work-based Learning Amendment

Implementing high school apprenticeships throughout Utah

Youth apprenticeships have become increasingly important for companies as they look to train and adequately employ skilled employees. The Swiss apprenticeship model is known as a worldwide best practice when it comes to industry and education partnerships.

Funding for this program will be allocated to local education regions across the state for the development of apprenticeship work sites, and other work-based learning partnerships between educational institutions and industry partners.

Funding Request: \$2 million ongoing
