

# Home Health Order Hub

Coordination of Care for Older Adults Receiving Home Health Care Services

**KHHAU**

**UHHIN**

# Utah Falls Prevention Alliance

Formed in 2017 following the passage of S.J.R. 8

A multi-stakeholder workgroup representing 35 agencies and organizations

# Proposal

## Grant Application

The Utah Falls Prevention Alliance is applying for a \$550,000 grant from the Centers for Medicare & Medicaid Services.

## Match Request

We are asking the State of Utah for \$55,000, the required 10% match.

## HHH Development

The funds will be used to develop an electronic Home Health Hub within the Clinical Health Information Exchange (CHIE).

# KHHAU

Homecare and private duty are the lowest cost model for providing health care to Medicare and Medicaid beneficiaries.

## 1 Year

1 full year of in-home services often costs less than one hospital stay

## 2.5X

A skilled nursing facility stay is 2.5 times more expensive per admission than an episode of homecare for the same time frame.
