DCFS estimates that when one case has multiple caseworkers due to turnover, the case closes two months later on average than a case with a single caseworker. DCFS states that longer cases lead to higher costs for DCFS, the Courts, and other state agencies, and reduced engagement with the caseworker and worse outcomes for families. This request would raise the salaries of caseworkers. For example, it would increase the starting hourly wage for a licensed social service worker from \$17.25 to \$20.96 and address some compression for senior workers. (Requested By: Sen. Harper, W.)
